

Setting Sun Of Japan

Anne McKnight

Setting Sun Of Japan:

The Setting Sun Osamu Dazai, 2014-08-01 This powerful novel of a nation in social and moral crisis was first published by New Directions in 1956 Set in the early postwar years it probes the destructive effects of war and the transition from a feudal Japan to an industrial society Ozamu Dazai died a suicide in 1948 But the influence of his book has made people of the setting sun a permanent part of the Japanese language and his heroine Kazuko a young aristocrat who deliberately abandons her class a symbol of the anomie which pervades so much of the modern world *The Setting Sun* Osamu Dazai, 1968

We Japanese De_Garis, 2013-09-05 *We Japanese* is a collection of answers to questions that the author as a hotel manager in Japan has answered for hotel guests over the years He was the manager for over 28 years at the Fujiya Hotel at Miyanoshita These are naturally questions concerning those things which are different in Japan from the countries from which the visitors come First published in 2006 Routledge is an imprint of Taylor Francis an informa company Nakagami, Japan Anne McKnight, 2011 How Japan s most canonical postwar writer brought that country s largest social minority into the mainstream Setting Sun Ivan Vartanian, Akihiro Hatanaka, Yutaka Kanbayashi, 2006 Epic in scope intimate in detail heartbreaking in its human drama *Former People* is the first book to recount the history of the nobility caught up the maelstrom of the Bolshevik Revolution and the creation of Stalin s Russia It is a book filled with chilling tales of looted palaces burning estates of desperate flights in the night from marauding bands of thugs and Red Army soldiers of imprisonment exile and execution It is the story of how a centuries old elite famous for its glittering wealth its service to the empire its promotion of the arts and culture was dispossessed and destroyed along with the rest of old Russia Drawing on the private archives of two great families the Sheremetovs and the Golitsyns it is also a story of survival and accommodation of how many of the tsarist ruling class so called former people managed to find a place for themselves and their families in the hostile world of the Soviet Union It reveals too how even at the darkest depths of the terror daily life went on men and women fell in love children were born friends gathered Ultimately *Former People* is a testament to the resilience of the human spirit **Japan's Aging Peace** Tom Phuong Le, 2021-06-22 Since the end of World War II Japan has not sought to remilitarize and its postwar constitution commits to renouncing aggressive warfare Yet many inside and outside Japan have asked whether the country should or will return to commanding armed forces amid an increasingly challenging regional and global context and as domestic politics have shifted in favor of demonstrations of national strength Tom Phuong Le offers a novel explanation of Japan s reluctance to remilitarize that foregrounds the relationship between demographics and security Japan s *Aging Peace* demonstrates how changing perceptions of security across generations have culminated in a culture of antimilitarism that constrains the government s efforts to pursue a more martial foreign policy Le challenges a simple opposition between militarism and pacifism arguing that Japanese security discourse should be understood in terms of multiple militarisms which can legitimate choices such as the mobilization of the Japan Self Defense Forces for peacekeeping

operations and humanitarian relief missions Le highlights how factors that are not typically linked to security policy such as aging and declining populations and gender inequality have played crucial roles He contends that the case of Japan challenges the presumption in international relations scholarship that states must pursue the use of force or be punished showing how widespread normative beliefs have restrained Japanese policy makers Drawing on interviews with policy makers military personnel atomic bomb survivors museum coordinators grassroots activists and other stakeholders as well as analysis of peace museums and social movements Japan s Aging Peace provides new insights for scholars of Asian politics international relations and Japanese foreign policy

Voegelinian Readings of Modern Literature Charles R.

Embry,2011-05-16 These essays supply a theoretical grounding for the reading of novels poems and plays and reveal how the Voegelinian perspective exposes the existential and philosophical dimensions of the literary works themselves As a unit this collection of essays shows how modern pieces of literature can symbolize their creators participation in the human search for the truth of existence just as myths philosophical works and religious texts always have Voegelin s primary concern as a philosopher was to expose the roots of the disturbances of the modern era religious conflict imperialism war so that the sources of order leading to meaning are revealed The openness of Voegelinian thought and the many ways he considered the levels of reality generate intriguing themes for literary criticism

Japanese Phoenix: The Long Road to Economic Revival

Richard Katz,2020-07-24 Japan will recover and its economic achievements will once again earn the world s admiration with sustained annual growth of three percent perhaps more well within reach This is the confident forecast that begins Japanese Phoenix The Long Road to Economic Revival by the author of Japan The System That Soured which several years ago accurately predicted Japan s current travails at a time when others were prematurely pronouncing full recovery Katz warns however that there is bad news to go with the good So deep seated are Japan s dysfunctions that even if it did everything right today it would take at least five years for truly vibrant growth to take hold But Japan will not do everything right Opposition to reform is deep seated and a myriad of vested interests and millions of jobs are at stake Still he notes there is little doubt that reform will succeed Japanese Phoenix tells the story of the struggle between the forces of reform and the forces of resistance It dissects Prime Minister Koizumi s role in the process and explains why Japan is in so much trouble and what needs to be done It explore the debates among economists and gives a careful progress report on all the moves made so far in the name of reform from greater direct foreign investment to the financial Big Bang to ending one party rule by the Liberal Democratic Party Katz concludes that this is just the second round of a 15 round fight Japan is a great nation currently trapped in obsolete institutions As it has before Japan will find a way to surmount its problems and regain its forward progress

