The Oracle , 1882 *The Testimonies of Indian Soldiers and the Two World Wars* Gajendra Singh, 2014-01-16 In the two World Wars hundreds of thousands of Indian sepoys were mobilized recruited and shipped overseas to fight for the British Crown The Indian Army was the chief Imperial reserve for an empire under threat But how did those sepoys understand and explain their own war experiences and indeed themselves through that experience How much did their testimonies realise and reflect their own fragmented identities as both colonial subjects and imperial policemen The Testimonies of Indian Soldiers and the Two World Wars draws upon the accounts of Indian combatants to explore how they came to terms with the conflicts In thematic chapters Gajendra Singh traces the evolution of military identities under the British Raj and considers how those identities became embattled in the praxis of soldiers war testimonies chiefly letters depositions and interrogations

It becomes a story of mutiny and obedience of horror loss and silence This book tells that story and is an important contribution to histories of the British Empire South Asia and the two World Wars Webbed Connectivities Vrushali Patil,2022-08-30 Constructing a new approach for centering empire in productions of racialized gendered and sexualized difference One of the oldest most persistent issues in gender and sexuality studies is the dominance of white northern theorizing and its consequences for what we know about sex gender and sexuality There is an ongoing neglect of the significance of histories of empire and coloniality particularly in U S sociology where the United States and its theoretical productions are routinely sanitized of such histories In Webbed Connectivities Vrushali Patil offers a global historical sociology that reembeds the United States within histories of empire situating the emergence of northern and U S based concepts and frameworks squarely within these histories Webbed Connectivities intercepts the political economy of knowledge production within the social sciences to argue for the work of centering the role of imperial hierarchies in knowledge production and circulation Patil develops a new approach webbed connectivities which tracks imperial processes and impacts across borders shifting from an emphasis on particular experiences and identities to the constitution and creation of the categories themselves A sociologist of feminist thought and gender and sexuality studies Patil explores the theoretical spaces that spotlighting imperial hierarchies within knowledge production might open including making productive and essential connections across sites of the global south and north The Quarterly Review ,1887 **Calcutta Review** ,1846 **Christianity in India** Clara A.B. Joseph,2019-03-07 By studying the history and sources of the Thomas Christians of India a community of pre colonial Christian heritage this book revisits the assumption that Christianity is Western and colonial and that Christians in the non West are products of colonial and post colonial missionaries Christians in the East have had a difficult time getting heard let alone understood as anti colonial This is a problem especially in studies on India where the focus has typically been on North India and British colonialism and its impact in the era of globalization This book analyzes texts and contexts to show how communities of Indian Christians predetermined Western expansionist goals and later defined the Western colonial and Indian national imaginary Combining historical research and literary analysis the author prompts a re evaluation of how Indian Christians reacted to colonialism in India and its potential to influence ongoing events of religious intolerance Through a rethinking of a postcolonial theoretical framework this book argues that Thomas Christians attempted an anti colonial turn in the face of ecclesiastical and civic occupation that was colonial at its core A novel intervention this book takes up South India and the impact of Portuguese colonialism in both the early modern and contemporary period It will be of interest to academics in the fields of Renaissance Early Modern Studies Postcolonial Studies Religious Studies Christianity and South Asia The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license **Garner's Modern English Usage** Bryan A.
