Shelter Social Studies Emergent Readers:

Elementary Social Studies S.G. Grant, Bruce A. VanSledright, 2014-03-14 Organized around four commonplaces of education learners and learning subject matter teachers and teaching and classroom environment *Elementary Social Studies* provides a rich and ambitious framework to help social studies teachers achieve powerful teaching and learning results By blending the theoretical and the practical the authors deeply probe the basic elements of quality instruction planning implementation and assessment always with the goal of creating and supporting students who are motivated engaged and thoughtful Book features and updates to the third edition include New chapter on classroom assessment that outlines and compares existing assessment strategies contextualizes them within the framework of state standards and articulates a constructivist approach that moves away from traditional high stakes testing towards more meaningful ways of evaluating student learning New chapter that highlights and explains key elements of the Common Core State Standards for English Language Arts and shows how the incorporation of critical ELA instruction into the social studies curriculum can foster more ambitious teaching and learning Real classroom narratives that introduce each chapter and provide in depth access to teaching and learning contexts Practical curriculum and resource suggestions for the social studies classroom End of chapter summaries and annotated teaching resources

Reading Actively in Middle Grade Social Studies Don K. Philpot, 2019-08-14 Middle grade students can learn a great deal about themselves and their world by reading informative texts in social studies courses These texts will focus on important topics in history geography civics government and economics and offer students a range of perspectives on past and present social events But reading is a complex act and most students need specific reading related support to understand assigned texts in middle grade social studies courses This book focuses on the cyclical nature of reading the actions proficient readers engage in to understand social studies textbooks and other informational texts and the instructional support that teachers can provide to enhance middle grade students learning of social studies content through reading Three associated questions will be addressed in this book What actions do proficient readers engage in to understand assigned course texts What do these actions entail and how do they relate to each other What teacher mediated practices best support middle grade students development as proficient readers and enhance their learning of course content through reading

Social Studies in the Public Schools of Ann Arbor, Michigan, Grades Three to Six Ann Arbor (Mich.). Board of Education, 1929

Teaching Young Children Social Studies Gayle Mindes, 2006-09-30 By linking theory to practice with an emphasis on national and state standards Head Start Performance Standards No Child Left Behind and IDEA the authors coherently combine principles of child development and social studies content to create a solid program for preschool through grade three The authors maintain the overriding idea throughout the *Teaching Young Children* series that strategies derived from knowledge of child development are used to teach content knowledge It is this concern that makes this volume an excellent resource for teachers and parents In addition to specific discussions of how to

build and conduct a social studies curriculum the work includes vignettes of teachers and children in the classroom graphics illustrating concepts and methods and matrices charts and tables to enhance understanding The authors effectively intertwine social learning in young children and development of self concept with the theme based curriculum of the National Council for Social Studies the principles of multicultural education parent collaboration to support learning and creating connections between classroom and community

Teaching Social Studies in the Early Childhood Classroom Jean Kirshner, Jenny Pettit, 2025-01-23 This textbook develops early childhood teachers capacity to effectively instruct democratic principles to our youngest citizens As our world experiences political polarization pandemics heightened racial tension and the evolving awareness of gender and LGBTQ issues this textbook addresses those topics as they show up in the early childhood classroom offering research informed practical guidance for pre and in service teachers The book is organized around 12 themes 10 of which are based on the National Council for Social Studies NCSS themes in addition to the anti racist anti bias curriculum and gender expansive principals from the National Association for the Education of Young Children NAEYC closely following social studies content standards from across the United States The themes covered are culture and cultural diversity history geography identity gender roles and gender identity institutions power and authority economics science and technology global citizenship and civic ideals and practice Throughout each chapter you will come to know 5 early childhood classrooms and including profiles of the teachers students communities These five spaces represent a variety of early childhood teachers different age groups of students and diverse communities and show how the lesson learned in each chapter can be applied in classroom settings This book provides developmentally appropriate ways to teach relevant and current social studies content to our very youngest learners emphasizing the fact that these very children will grow to be the next stewards of our global community
