## **Running For Our Lives:**

*Running for Our Lives* Rachel Ann Cullen, 2022-05-05 Every time I speak to someone and hear about their experiences it leaves me with a sense of running's incredible power to help people overcome pretty much anything Each day millions of people around the world put on their trainers and try to deal with their personal demons and life challenges by going for a run And increasingly they do it knowing that they are not alone a growing and often virtual community is right there running alongside them We are all in some sense running for our lives Rachel Ann Cullen's first book *Running for My Life* described her own marathon journey through depression bipolar disorder and body dysmorphia and her revelatory discovery that running could transform her physical and mental wellbeing Since hearing from people who had read about her experiences Rachel wanted to tell some stories of other runners from all around the world ordinary people living with mental health struggles dealing with grief cancer and other unavoidable life events who have relied on running to get them through their worst days and to keep going *Running for Our Lives* shares moving accounts of hope and resilience it demonstrates the power of running to help us all overcome adversity and is a lesson for us all in learning not only how to survive life's challenges but to thrive

*The Site of Our Lives* James S. Hans, 1995-07-01 This book addresses the question of human uniqueness at a time when academic discourse has all but abandoned its long held commitment to the value of individuality Through an appraisal of the works of Emerson Nietzsche Heidegger Derrida and Foucault the author establishes the ways in which the current critique of the self has grossly distorted the nature of the debate by reducing it to a simple choice between essential or constructed selves Hans argues that the tradition that emerges from Emerson's work is based on a relational sense of the individual as much as it is devoted to the premise that we all have a specific form of integrity Likewise even though Nietzsche's critique of the fictional nature of the subject is the origin of contemporary visions of the fabricated self Nietzsche is equally insistent that each of us is a productive uniqueness we are all principles of selection whose links to the world embrace more than the social circumstances around us Nietzsche's vision of our productive uniqueness is carried on in larger and smaller ways by Heidegger Derrida and Foucault each of whom entertains a far more complex vision of the individual than those which currently dominate our ways of talking about what it means to be human

Calling in "the One" Katherine Woodward Thomas, 2004 Introduces a seven week course designed to help a woman find the love of her life featuring a series of daily activity and journaling exercises to help readers recognize personal obstacles to happiness and overcome them

*Programming Our Lives* Walter Cummins, George Gordon, 2006-06-30 In this timely examination of television and American identity Cummins and Gordon take readers on an informed walk through the changes that TV has already wrought and those still likely to confront us Commercial television in America is less than 60 years old yet it has had an enormous impact on what we like what we do what we know and how we think A family transplanted from the 1940s to the present day would certainly be stunned by a fundamentally different world instead of gathering in the living room for a

shared evening of radio they would be scattered around the house to indulge their individual interests on one of a hundred cable channels instead of a society with rigid racial and ethnic divisions they would see people of different ethnicities in passionate embraces and certainly they would see very different sets of values reflected across the board They would in short find themselves in an unrecognizable America one both reflected in and shaped by television a medium that has been shown to have an unprecedented influence on our lives both for better and for worse By focusing on the development of television within the cultural context that surrounds it and drawing on such phenomena as quiz shows comedy hours the Kennedy assassination the Olympics sitcoms presidential ads political debates MTV embedded journalism and reality TV the authors reveal television's impact on essential characteristics of American life They cover topics as diverse as politics crime medicine sports our perceptions our values our assumptions about privacy and our unquenchable need for more things In addition they consider the future of the medium in the light of the proliferation of programming options the prevalence of cameras and receivers in our lives the growing links between TV and computers and the crossed boundaries of television throughout the world

Now You Can Stop Running Terry Crist, 2025-06-03 You can find the deep peace you've been longing for and that God has promised Because of spiritual brokenness we humans run We seek to escape fear disappointment unresolved trauma and unhealed wounds of the past but no matter how hard we try we can't seem to run far enough or fast enough to finally be free yet we keep running anyway But God wants so much more for us Pastor speaker and author Terry Crist has spent much of his life running from the pain of past trauma and toward the empty promises of what he thought would satisfy his soul In *Now You Can Stop Running* he leads you on a journey toward sanctuary where you will find not just respite but transformation not just shelter but home as you learn how to find authentic rest and spiritual wholeness in the boundless love of God With rich wisdom and profound pastoral insights Crist helps us Understand our own stories why we run what we're running from and who or what we're running toward Discern between the false promises of the world that create chaos and true refuge in the God who offers peace Encounter God through freshly told stories of faithful believers in the Bible who also ran for their lives Engage spiritual practices that will guide us through our past pain give meaning to our present struggles and illuminate our path forward with hope The same God who loved and guided Jacob Moses Hagar and David walks alongside us today His rest is genuine and the refuge he promises is safe and secure

