Run-away Healers William H. Lee, 1991 *Women Healers* Susan H. Brandt, 2022-04-15 In her eighteenth century medical recipe manuscript the Philadelphia healer Elizabeth Coates Paschall asserted her ingenuity and authority with the bold strokes of her pen Paschall developed an extensive healing practice consulted medical texts and conducted experiments based on personal observations As British North America s premier city of medicine and science Philadelphia offered Paschall a nurturing environment enriched by diverse healing cultures and the Quaker values of gender equality and women s education She participated in transatlantic medical and scientific networks with her friend Benjamin Franklin Paschall was not unique however Women Healers recovers numerous women of European African and Native American descent who provided the bulk of health care in the greater Philadelphia area for centuries Although the history of women practitioners often begins with the 1850 founding of Philadelphia s Female Medical College the first women s medical school in the United States these students merely continued the legacies of women like Paschall Remarkably though the lives and work of early American female practitioners have gone largely unexplored While some sources depict these women as amateurs whose influence declined Susan Brandt documents women s authoritative medical work that continued well into the nineteenth century Spanning a century and a half Women Healers traces the transmission of European women s medical remedies to the Delaware Valley where they blended with African and Indigenous women s practices forming hybrid healing cultures Drawing on extensive archival research Brandt demonstrates that women healers were not inflexible traditional practitioners destined to fall victim to the onward march of Enlightenment science capitalism and medical professionalization Instead women of various classes and ethnicities found new sources of healing authority engaged in the consumer medical marketplace and resisted physicians attempts to marginalize them Brandt reveals that women healers participated actively in medical and scientific knowledge production and the transition to market capitalism

Run Away Davis, David, 2020-08-29 Joe a normal guy from our normal Earth gets Izakaied into a world of Magic with a unique skill and a secret that will end his life if anyone finds out Unfortunately everyone who has magic must go to the magical academy where his secret is sure to be discovered In spite of his best efforts Joe finds himself in the middle of a power struggle between gods and mages as he assembles an insane cast of unique friends who try to get him out of the thick of it

Runaway Model JOEY MEAD KING, 2022-01-19 The 90s grunge glitz glamor In a decade when the parties never seemed to end Joey Mead emerged as one

of the country's legendary fashion icons a host supermodel and VJ who was living the jet setting life that many could only dream of having But when the lights came on and the makeup came off she struggled with the turmoil lurking just underneath the surface Runaway Model is the story of Joey Mead King from her uncertain childhood in Australia to her own peaceful triumphant reclamation of life even as the pandemic raged around the globe It is a memoir of the shimmering decades of Philippine fashion starring the places and the personalities that defined that era as well as the dark shadows that sometimes accompanied each brightly lit scene But most of all it is a story about love in all its many forms the kind that only blossoms when you begin to love yourself

The Highlander's Runaway Bride Aileen Adams, Blair MacManus will not let a man tell her how to run her life She will not let Laird Fergus Campbell betroth her to a man in his guardsman troops She wants to follow in her dear departed mother's footsteps She wants to be a healer Laird Campbell considers Blair practically as a daughter One that needs to be bent to his will She'll be no man's bride That is not in the cards for Blair Nae at all Jameson Connor's lands have been stolen by a lowlife He's living among brigands and refugees from clan wars He and his men are constantly living on the fringe of society making ends meet the best they can Until a skirmish leaves Jameson in quite a quandary His legs are damaged in a fire When his men decide to abduct a lass on the road who'd have known she's an aspiring healer One with a good heart and a sharp mind Can Jameson convince Blair to abandon her journey to her best friend's keep in order to stay with his clan To soothe their wounds and heal his heart

Sacred Path of Reiki Katalin Koda, 2008 This unique guidebook combines traditional Reiki techniques with chakra healing the magical arts and the author's own spiritual and clairvoyant experience Reiki Master Katalin Koda has studied Tibetan Buddhism practiced Kundalini yoga and researched ancient Vedic knowledge of the human energy field in India The result is a powerful new way to practice Reiki a holistic spiritual approach that Koda calls the Reiki Warrior path The way of the warrior has long been used by indigenous cultures to cultivate discipline and responsibility By fusing this age old tradition with a modern healing art and the story of her own journey Koda offers a powerful one of a kind approach to help Reiki practitioners come into their own as skilled compassionate and well balanced healers Sacred Path of Reiki presents sound theories and original practices that demonstrate how to develop Reiki into an integrated healing system and transcendent spiritual path It will appeal to both Reiki students and teachers

