

gendered bodies?

- 'somatophobia' and 'Cartesian dualism'
- is there a natural body - essentialism/social constructionism?
- men's bodies – less embodied?
- woman as body – e.g. reproduction?
- do all bodies matter? (Butler)
- lived body (embodiment) – e.g. Young?
- doing and disciplining bodies?
- resist – e.g. female body building?

Sex Sensibility And Gendered Bodies

Philip Hubbard

Sex Sensibility And Gendered Bodies:

Sex, Sensibility and the Gendered Body Lisa Adkins, Janet Holland, 2016-07-27 The study of sexuality is moving from margin to centre stage in sociology as the 1994 British Sociological Association annual conference on Sexualities in Social Context demonstrated Drawn from that conference the papers in this volume contribute to the debates which have developed on the relationship between the sexual and the social and between gender and sexuality The focus is on women and from different perspectives the authors explore the themes of gendered identity the construction of sexuality embodiment and control The social contexts in which these themes are elaborated include the family the law the education system medical practice and discourse and cultural representations and texts

Sex, Sensibility, and the Gendered Body British Sociological Association. Conference, 1996 Contributes to debates on the relationship between the sexual and the social and between gender and sexuality focusing on women but always in relation to men and to the dominance of normative heterosexuality and gendered power relations The 11 essays cover the family and gendered identities bodies medicalization and control and the construction of heterosexuality One of three volumes derived from the March 1994 annual conference of the British Sociological Association held at the University of Central Lancashire Annotation copyright by Book News Inc Portland OR

Constructing Gendered Bodies K. Backett-Milburn, L. McKie, 2001-03-27 Interest in sociological study of the body theoretically and empirically has increased dramatically in the 1990s This book builds on this work by bringing together exciting and stimulating research which examines the social and cultural processes involved in the construction of gendered bodies and sexual practices Contributors explore these issues in a variety of settings ranging from the workplace and leisure industry to social arenas of moral and medical regulation

Constructing Sexualities and Gendered Bodies in School Spaces Jón Ingvar Kjarnan, 2017-02-20 This book sheds light on how sexuality and gender intersect in producing heteronormativity within the school system in Iceland In spite of recent support for progressive policies regarding sexual and gender equality in the country there remains a discrepancy between policy and practice with respect to LGBTQ rights and attitudes within the school system This book draws on ethnographic data and interviews with LGBTQ students in high schools across the country and reveals that although Nordic countries are sometimes portrayed as queer utopias the school system in Iceland has a long road ahead in making schools more inclusive for all students

Gender, Culture and Society Chris Haywood, 2017-09-16 This text offers a wide ranging account of the dynamic relationship between gender culture and society Incorporates feminist theory theories of men and masculinity and post structuralism as well as recent global events ensuring a highly topical and relevant discussion

Young People's Views on Sex Education Dr Lynda Measor, Lynda Measor, Katrina Miller, Coralie Tiffin, 2012-11-12 Based on observation of sex education programmes and in depth interviews with young people the authors aim to understand more about adolescent s attitudes to sexuality and their sexual behaviour in order to develop policies which will meet their needs more appropriately and effectively Issues covered in this interesting and accessible book include

the ways adolescent informal culture affects sex education programmes and practice the impact of gender inequality on sex education and safer sex behaviours legislation and policy frameworks which effect sex education policies the way young people see legislation and evaluate sex education programmes and the impact health professionals can have in school sex education The authors contend that the insights into the values and views that young people bring to bear on the sex education they receive should have an important role to play in the development of policy and practice of those involved in sex education work

Exploring the Body S. Cunningham-Burley, K. Backett-Milburn, 2001-09-24 This volume explores diverse ways of researching and theorizing the body It draws together a range of empirical work on different themes each taking the body and its study as its central problematic It creatively combines contributions on disability illness scars sleep complementary medicine running as well as the lifecourse themes of childhood youth and death The different approaches to researching the body examined through these contributions include autobiography case studies interviews and participant observation

