Seven Steps to Better Vision Richard Leviton,1992 Provides a holistic approach to healing your eyes based on seven steps that show how to use vision boosting tools perform eye exercises and choose foods and supplements that will enhance vision

Take Off Your Glasses and See Jacob Liberman,2011-06-22 This revolutionary new look at vision will broaden your understanding of how you see and how you can see without your glasses or contact lenses Take Off Your Glasses and See shows you how to free yourself from the crutch of prescription lenses to build your self confidence and awareness and to open up your inner and outer vision in order to see more clearly Jacob Liberman an internationally recognized authority on holistic vision care explains how most vision problems are the result of an unconscious decision to close your eyes to emotional discomfort or pain and how increasingly powerful corrective lenses only encourage eyesight to withdraw even further By removing lenses and practicing breath and movement awareness techniques to shift your perception you can reintegrate the original disruption in the mind body system Dr Liberman s approach can help you join the thousands who have escaped from the self defeating cycle of poor vision

The body's energies flow correct and strengthen EFT balances and improves function of the left and right brain hemispheres. This produces good health, clear eyesight, Neck, chest, shoulder, eye muscle tension, stiff infrequent eye shifting movements, headaches, strain in the mind, brain, negative, unhappy, past, present thoughts, emotions, experiences, blocked energy flow, lowered liver, kidney health, staring, squinting, cause unclear eyesight. Negative, destructive thoughts, emotions, worry are a common cause of mental strain, back, chest, shoulder, neck, eye muscle tension and unclear eyesight. Lowered eyesight increases worry, mental strain which then increases the body neck, eye muscle tension. Eye function is impaired. Light rays focus incorrect in the eye. Circulation to in the eye lowers Vision. Vision is more unclear. EFT Nutrition Natural Eyesight Improvement corrects these conditions. Blocked energy experienced during a stressful event happens first before the negative emotions occur and locks them into the mind/body. Negative thoughts, emotions maintain blocked energy flow. Removing blocked energy first results in removal of the negative emotions, thoughts, feelings and often brings instant clear eyesight. As EFT Tapping removes energy blocks, corrects the energy flow resulting in removal of negative emotions, thoughts, feelings, the person can then place positive, constructive thoughts into the mind system, think, feel in a positive, constructive way about the past or present stressful event. Positive thoughts, emotions help to correct and strengthen the body's energy flow. Correct energy flow is now maintained. Mental and physical health improve, eye function returns to normal, eyesight is 20/20 and clearer at all distances, close and far. Health of body organs, systems improve as energy flows correct throughout the body. EFT improves the function of the brain, visual cortex, left and right brain hemisphere activation, integration. This improves function of the brain with the eyes, retina, eye muscles and body. Eyesight and mental, physical health improve. Memory, imagination, math, science, speech, learning, creativity, art, music, skills, all functions of the brain, left and right hemispheres, even the oldest, deep survival areas of the brain improve.
