**James H. Billington**

## **Russia And The Russians:**

**Russia and the Russians** Geoffrey A. Hosking, 2001 Chronicles the history of the Russian Empire from the Mongol Invasion through the Bolshevik Revolution to the aftereffects of the Cold War      **Russia** Geoffrey A. Hosking, 1997 The Soviet Union crumbles and Russia rises from the rubble once again the great nation a perfect scenario but for one point Russia was never a nation And this says the eminent historian Geoffrey Hosking is at the heart of the Russians dilemma today as they grapple with the rudiments of nationhood His book is about the Russia that never was a three hundred year history of empire building at the expense of national identity Russia begins in the sixteenth century with the inception of one of the most extensive and diverse empires in history Hosking shows how this undertaking the effort of conquering defending and administering such a huge mixture of territories and peoples exhausted the productive powers of the common people and enfeebled their civic institutions Neither church nor state was able to project an image of Russian ness that could unite elites and masses in a consciousness of belonging to the same nation Hosking depicts two Russias that of the gentry and of the peasantry and reveals how the gap between them widened by the Tsarist state s repudiation of the Orthodox messianic myth continued to grow throughout the eighteenth and nineteenth centuries Here we see how this myth on which the empire was originally based returned centuries later in the form of the revolutionary movement which eventually swept away the Tsarist Empire but replaced it with an even more universalist one Hosking concludes his story in 1917 but shows how the conflict he describes continues to affect Russia right up to the present day      Russia and the Russians: a History Geoffrey Hosking, 2003      *Rulers and Victims* Geoffrey Hosking, 2006-01-01 Many westerners used to call the Soviet Union Russia Russians too regarded it as their country but that did not mean they were entirely happy with it In the end in fact Russia actually destroyed the Soviet Union How did this happen and what kind of Russia emerged In this illuminating book Geoffrey Hosking explores what the Soviet experience meant for Russians One of the keys lies in messianism the idea rooted in Russian Orthodoxy that the Russians were a chosen people The communists reshaped this notion into messianic socialism in which the Soviet order would lead the world in a new direction Neither vision however fit the community spirit of the Russian people and the resulting clash defined the Soviet world Hosking analyzes how the Soviet state molded Russian identity beginning with the impact of the Bolshevik Revolution and civil war He discusses the severe dislocations resulting from collectivization and industrialization the relationship between ethnic Russians and other Soviet peoples the dramatic effects of World War II on ideas of homeland and patriotism the separation of Russian and Soviet culture leadership and the cult of personality and the importance of technology in the Soviet world view At the heart of this penetrating work is the fundamental question of what happens to a people who place their nationhood at the service of empire There is no surer guide than Geoffrey Hosking to reveal the historical forces forging Russian identity in the post communist world      **Russia and the Russians** Edmund Noble, 1900      Russia and the Russians, in 1842 Johann Georg Kohl, 1842      **Russia and the**

**Russians** Edward Crankshaw,1948      *Russia of the Russians* Harold Whitmore Williams,1916      *Russia and the Russians* Edmund Noble,1900      *Russia of the Russians. [With Plates.]*. Harold Whitmore Williams,1940      Russia of the Russians Harold Williams,1919      The Story of Russia Orlando Figes,2022-09-20 This is the essential backstory the history book that you need if you want to understand modern Russia and its wars with Ukraine with its neighbors with America and with the West Anne Applebaum author of *Twilight of Democracy* and *Red Famine* Named a Most Anticipated Book of the Year by Publishers Weekly and Kirkus Reviews From the great storyteller of Russian history Financial Times a brilliant account of the national mythologies and imperial ideologies that have shaped Russia s past and politics essential reading for understanding the country today The Story of Russia is a fresh approach to the thousand years of Russia s history concerned as much with the ideas that have shaped how Russians think about their past as it is with the events and personalities comprising it No other country has reimagined its own story so often in a perpetual effort to stay in step with the shifts of ruling ideologies From the founding of Kievan Rus in the first millennium to Putin s war against Ukraine Orlando Figes explores the ideas that have guided Russia s actions throughout its long and troubled existence Whether he s describing the crowning of Ivan the Terrible in a candlelit cathedral or the dramatic upheaval of the peasant revolution he reveals the impulses often unappreciated or misunderstood by foreigners that have driven Russian history the medieval myth of Mother Russia s holy mission to the world the imperial tendency toward autocratic rule the popular belief in a paternal tsar dispensing truth and justice the cult of sacrifice rooted in the idea of the Russian soul and always the nationalist myth of Russia s unjust treatment by the West How the Russians came to tell their story and to revise it so often as they went along is not only a vital aspect of their history it is also our best means of understanding how the country thinks and acts today Based on a lifetime of scholarship and enthrallingly written The Story of Russia is quintessential Figes sweeping revelatory and masterful

*Russia and the Russians* Valeriï Tarsis,1970      *Russia of the Russians* Harold Williams,1918      **A Short History of Russia** Mark Galeotti,2020-07-07 A Library Journal 2020 Title to Watch Terrific and an amazing achievement to cover so much ground in such a short and wonderfully readable book Peter Frankopan bestselling author of *The Silk Roads* Russia s epic story told in an accessible lively and short form using the country s fascinating history to help us understand its actions today and what the future might hold A country with no natural borders no single ethnic group no true central identity Russia has mythologized its past to unite its people to justify its military decisions and to signal strength to outsiders Mark Galeotti takes us behind the myths to the heart of the Russian story covering key moments such as the formation of a nation through its early legends including Ivan the Terrible and Catherine the Great the rise and fall of the Romanovs the Russian Revolution the Cold War Chernobyl and the Soviet Union the arrival of an obscure politician named Vladimir Putin and his ambitions for Russia A Short History of Russia explores the history of this fascinating extraordinary desperate and exasperating country through two intertwined issues the way successive influences from beyond its borders have shaped Russia and the way

Russians came to terms with this influence writing and rewriting their past to understand their present and try to shape their future In turn this self invented history has come to affect not just their constant nation building project but also their relations with the world      **Russia and the Russians in 1842** ,1842      **A History of Russia, the Soviet Union, and Beyond** David MacKenzie,Michael W. Curran,2002 In this revision of their best selling book MacKenzie and Curran present a clear and objective account of the history of Russians and other eastern Slavs from its beginnings in ancient Rus to the demise of the Soviet Union and most recently the Putin presidency Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history The authors approach weaves the external geographic determinism of the Eurasian school and the organic inner oriented approach of Russian historians      *Russia in Search of Itself* James H. Billington,2004-03-19 Billington describes the contentious discussion occurring all over Russia and across the political spectrum He finds conflicts raging among individuals as much as between organized groups and finds a deep underlying tension between the Russians attempts to legitimize their new nominally democratic identity and their efforts to craft a new version of their old authoritarian tradition After showing how the problem of Russian identity was framed in the past Billington asks whether Russians will now look more to the West for a place in the common European home or to the East for a new Eurasian identity      **Russia and the Russians, in 1842** Johann Georg Kohl,1842

**RUSSIA & THE RUSSIANS** Edmund 1853-1937 Noble,2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Eventually, you will completely discover a extra experience and talent by spending more cash. yet when? attain you recognize that you require to acquire those all needs past having significantly cash? Why dont you attempt to acquire something basic in the beginning? Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russia And The Russians eBooks, including some popular titles.

## FAQs About Russia And The Russians Books

**What is a Russia And The Russians PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russia And The Russians PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russia And The Russians PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russia And The Russians PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russia And The Russians PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
