**Running To Win** Galena Conatser, 2004-10 For anyone who feels like a second class citizen hopeless when it comes to their future or incomplete in any way Conatser presents a plan to turn things around Christianity Daily Life **Running The Race To Win** DARREN T. CARTER, 2012-04-18 Running The Race To Win is a book about developing a deeper understanding of discipleship and developing a deeper relationship with Christ It does not matter if you are a businessperson schoolteacher nurse athlete computer technician student etc you are called to be a disciple and to make disciples The contemporary church has many times neglected the original command laid down by Christ Himself and for this reason discipleship seems to be a radical message However for the church to fulfill its mission we must once again return to this radical call The word radical comes from the Latin word radix meaning the root of things Radical discipleship is simply a call to return to biblical foundations Biblical foundations are at the root of discipleship since a disciple is one who has been instructed in the foundational teachings of Christ *Running With a Winner* Charles Anthony Jones, 2005-10-13