The History of China-Japan Relations

Ping Bu,Shinichi Kitaoka,2023-01-01 Focusing on the ancient medieval and early modern eras this collection considers the beginnings of Sino Japanese Relations in the Ancient East Asian World focusing on changes of the East Asian international system It examines the establishment of the East Asian

International Order in the 7th Century and the advance of Sino Japanese relations in medieval times It also considers the impact of initial contact with modern Western powers on modernization and examines the points of rupture which deeply affected both cultures for China the Opium War and for Japan it the Black Ships of Commodore Matthew Perry and the Meiji Restoration Based on research conducted jointly by Chinese and Japanese scholars this collection provides a unique insight into the development of Chinese and Japanese culture from comparative perspectives offering an in depth study of the countries political religious and societal structures to deepen objective perception toward history and promote mutual understanding in East Asia

Skywatchers, Shamans & Kings E.C. Krupp,1999-02-26 Discover the celestial myths and cosmic rituals of ancient priests and kings Drawing on intimate knowledge of the more than 1 300 ancient sites he has visited E C Krupp acclaimed writer and preeminent researcher takes you to the world s essential sacred places and celestial shrines Join him on a rich narrative journey to see where the rulers of old communed with the gods of the sky Highly recommended to everyone interested in the culture of astronomy and those peoples who practiced it in their own ways Sky Telescope A lively account of the ways in which our ancestors conceived of and used the heavens New Scientist There can be no doubt that this imaginative and readable work by a widely read and widely traveled author will strike a chord in the minds of a great many modern readers Isis The fact that the book is written by an expert in his field comes through on every page as does his enthusiasm for the subject Astronomy Now Krupp s indispensable volume is fascinating well illustrated and covers much territory Parabola

Suicidal Narrative in Modern Japan Alan Stephen Wolfe,2014-07-14

Dazai Osamu 1909 1948 is one of Japan s most famous literary suicides known as the earliest postwar manifestation of the genuinely alienated writer in Japan In this first deconstructive reading of a modern Japanese novelist Alan Wolfe draws on contemporary Western literary and cultural theories and on a knowledge of Dazai s work in the context of Japanese literary history to provide a fresh view of major texts by this important literary figure In the process Wolfe revises Japanese as well as Western scholarship on Dazai and discovers new connections among suicide autobiography alienation and modernization As shown here Dazai s writings resist narrative and historical closure while he may be said to serve the Japanese literary establishment as both romantic decadent and representative scapegoat his texts reveal a deconstructive edge through which his posthumous status as a monument of negativity is already perceived and undone Wolfe maintains that cultural modernization pits a Western concept of the individual as realized self and coherent subject against an Eastern absent self and that a felt need to overcome this tension inspires the autobiographical fiction so prevalent in Japanese novels Suicidal Narrative in Modern Japan shows that Dazai s texts also resist readings that would resolve the gaps East West self other modern premodern still prevalent in Japanese intellectual life Originally published in 1990 The Princeton Legacy Library uses

the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Setting Sun - Dazai Osamu Osamu Dazai, 2025-08-08 The Setting Sun is a poignant exploration of postwar Japanese society focusing on themes of decline identity and the search for meaning in a rapidly changing world Osamu Dazai critiques the disintegration of the traditional aristocratic class while examining the psychological struggles of individuals caught between the past and an uncertain future Through the lives of characters such as Kazuko and her brother Naoji the novel delves into themes of alienation decay and the painful reconciliation with social and personal upheaval Since its publication The Setting Sun has been acclaimed for its evocative prose and raw emotional intensity Its exploration of universal themes such as loss existential despair and the quest for redemption has secured its status as a classic of modern Japanese literature The deeply flawed yet compelling characters and their turbulent journeys continue to engage readers offering profound insights into the human condition The novel's enduring relevance stems from its ability to capture the complexities of a society in transition and the inner turmoil of those striving to find purpose amid chaos By portraying the intersection of personal tragedy and cultural transformation The Setting Sun invites readers to reflect on resilience the fragility of identity and the enduring human desire for connection and hope

A Military Attaché in Japan (1929-1933) James G. McIlroy, 2007 A Military Attache in Japan 1929 1933 a work of history with the soul of a novel is the compelling memoir of the late United States Army Colonel James G McIlroy's service in Japan as Military Attache from 1929 to 1933 Brought to life with sensitivity by the author's daughter Jane S McIlroy Colonel McIlroy's narrative takes readers on a wondrous journey through mid twentieth century political and military events At the same time Colonel McIlroy writes in delicious detail about his own military career describing his appointment and ultimate service in Japan He is an observant traveler Come along with the Colonel as he creates vivid and revealing pictures of the Japanese Emperor and his family Shinto ceremonies elegant dinners Japanese baths and beautiful geishas in attendance at diplomatic functions Interestingly underlying much of the diplomatic context is Colonel McIlroy's main task to learn how best to bomb Japan It is information that will have a profound impact on history Book jacket

