Run Silent, Run Deep Edward L. Beach, 2016-10-15 Universally praised for its powerfully authentic depiction of submarine warfare *Run Silent Run Deep* was an immediate success when published in 1955 and shot to the top of best seller lists nationwide In 1958 Hollywood adapted the novel for the big screen starring Clark Gable and Burt Lancaster The New York Times said of the novel If ever a book had a ring of reality this is it combat passages rank with the most exciting written about any branch of the service The Saturday Review called the book a classic and many reviewers compared its author to such greats as C S Forester and Erich Remarque Today these accolades still ring true for Edward L Beach's gripping first novel of American submariners confronting a formidable Japanese navy in a vicious battle to control the Pacific Beach's taut and dramatic narrative told with the intimacy of a confession deals with two strong headed men Edward Richardson the commander of the USS Walrus and his executive officer Jim Bledsoe Bound together by wartime duty the two are divided by jealousy pride and love for a beautiful woman But long after the details of this famous novel fade from memory what remains with us is a startling realization of the way it really was in the silent service during World War II Unlike many war novels here is a story that deals with war from the perspective of command With fidelity Beach creates the anguish agony and triumphs of command decisions Commander Richardson embodies all that is fine and human in an excellent naval officer This is a monument not to the misfits and the mistakes but to those men who rose to greatness under the sometimes unbearable tensions of action

Keenan,2007-08-22 From his early days as a film editor at RKO studios where he helped Orson Welles shape Citizen Kane to his success as a director and producer of musical blockbusters of the 1960s Robert Wise had a long and illustrious film career Unlike contemporaries such as Alfred Hitchcock John Ford or Howard Hawks however Wise s films lack any clearly discernible characteristics to signify his work There are few striking camera angles or visual flourishes that might distract from the primary obligation to present the story And like Hawks Wise never specialized in one or two genres but brought his directing skills to all manner of films His work as a director resists auteur categorization and that is a chief reason why some critics have been unduly negative in their consideration of his work In *The Films of Robert Wise* Richard Keenan examines the nearly forty features that represent the director s career from *Curse of the Cat People* in 1944 to *A Storm in Summer* 2001 the only television production Wise ever directed Keenan offers a reappraisal of Wise s films so that the true quality of his work can be better appreciated Keenan argues that if there was a flaw in Robert Wise as a director it was that he lacked the ego and temperament of the artist which was not necessarily a flaw at all Indeed Wise was a conscientious craftsman who saw his work not primarily as a vehicle for his own ideas and visual style but as an opportunity to present narrative that quite simply engages informs and entertains It was this perspective that helped produce a number of memorable films over the years including the gritty noir *Born to Kill* the one two punch of *The Set Up* and *Somebody Up There Likes Me* the sci fi prophecy *The Day the Earth Stood Still* and the gripping indictment of capital punishment *I Want to Live* classics all Wise also won a pair of Oscars for two of the most memorable not to mention successful musicals of all time *West Side Story* and *The Sound of Music* Drawing on more than 30 hours of interviews with Wise as well as additional interviews with a number of his collaborators Keenan offers a welcome reassessment of the director s work In his analysis of each film Keenan reveals both Wise the craftsman and the artist In doing so *The Films of Robert Wise* finally confers upon this underappreciated director the recognition he deserves

THE SHADOW OF SACRIFICE Donald D. Deignan, 2016-10-24 On March 18 1942 barely one hundred days after Japan s devastating surprise attack on the United States Navy s Pacific Fleet based at Pearl Harbor a group of American soldiers were guarding a beach on the north shore of the Hawaiian island of Oahu against an expected Japanese amphibious invasion The atmosphere was tense Suddenly a gunshot shattered the almost perfect silence of that tropical night In its aftermath one young American soldier lay dead not far from the beach he was guarding But who was he And what were

the circumstances which had led to his tragic death *The Shadow of Sacrifice* answers these questions and in the process tells the compelling and poignant story of the way in which that single gunshot has echoed down through the generations of one typical American family Here is a mystery a tragedy a kind of love story a tale of survival and transformation and the unfolding record of promises made and kept The young American soldier who died mysteriously on that Hawaiian beach in 1942 was my beloved uncle Private First Class Donald Joseph John Deignan for whom I was proudly named Our lives have always been closely and positively connected Here just in time for the 75th Anniversary of the Pearl Harbor Attack is a thorough examination of the unbreakable and mutually beneficial bonds of love and loyalty which still unite us today Veterans and their families Baby boomers immigrants and people with disabilities will all find themselves reflected in our particular story

Shh...Listening For God , *The naval war film* Jonathan Rayner, 2013-07-19 This book undertakes a unique coherent and comprehensive consideration of the depiction of naval warfare in the cinema The films under discussion encompass all areas of naval operations in war and highlight varying institutional and aesthetic responses to navies and the sea in popular culture The examination of these films centres on their similarities to and differences from the conventions of the war genre and seeks to determine whether the distinctive characteristics of naval film narratives justify their categorisation as a separate genre or sub genre in popular cinema The explicit factual bases and drama documentary style of many key naval films such as *In Which We Serve* *They Were Expendable* and *Das Boot* also requires the consideration of these films as texts

for popular historical transmission Their frequent reinforcement of establishment views of the past which derives from their conservative ideological position towards national and naval culture makes these films key texts for the consideration of national cinemas as purveyors of contemporary history as popularly conceived by filmmakers and received by audiences
