Running On Empty Contemplative Spirituality For Overachievers:

Running on Empty Fil Anderson, 2009-06-10 Learn to live with God instead of for God In this candid and achingly authentic book Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God the God who specializes in filling empty souls Fil Anderson had accomplished more for God than most of his contemporaries but his worn out body housed an empty soul His frenetic pace of ministry had earned him just one thing greater pressure to do even more He had fallen for the soul killing lie that doing more for God would give his life meaning Then the godly admonition of a spiritual director set this burned out believer on a life saving spiritual path Sometimes the only way to get a new life is by running your old one completely into the ground This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty It s the story of reclaiming your soul and finding a home in the center of God s relentless love It s the journey from self importance to God importance To the harried and the unharried I pray that this book will minister to your heart in the profound way that it has blessed mine

Transformation Stephen W. Smith, Gordon Dalbey, Howard L. Baker, 2010-08-27 Life is not a flow chart We weren't meant to master it on our own We weren't meant to be mastered by it either The discussion guides in the Transformation of a Man's Heart series put us in conversation with God and with one another to see how God shapes and transforms us in the ordinary experiences of our lives Am I every going to change he asks If we're honest with ourselves we'll admit that we're not the men we wish we were Not only our dreams but our values are vulnerable to external forces and internal chaos the wounds inflicted on us as well as the compromises we've allowed ourselves to make In this discussion guide inspired by essays in The Transformation of a Man's Heart men will be reminded that wherever they find themselves God is there with them inviting them forward onto a new and better path This study accompanies the book The Transformation of a Man's Heart compiled and edited by Stephen W. Tranquility David W. Henderson, 2015-09-01 There's never enough time So we try to cram as much as possible into what little time we have work friends play rest But what if How do I fit it all in isn't the right question Scripture has a lot to say about time Taking a cue from Ecclesiastes Better one handful with tranquility than two handfuls with toil and chasing after the wind and drawing on everything from Augustine's Confessions to conversations with air traffic controllers David W. Henderson encourages us to move beyond merely trying to open up a bit of margin or to say no once in a while and to take a purposeful step back from our lives to examine those internal and external dynamics that propel us into busyness and hurry Sharing honest stories about his own struggles with busyness he helps readers explore the way the Scriptures frame our time understanding the times making the most of the time and trusting God with the rest For anyone who is tired of feeling the push and pull of our time-bent culture this book will be a welcome invitation to rest and to live artful and faithful lives marked by peace and tranquility

Breaking the Rules Fil Anderson, 2011-03-16 After years of living with a set of religious demands that he could never live up to Fil Anderson found himself spiritually bankrupt and emotionally drained Following a crash and burn in professional ministry he experienced relief in learning to be with God rather than doing for God Instead of desperation he found healing and a rich new life with God In Breaking the Rules Fil invites us to explore what happens when good religion turns bad At such times we are weighed down with expectations of what it takes to be right with God whether it is the expectations of others holding up under pressure fixing what's wrong or accomplishing big things for God When we set aside this false agenda we find the courage to confess our fears and insecurities We taste the depths of God's love for us Here is an opportunity to quit trusting in your own ability to live for God and simply trust in God instead

You already know the women you'll meet in this book. They may sit beside you in the pew or join you at small group or touch your heart from a speaker's podium. They have all been saved. They all love the Lord. And yet One struggles with suicidal despair. Another is involved with adultery pornography or a same sex attraction. Another endures regular beatings or worse by someone who claims to love her. Another is divorced or thinking about it. This one drinks secretly or doctor shops for pain pills. That one wrestles with depression or bipolar disorder. And many others feel they can never be thin enough beautiful enough successful enough or Christian enough to be loved or accepted. They're all good Christian girls who have been broken by sin their own and others. They all needed the honest life giving truth at the heart of this book. Do you? Tammy Maltby addresses issues that aren't discussed much in church circles: private sins that she and other women have battled. The Publishers Weekly, 2003

Today almost fifty years later sixteen YMCA leaders rediscover Mott's life lessons and apply his simple and spiritual precepts to today's challenges and a new generation. Writing from their hearts these leaders each take one lesson and share personal experiences that demonstrate how Mott's basic timeless principles can strengthen an organization and keep its heart and purpose strong.
