Run, It Might Be Somebody Ephraim Romesberg, 2005-10-24 Book

Summary of Run It Might Be Somebody By Ephraim Romesberg The book covers a span of over 70 years starting with the author as a shy sickly boy who was the last of 11 children living on a farm during the great depression and ends with the author as a 74 year old man who still runs ultra distant marathons In the first chapter the author presents stories and anecdotes often in a humorous way to describe some of the joys and hardships of growing up in a large family during the great depression Compared to today life was very different then with no TVs very few radios no computers no running water in the home except in the pantry where there was a hand pump and very few toys or luxuries of any kind Also and perhaps more significantly kids for the most part were given chores and did not have time to get into trouble There were no drugs no gangs and no boredom Being the youngest in the family and somewhat sickly the author was to some extent given some slack on farm chores Even so he had daily chores to do starting from a very early age such as milking cows driving the old model T truck fetching the cows cleaning stables feeding livestock driving a tractor and helping wherever help was needed The book describes the one room school house that all kids in the area attended at that time The authors dad had to quit such a school while in third grade to work on the farm when his father died leaving the family without any money or food His mother completed school through eighth grade which was all that most people considered necessary in those days especially for women So there was little or no pressure from the parents to go to school after that As a result the three oldest boys in the family never went past eighth grade There were other reasons to stay home and the most important one was they had no decent clothing The book tells about the Authors mother removing the white stripes from an old pair of band pants and one of the three boys who never completed high school then removing all the little white threads so that he could wear the pants to school He also had no decent shoes so he added home made soles to the bottoms of a pair of his work shoes by attaching them with roofing nails so that he could make the long four mile walk to the school After several trips the nails poked through the bottoms of the shoes and wore holes in his feet Because of that and the lure of the upcoming hunting season and the need to work on the farm he quit school after only a month or so Except for the three oldest boys all of the kids

completed high school and several went on to college The book describes such things as making hay the old fashioned way husking corn by hand hoeing corn and then picking rocks while resting butchering a pig delivering baby pigs and calves threshing to separate the grain from the straw and the authors Mom squirting milk straight from the cows tit at cats and grandkids Also described are how the young boys in the family learned to handle a team of horses when they were only 10 years old how one of the boys accidentally cut off his little sisters finger how an uncle lost his leg to the stump puller how the author when he was only eight years old tried to explain to a blind preacher how to use the out house and the Sears Roebuck catalog which was used instead of toilet paper Also described and a little more on the lighter side one of the authors sisters claimed that you havent lived until you ran barefoot through a cow pasture and felt the warmth of a fresh cow patty ooze up between your toes The early chapters also describe the authors time in the US Navy where he was sea sick every time the ship left the dock Hunting stories tell of deer hunting with more failures than successes One successful

**The Complete Idiot's Guide to Barefoot Running** Dr. Craig Richards, Thomas Hollowell, 2011-02-01 Enhanced running naturally For 30 years runners have been told that their only hope of salvation from injury is an expensive shoe until now The barefoot running and minimalist footwear revolution is here and it is turning the world of running upside down Offers expert advice on how to run barefoot and strengthen atrophied muscles and revitalize super sensitive soles A Harvard University study made from early 2010 shows that barefoot running is better for the body and feet than running in expensive shoes

*Let Your Mind Run* Deena Kastor, Michelle Hamilton, 2019-04-09 NEW YORK TIMES BESTSELLER Deena Kastor is one of the greatest bodies in distance running but this book captures what is so groundbreaking about her mind Alexi Pappas Olympian writer and filmmaker now featuring a workbook to help chart your mind s journey Inspiring fascinating and insightful Practical for anyone trying to overcome the biggest impediments to climbing that next hill of growth Shawn Achor author of The Happiness Advantage and Big Potential Deena Kastor was a star youth runner with tremendous promise yet her career almost ended after college when her competitive method run as hard as possible for fear of losing brought her to the brink of burnout On the verge of quitting she took a chance on legendary coach Joe Vigil who had started the first professional distance running team in the US At his Colorado training center she encountered the notion that shaping her mind to be more encouraging kind and resilient could make her faster than she d ever imagined possible Building a mind so strong would take years of effort and discipline but it would propel Kastor to the pinnacle of running to American records in every distance from the 5K to the marathon and to the accomplishment of earning America s first Olympic medal in the marathon in twenty years Let Your Mind Run is a fascinating intimate look inside the mind of an elite athlete a remarkable story of achievement and an insightful primer on how the small steps of cultivating possibility can give anyone a competitive edge