Sex and the City Philip Hubbard, 2019-06-04 This title was first published in 2000 Prostitution has always played a crucial symbolic role in the definition of moral and sexual standards and as such the figure of the prostitute has been paradigmatic in the history of the sex and the city Focusing on the geographies of female prostitution in Western societies this book explores the nature of sites of sex work and the ways they shape the lives of prostitutes and their clients In so doing the book aims not simply to present a static mapping of sex work but seeks to highlight how these public and private sites are struggled over with prostitutes often resisting the strategies of social and legal control designed to regulate their working practices The book consequently engages with a number of contemporary debates in social cultural and gender geography surrounding the importance of public and private spaces in producing and reproducing gender sex and bodily identities

A Centre of Wonders Janet Moore Lindman, Michele Lise Tarter, 2018-05-31 Images of bodies and bodily practices abound in early America from spirit possession Fasting Days and infanticide to running the gauntlet going naked as a sign flogging bundling and scalping All have implications for the study of gender sexuality masculinity illness the body politic spirituality race and slavery The first book devoted solely to the history and theory of the body in early American cultural studies brings together authors representing diverse academic disciplines Drawing on a wide range of archival sources including itinerant ministers journals Revolutionary tracts and broadsides advice manuals and household inventories they approach the theoretical analysis of the body in exciting new ways A Centre of Wonders covers such varied topics as dance and movement among Native Americans invading witch bodies in architecture and household spaces rituals of baptism conversion and church discipline eighteenth century women's journaling and the body as a rhetorical device in the language of diplomacy

Gender Stevi Jackson, Sue Scott, 2002 Offering students an informed overview of some of the most significant sociological work on gender produced over the last three decades these readings are supplemented by a substantial critical introduction and editorial commentary

Living the Body Meenakshi Thapan, 2009-01-06 This is a book

about embodiment and identity in the context of particular women's lives in an urban setting. It is concerned with the development of a sociology of embodiment in the context of women's lives in contemporary urban India. The focus on embodiment is mediated by gender and class, two critical elements that constitute identity in relation to embodiment. The study is based on material collected from interviews with working class women in an urban slum and with professional upper class women with young women in secondary schools and from material from a women's magazine. *Men, Law and Gender* Richard Collier, 2010-04-05. This book presents the first published comprehensive overview and critical assessment of the relationship between law and masculinities. It provides a general introduction to the subject whilst engaging with the difficult question of what it means to speak of the masculinity of law in the first place. *Towards a Gendered Political Economy* J. Cook, J. Roberts, G. Waylen, 2000-04-17. This collection sets out how a gendered approach to political economy can help us understand the inherently gendered structures that characterise our society and provide the foundation for a truly interdisciplinary social science. It provides a comprehensive coverage of gendered political economy: what it is, where it is, and perhaps more importantly, how it should develop. The twelve chapters that make up this volume combine the development of a theoretical framework with empirical examples which illustrate the core concerns of gendered political economy. *Just Sex?* Nicola Gavey, 2018-10-26. In the award-winning *Just Sex: The Cultural Scaffolding of Rape*, Nicola Gavey provides an extensive commentary on the existing literature on rape, analysing recent research to examine the psychological and cultural conditions of possibility for contemporary sexual violence. *Just Sex* argues that feminist theory on sexual victimization has gone both too far and not far enough. It presents the reader with a challenging and original perspective on the issues of rape, sex, and the body, incorporating new material on sexism, misogyny, and digital culture, as well as debates over gendered analyses of sexual violence. The second edition has been updated and expanded to be extremely timely and relevant, with the most recent high-profile rape cases, the Stanford rape case and the Belfast rape case, being tried in the media and online. The rise of the Hollywood Harvey Weinstein scandal and the MeToo movement makes this book incredibly useful and necessary to those who are working within the area of sexual violence. This will appeal to academic readers studying psychology, sociology, and criminology, as well as those looking into cultural influences on society. It will also be very useful to those working in the professional sector on prevention and with people who have been subjected to sexual violence. **Gender and Physical Education** Dawn Penney, 2002. The book challenges our understandings of gender equity and identity in PE, establishing a conceptual and historical foundation for the issue, as well as presenting a wealth of original research material. Sexuality Jeffrey Weeks, 2016-09-26. The new edition of *Sexuality* displays the qualities which have made this book a key text for understanding human sexuality. Jeffrey Weeks blends deep empirical knowledge with theoretical sophistication and a sensitivity to the politics of sexuality. Framing and shaping the analysis is an acute understanding of the world-wide changes that are remaking sexuality and gender, dramatized by the globalization of sex and the rise and rise of cybersex. These

