L'impresa del sé Pietro Rutelli,Massimo Bustreo,2004 **Smart Girls Marry Money** Elizabeth Ford,Daniela Drake,2009-05-05 Why does society applaud a girl who falls for a guy s big blue eyes yet denounces one who chooses a man with a big green bankroll After all isn t earning power more a reflection of a man s values and character Smart Girls Marry Money challenges the ideals and assumptions women have blindly accepted about love and marriage and shows how they ve done so at their own economic peril In this brazen manifesto authors Elizabeth Ford and Daniela Drake use cold hard facts real science and true stories to present a compelling case for why mercenary marriages make the most sense for future happiness Smart Girls taps into a growing collective suspicion that the post feminist world isn t all it s cracked up to be

Female empowerment has women working hard to look sexier than ever while carrying more than their fair share financially Yet sadly statistics prove that not only do women continue to earn far less than their male counterparts they also suffer far more economically when marriages fail Ford and Drake think it s high time that women get their heads out of the clouds and start caring about their own security the kind that can be measured in dollars and common sense With an irreverent straight talk tone the authors serve up a sound case and intriguing strategy for how women can truly have it all Sure to spark conversation and controversy Smart Girls Marry Money will ultimately empower women with a new way to take control of both their economic and romantic lives *The Vixen Manual* Karrine Steffans,2009-07-13 Since she exploded on the scene with her two juicy impossible to put down tell alls readers have been dying to know what makes Karrine Steffans tick How was she able to meet all the high profile politicians movie stars and other celebrities that are her close acquaintances What skills does she possess to keep men wanting more Finally Karrine lays it all out and explains exactly what a woman must do to win over the man of her dreams With chapters like Never Let Him See You Sweat Flirting Encouraging His Manhood and Give Him What He Wants this hot and sexy manual is a must have for every woman s bookshelf **Life Compass** Nevzat Keles, This is a choice A choice you should make sooner or later Just like the choice Neo is offered between a red pill and a blue pill to go out of the Matrix This is the moment of truth and you have to decide now Will you take the red pill and reject to be prisoned in the Matrix like all the other people in order to walk on your own path Or will you take the blue pill and stay in the comfortable simulated reality of the Matrix like all the other silent and obedient millions of people In other words will you reject the chance of building your own life and walking on your own path easily Yes this is just up to you Every single human being is unique and equipped with different abilities Each single person has his own way his own project and his own mission in this world All you need to do is to think and find that project of your own One man s life cannot be simply consisted of eating drinking sleeping populating the world gathering wealth and prosperity and just living among the given boundaries Your life should have a more significant purpose and you are probably meant for something bigger You should get rid of your mood being unhappy for the weekdays but just happy for the weekend Waiting for weekend holiday or retirement to live is big nonsense In fact you are continuously postponing your life without being aware of that As if you have an evidence for more enough time to come You prefer to define your happiness under specific circumstances and most of the time postpone your happiness instead of living the moment However the happiness or unhappiness is actually in your hands Now move on Get into action and stop postponing yourself and your life Take a step Today or even right now Otherwise pour tears after 5 or 10 years for your time and dreams which you could not make come true Crash your head on the walls as you haven t done anything about what you could Whine to your close friends Get sad Listen to melancholic music Complain about the time which is passing so fast Continue to postpone your goals and dreams to the next years If you really want to be successful then for sure you will be You are the only one who can prevent yourself being as successful as in your dreams
