dynamic of authenticity lying at the heart of American culture Rather than being mere reflections of culture Somers Willett argues slams are culture sites where identities and political values get publicly refigured and exchanged between poets and audiences Susan B A Somers Willett is a decade long veteran of slam and teaches creative writing and poetics as an Assistant Professor of English at Montclair State University She is the author of two books of poetry Quiver and Roam Visit the author's website at <http://www.susansw.com> Photo by Jennifer Lacy