Japan's Total Empire Louise Young, 1998-01-01 In this first social and cultural history of Japan's construction of Manchuria Louise Young offers an incisive examination of the nature of Japanese imperialism Focusing on the domestic impact of Japan's activities in Northeast China between 1931 and 1945 Young considers metropolitan effects of empire building how people at home imagined and experienced the empire they called Manchukuo Contrary to the conventional assumption that a few army officers and bureaucrats were responsible for Japan's overseas expansion Young finds that a variety of organizations helped to mobilize popular support for Manchukuo the

mass media the academy chambers of commerce women s organizations youth groups and agricultural cooperatives leading to broad based support among diverse groups of Japanese As the empire was being built in China Young shows an imagined Manchukuo was emerging at home constructed of visions of a defensive lifeline a developing economy and a settler s paradise

[Aces Against Japan](#) Eric Hammel, 2020-12-05 ACES AGAINST JAPAN The American Aces Speak Eric Hammel In this superb originally conceived offering noted military historian Eric Hammel brings us first person accounts from thirty nine of the American fighter aces who blasted their way across the skies of the Pacific and East Asia from December 7 1941 until the final air battles over Japan itself in August 1945 Coupled with a clear view of America s far flung air war against Japan Hammel s detailed interviews bring out the most thrilling in the cockpit experiences of the air combat that the Pacific War s best Army Navy and Marine pilots have chosen to tell Meet Frank Holmes who defied death in an outmoded P 36 while still clad in a seersucker suit he had worn to mass earlier that morning Fly with Scott McCuskey as single handed at Midway he takes out two waves of Japanese dive bombers that are attacking his precious aircraft carrier Sweat out the last precious drops of fuel in a defective Marine Wildcat fighter as Medal of Honor recipient Jeff DeBlanc bores ahead to his target to keep the faith with the bomber crews he has been assigned to protect Experience the ecstasy of total victory as Ralph Hanks becomes the Navy s first Hellcat ace in a day when he destroys five Japanese fighters over the Gilbert Islands in a single mission A superb interviewer Hammel has collected some of the very best air combat tales from America s war with Japan Combined with the four other volumes in The American Aces Speak series this work will stand as an enduring testament to the brave men who fought the first and last air war in which high performance piston engine fighters held sway These are stories of bravery and survival of men and machines pitted against one another in heart stopping unforgiving high speed aerial combat The American Aces Speak is a highly charged emotional rendering of what men felt in the now dim days of personal combat at the very edge of our living national history There was never a war like it and there never will be again These are America s eagles and the stories are their own in their very own words Eric Hammel is the author of nearly thirty other books including Pacifica Press s Carrier Clash Carrier Strike Aces Against Germany Aces Against Japan II Aces at War and Aces in Combat He lives with his family near San Francisco Critical Acclaim for The American Aces Speak Series The Marine Corps Aviation Association Yellow Sheet says The recounting of each story is done in the pilot s own words This is a powerful technique that draws readers into the action and introduces them to the world of the fighter pilot The American Fighter Aces Bulletin says Some of the episodes are well known others have never been written before But each account delivers something intensely personal about the Pacific Air War The Library Journal says No PR hype or dry as dust prose here Hammel allows his flyers to tell their stories in their own way Exciting stuff aviation and World War II buffs will love Book Page says For those who have an interest in World War II or those who simply like to read of drama in the skies Eric Hammel s Aces Against Japan is recommended reading It is a must for any historian s bookshelf WWII Aviation Booklist says

Hammel provides a veritable feast of aviation combat narrative As always in this series the entries in Aces at War have been carefully selected to provide the most entertaining ride possible for his readers Easily the best series available on air combat Get them all **Setting Sun** Declan Hayes,2002 A Provocative Timely Study of Japan s current economic crisis *War and Diplomacy in Modern Japan* Ryuji Hattori,2025-06-25 This open access book examines the life and work of Koki Hirota who served as Japan s foreign minister and prime minister from 1933 to 1938 the period that saw the final Japanese diplomatic attempts at achieving a modus vivendi with China before the outbreak of the Second Sino Japanese War It looks at the failed attempts to prevent that war from evolving into a protracted conflict Hirota s actions and inactions during this time resulted in a death sentence at the Tokyo Trials following the end of the Second World War making him the only civilian official to meet such a fate Hirota is seen as a martyr like figure in Japan but this book counters this public image by showing how despite initially championing a cooperative relationship with China as foreign and prime minister he continually acquiesced to the military s demands before being swept away by the rise of populist politics that followed early Japanese success in the Second Sino Japanese War As the first biography of Hirota to be published in English this book provides an in depth account of Sino Japanese relations and Japanese diplomacy during this critical period and examines the ultimate failure of the civilian government to check the adventurism of the Japanese army It is relevant to historians of Japan and to those interested in diplomatic history and the Second World War as well as scholars working in various areas of contemporary East Asian politics