*Running The Race To Win* DARREN T. CARTER, 2012-04-18 *Running The Race To Win* is a book about developing a deeper understanding of discipleship and developing a deeper relationship with Christ It does not matter if you are a businessperson schoolteacher nurse athlete computer technician student etc you are called to be a disciple and to make disciples The contemporary church has many times neglected the original command laid down by Christ Himself and for this reason discipleship seems to be a radical message However for the church to fulfill its mission we must once again return to this radical call The word radical comes from the Latin word *radix* meaning the root of things Radical discipleship is simply a call to return to biblical foundations

Biblical foundations are at the root of discipleship since a disciple is one who has been instructed in the foundational teachings of Christ

The Courage To Start John Bingham,1999-04-07 From the popular columnist this inspiring handbook proves that anyone can enjoy the physical and psychological benefits of running as long as they possess the courage to start

RUNNING YOUR RACE Donald E. Hawkins,2023-02-09 Running Your Race is designed to help Christians learn about God and how to know God better how God expects them to act and how they are supposed to live The book explains that God loves us His children and wants to bless us It tells us how to trust God and follow His leading God requires that His children live by faith and the Bible is the means for us to acquire the faith that we need to live for God It tells about God s forgiveness of our sins when we fail to obey God s word How God does not even remember our sins that Jesus Christ came to save us and not to condemn us God s word is absolutely true and we can trust it with our lives He has given us His Holy Spirit to live in us and to teach us and guide us into all the truth We discover how to find out the will of God and how to pray in accordance with His will All believers in Christ are members of the body of Christ and God has given each one a place in the body It is our responsibility to seek God and ask Him what He wants us to do with our lives God calls us His sons As sons of God we have the responsibility of reconciling the world to God We are ambassadors for Christ and we need to take this responsibility seriously The Holy Spirit has given the author many poems about various

Andrew Sneddon,2013-06-06 Philosophers have various reasons to be interested in individual autonomy Individual self rule is widely recognized to be important But what exactly is autonomy In what ways is it important And just how important is it This book introduces contemporary philosophical thought about the nature and significance of individual self rule Andrew Sneddon divides self rule into autonomy of choice and autonomy of persons Unlike most philosophical treatments of autonomy Sneddon addresses empirical study of the psychology of action The significance of autonomy is displayed in connection with such issues as paternalism political liberalism advertising and physician assisted suicide Sneddon both introduces the themes of contemporary autonomy studies and defends a novel account of its nature and significance Autonomy is an ideal introduction for advanced level undergraduate and postgraduate students to the issues and debates surrounding individual self rule      Daily Spiritual Nourishment Thifhidzi T. With this book and by accepting and receiving Jesus Christ into your life, you'll be on your way toward a purposeful life. **RUNNING THE RACE** GODSWORD GODSWILL ONU, 2015-03

We are running a race; our purpose is to please God and do His Will, and our goal is to make Heaven at last with great rewards. If we know the value of the race we are involved in and the things which God has prepared for us at the end, we will sell all that we have and buy them. Run in such a way that you may obtain the prize of our race. You therefore must endure hardship as a good soldier of Jesus Christ. Take heed to yourself and to the Doctrine. Continue in them for in doing this you will save both yourself and those who hear you. Running the Race One Day at a Time Boris Jeremenko, 2020-05-29 Boris Jeremenko vaguely remembers April 10, 1951, the day his ship arrived in New York Harbor from a refugee camp in Atmont, Austria. After his parents announced that the family had docked in America, six-year-old Boris traveled with his twin sister and parents to Fort Wayne, Indiana, to begin a new life. In a fascinating memoir accompanied by historical photographs, Boris leads others into his memories of days gone by as he reflects on his inspiring journey through life filled with highs and lows and his unwavering faith in Jesus Christ. While sharing childhood challenges that included initial language barriers as a kindergartener and his father's alcoholism, Boris also offers a glimpse into happy moments like riding in his beloved go-kart, attending Boy Scout camp, and operating a ham radio. As he reveals how his journey eventually led him to marry, have children, and begin a career in law enforcement that would ultimately take him into the political arena, Boris reminds all of us of the power of perseverance, prayer, and a belief in God's plan. Running the Race One Day at a Time is the true story of an Austrian immigrant's life experiences after he journeyed to America with his family to begin a new chapter. **They're**

The theme of this book, the believer's riches in Christ, becomes clearly evident as *Immeasurably More* leads you through portions of the Old and New Testaments in an easily read, easily grasped devotional experience. God says to his people, "You are to be holy to me because I, the Lord, am holy. I have set you apart to be My own." Lev 20:26 Christians must understand that we are the people of God today. What God said to Israel, He also says to us for in our relationship with Jesus Christ, there is but one man, one body in Christ. Promises which appear in the Old Testament belong also to us who live this side of the cross.
