**Odyssey of an Assassin Vol I** B. Peyton Chamberlain, 2013-09-20 Jason Shexnaider a jaded middle aged espionage agent specializing in political assassinations has lost his soul to his work He's been ordered now to recruit a candidate for a special mission and then to become responsible for her He recruits Flo Guzman a ghetto bred but saucy little sexpot from Wilmington Delaware who's also the object of the twisted sexual fantasies of Mel Strawbridge a coworker in the same machine shop However Rennie Decordova a Honduran immigrant and although highly educated an exotic dancer in New Orleans becomes the eventual candidate She's to be the instrument of an assassination plot devised by Colonel Quentin Horschach director of the U S Department of Intelligence Its target a Latin American terrorist chieftain so protected by layers of security as to be virtually invulnerable He has one weakness though Women The plan therefore is to send in a woman with a disability which in no way can detract from her attractiveness but which however practically guarantees her to be harmless Well how about blind then suggests Horschach knowing already what the response will be Well bloody blind it is then Bully But she will carry a surgically implanted device in her body a remotely detonated bomb And the signal to detonate this bomb is to be buried in a radio commercial that will saturate the airwaves until the mission is completed However the girl is not to turn on her implanted receiver until either she needs help or she's in bed with the target None of this does Decordova know obviously but Shexnaider does He knows about a pre-planned accident that will explain the surgery He knows that this mission disguised as reconnaissance is actually suicide And Jason Shexnaider who has always done his duty never questioning it finds that he has a conscience after all Decordova is to let them know she's penetrated the layers of this man's security as deeply as one could ever hope to To his very bedroom in fact And having done so she's to tap out the tune of Lili Marlene on her kneecap in which both the bomb and the receiver have been installed whereupon the receiver will turn on and the next time some radio station plays the fatal commercial boom Mission accomplished Phoenix Flower is the name of the nonexistent perfume The campaign to promote it has been

bought and paid for by Horschach The campaign itself is the brainchild of Ward Sutton New York ad executive who anticipating success and a big TV campaign to follow selects Decordova to be his Phoenix Flowergirl Thus bringing her to the attention of Horschach who assigns her to Shexnaider Its Decordovas attitude her courageous acceptance of blindness her stalwart willingness to serve her adopted country albeit for the promise of a sizeable financial reward if she survives It is these things and above all her spirit that convince Shexnaider shes too good to be lost this way He talks to the department doctor Dr Lodi about undoing the surgery he was ordered to perform Its at this point that word comes down from the office of the Secretary of Intelligence that due to recent changes in the diplomatic climate in Latin America no missions of any kind are to be carried out in that area Horschach is distraught This mission is his most brilliantly planned Its precious to him On the other hand it can never become known If it were successful it never would be known But now simply hanging what can they do to hide it Enter Mel Strawbridge whos been hiding in the wings since this drama began When Guzman goes to Washington he follows her And hes hanging around the safe house in which candidates for the mission are being quartered when Decordova takes over and Guzman moves out His frustration has built to the point that hes become desperate And besides this one is so much more attractive *Chameleon* B.H.