changes have opened unprecedented opportunities for sexual interaction and sexual choice but also posed new sexual dangers and anxiety Debates about the regulation and control of sexuality and the intersection of various dimensions of power and domination are contextualised by a sustained argument about the importance of agency in remaking sexual and intimate life above all for women and for LGBTQ people Particular attention is given to the debates about same sex marriage which symbolize the transformations that have taken place These controversies in turn feed into debates about intimate citizenship and human sexual rights in a rapidly changing world

Mothers at the Margins Jenny Jones, Marie Porter, Lisa Raith, 2015-06-18 In the last two decades maternal scholarship has grown exponentially Despite this however there are still numerous areas which remain under researched one of which is the experiences of marginalised mothers Far from being a sentimental feel good account of mothering this collection speaks with the voices of mothers through the application of a matricentric lens In particular it speaks with the voices of those mothers who feel alienated or stigmatised mothers who have been rendered

Mothers, Young People and Chronic Illness Clare Williams, 2018-10-24 This title was first published in 2003 Although young people are generally very healthy it has become clear that many of the health behaviours of young people can have serious consequences later in life This is particularly so with the management of chronic illness where poor management can result in serious long term complications This book explores how gender differentially affects both the ways in which young people manage chronic illness and the ways in which mothers care for their teenage sons and daughters Until recently where gender and health have been linked the focus has typically been on women rather than men However there is growing interest in the health of men with the recognition that masculinities and health interact in specific sometimes detrimental ways Most books examine either women s or less commonly men s health but the comparative approach proposed reflects a growing academic and empirical trend which aims to develop new theoretical perspectives both on gender and on the relationship between gender and health The book also challenges assumptions that gender is static by exploring the effects of gender at a specific time of transition in the life course The focus on adolescence is important as it is seen by many to be the time when heterosexual values are most powerfully pursued and enforced thus enabling interactions between gender and health to be thrown into relief The approach adopted takes issue with many current ideas about young people which tend to portray them as autonomous individuals acting independently For example in terms of health care for young people with a chronic illness health professionals generally adopt an individualistic approach stressing the importance of independence for young people Rather than seeing young people as purely autonomous this book relocates them within families in transition between childhood and adulthood and acting interdependently with other family members Little is known about the complex deci

Revisioning Women and Drug Use E. Ettorre, 2007-09-12 This landmark text by one of the most respected researchers in drug use considers the issues surrounding the gendering of drug use and within this looks critically at two approaches the classical and postmodern Ettorre examines the idea of a drug using society and the

implications this holds for social inequality and exclusion **Gender Issues and Nursing Practice** Margaret Miers, 2000-02-15 The relevance of gender to nursing as an activity and as a profession has already been discussed extensively in the sociological literature and gender is recognised as a relevant variable by social policy analysts interested in community care Furthermore there is a growing awareness of the sociological aspects of women's and increasingly men's health issues This book demonstrates the relevance of theoretical approaches to the understanding of gender issues within nursing practice

Decoding **Sex Sensibility And Gendered Bodies**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sex Sensibility And Gendered Bodies full book , it can give you

a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sex Sensibility And Gendered Bodies eBooks, including some popular titles.

FAQs About Sex Sensibility And Gendered Bodies Books

What is a Sex Sensibility And Gendered Bodies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sex Sensibility And Gendered Bodies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sex Sensibility And Gendered Bodies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sex Sensibility And Gendered Bodies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sex Sensibility And Gendered Bodies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