The Healer-Prophet in Afro-Christian Churches Gerhardus C. Oosthuizen, 2016-05-18 Apart from the mainline Pentecostal and Zionist churches there are different types of African Independent Indigenous Churches AIC The greater part of the more than four thousand denominations and eight million adherents came into the AIC during the past three decades mainly from the traditional African religious background The important role of the diviner in the traditional society has been replaced by the prophet in the AIC the prophet understands the worldview of his/her people especially the cultural diseases In some churches the office of prophet cum diviner is represented by one person The AIC movement is the most dynamic church movement in many parts of Africa especially Southern Africa The consistent growth of

these churches can largely be accounted for by the healing procedures they use which are highlighted in this study Dr Oosthuizen approaches healing from various angles as sickness is not only determined by physical and psychological factors but also by disturbed human relationships and socio political and economic tensions *The Healing Bouquet* Vinton McCabe, 2008-01-01 Vinton McCabe seeks to place the Bach Flower Remedies within their natural context that of homeopathic medicine The history of the Bach remedies is explored as well as the philosophy behind their appropriate use

The Self-Healing Mind Brian J. McVeigh, 2022-07-29 In *The Self Healing Mind* mental health counsellor and anthropologist Brian J McVeigh explores how the mind works to heal itself by defining the features of conscious interiority With insights from counseling psychotherapy anthropology and history this book explains the active ingredients of the self healing mind and shows that the mental processes that help us get through the day are the same ones that can heal our psyches *A Journey of Healing the Damaged Soul* Dominic Maka, Jaichima, 2010-05 I thought my life was in no particular turmoil when I first met Jaichima and Vicente in 1992 Retrospectively I was lost confused and hanging onto life by a thread a thread of delusions spun by suppression and repression and concealed by layers of addiction and denial Although college educated and successful I was feeling increasingly frustrated depressed and unhappy for unknown reasons Moving from the Midwest to Arizona failed to effectively alter my disposition Closing my business and quitting my job did not help The truth remained concealed even after two years of intervention by the Mara akames Slowly via counseling ceremonies and workshop involvement the truth began to emerge Thirty years of repression addiction denial and delusion gradually surrendered their ugly tentacles revealing horrendous untreated childhood sexual and parental abuse Untreated the effects of my childhood trauma developed into a severe Post Traumatic Stress Disorder that has been expressed through unconscious imbalanced entity behaviors most of my life When counseling began my life instantly unraveled I became confused angry and disconnected with the person I never knew or understood myself Though repression and denial saved my life intervention unlocked the door exposing my damaged entities that were created during childhood nurtured during teen years and perfected during adulthood absent counseling These life saving entities silently and unknowingly controlled my life Through the Mara akames nontraditional intervention guidance and healing techniques my nonexistent spirituality gradually transformed into deep spiritual awareness This spirituality became the essential foundation for my healing and was rudimentary for unveiling my horrific past This candid story reveals how blind adulation of my father led to horrendous childhood sexual and parental abuse with subsequent complete repression and denial It reveals my atrocious past defines my entities and discusses my healing process after thirty years of repression It also elucidates the non traditional healing techniques foremost spirituality taught by the Mara akames Jaichima is a Mara akame from the Huichol tribe called Wirarika of the Sierra Madre Mountains of Mexico She has practiced ancient and traditional tribal medicine for many years in Mexico and the United States She speaks numerous languages and has been a committed medicine woman all of her life Dominic

Goodwyn,2016-03-02 Ritual scholars note that rituals have powerful psychological social and even biological effects but these findings have not yet been integrated into the practice of psychotherapy and psychiatry In *Healing Symbols in Psychotherapy* Erik D Goodwyn attempts to rectify this by reviewing the most pertinent work done in the area of ritual study and applying it

to the practice of psychotherapy and psychiatry providing a new framework with which to approach therapy The book combines ritual study with depth psychology placebo study biogenetic structuralism and cognitive anthropology to create a model of interdisciplinary psychology Goodwyn uses examples of rituals from history folklore and cross cultural study and uncovers the universal themes embedded within them as well as their psychological functions As ritual scholars show time and again how Western culture and medicine is ritually impoverished the application of ritual themes to therapy yields many new avenues for healing The interdisciplinary model used here suggests new ways to approach problems with basic identity complicated grief anxiety depression meaninglessness and a host of other problems encountered in clinical work The interdisciplinary approach of this accessibly written book will appeal to psychotherapists psychiatrists and Jungian analysts as well as those in training and readers with an interest in the science behind ritual
