Running Towards A New Life:

From New Mills to New Life Joshua Spencer, 2009-10-28 In this scintillating heart wrenching and tear eliciting autobiography *From New Mills to New Life* Joshua Spencer shares his extraordinary experiences from birth to his fiftieth year It starts in Albion Montego Bay where the author was born but where he spent the least of his life of half of a century It then extends to several other areas of his native land but finds as its pivot a small impoverished district known as New Mills where he spent much time in a little shamble he called home with his grandmother A home that lacked the basic facilities and necessities such as electricity and water *From New Mills to New Life* radiates back and forth to its pivot but in an orderly sequential fashion until it culminates in Canada It exposes all the challenges and successes that the author experiences in both jurisdictions including family challenges being on the verge of bankruptcy and so on It describes quite liberally his weaknesses and his strengths those challenges he conquers and those he approaches optimistically in the future You will cry intermittently laugh regularly and even get deeply saddened sporadically as you share in this masterpiece *From New Mills to New Life*

The Black Man William Wells Brown, 2021-07-03 Excerpt The calumniators and traducers of the Negro are to be found mainly among two classes The first and most relentless are those who have done them the greatest injury by being instrumental in their enslavement and consequent degradation They delight to descant upon the natural inferiority of the

blacks and claim that we were destined only for a servile condition entitled neither to liberty nor the legitimate pursuit of happiness The second class are those who are ignorant of the characteristics of the race and are the mere echoes of the first To meet and refute these misrepresentations and to supply a deficiency long felt in the community of a work containing sketches of individuals who by their own genius capacity and intellectual development have surmounted the many obstacles which slavery Pg 6 and prejudice have thrown in their way and raised themselves to positions of honor and influence this volume was written The characters represented in most of these biographies are for the first time put in print The author s long sojourn in Europe his opportunity of research amid the archives of England and France and his visit to the West Indies have given him the advantage of information respecting the blacks seldom acquired If this work shall aid in vindicating the Negro s character and show that he is endowed with those intellectual and amiable qualities which adorn and dignify human nature it will meet the most sanguine hopes of the writer

The Painter of Siena Victoria Dowd,2016-11-29 A young artist in Mussolini s Italy must work for the propaganda machine if he wants to continue to paint His obsession with his muse Mathild drives him to make any sacrifice But his adoration for her forces him into new and dangerous circles The art world of 1940s Rome is beguiling and glamorous but threaded deep within is a frightening world where no one should be trusted and it is very easy to disappear without a trace

Dr. Errol E. Leslie, 2022-11-15 In the gospel of John the writer ends the story by stating the purpose of writing the Gospel This purpose is recorded in verses 30 and 31 of chapter 20 Jesus performed many other signs in the presence of his disciples which are not recorded in this book But these are written that you may believe that Jesus is the Messiah the Son of God and that by believing you may have life in his name Based on this ending it stands to reason that for even the other Bible stories which are included in scripture many details have been left out because the respective writers can say so much and no more Have you ever wondered what details might have been left out of the Christmas narrative as we know them It is that kind of curiosity which sparked the imaginative thoughts that brought these two Christmas musicals together The characters were normal human beings with emotions If you think of it Joseph would have been jealous and angry when he thought that Mary was unfaithful to him That kind of emotion might have led to a verbal showdown between the two until the angel appeared to Joseph directly In turn Mary must have been pretty distraught that Joseph kept accusing her wrongly and that he continued to question her integrity Why was he going to break off the engagement Did he not trust and have confidence in the innocent virgin Both Mary and Joseph would have had parents too so how did they come into the picture What were their immediate thoughts when news of the miracle pregnancy unfolded There might have been uncertainty and confusion even among the people of God One may even assume that there may have been gossips in that society who like some persons in this day and age just enjoyed embellishing stories which sounded juicy At the other end of the spectrum one wonders what the atmosphere may have been like in the palace of Herod Was it all anger and jealousy which prevailed or did the raw human emotions of nervousness and anxiety come to the fore A Dream Come True and Believe Me I Believe depicts the Christmas narrative fully as described in the Bible However some of these thoughts and questions come out very clearly during the plot In a combination of poetry and drama

music and dance the story with the added imaginative scenes unfolds with all these elements interwoven into one continuous narrative The overall Christian message comes out clearly and very strongly toward the end of each musical and while the plots may differ they both carry the underlying theme of evangelism as persons are encouraged to believe in this Jesus and give their lives to Him *I Said, "I Am A Nun"* June A. Ramsay, 2010-09-22 Rose a small town European girl had one passion for life she wanted to be a nun Rose was wronged and brutally injured after her first year in convent her wounded life had to be placed in a cast to heal While healing she found a second passion that kept her alive but that second passion was forbidden Julia her confidant kept her protected from life's realities until she was healed and ready to step out of her cast and face the world unveiled When that cast was removed Rose found new strength and courage that propelled her to stand face to face with the one opponent who had wounded her and kept her suffocated for more than three decades In that full circle moment Rose was set free to claim a new life on her terms with a renewed vision to live out her old passions in disguised ways
