Berns, 2022-04-12 After their expulsion from Spain in 1492 Sephardi Jews such as Isaac Abravanel Abraham Saba and Isaac Arama wrote biblical commentaries that stressed the significance of land They interpreted Judaism as a tradition whose best expression and ultimate fulfillment took place away from cities and in rural settings Iberian Jewish authors rooted their moral teachings in an ethical treatment of the natural world elucidating ancient agricultural laws and scrutinizing the physical context and built environments of Bible stories *The Land Is Mine* asks what inspired this and suggests that the answer lies not in timeless exegetical or theological trends but in the material realities of late medieval and early modern Iberia during a period of drastic changes in land use The book uses a highly traditional source base in a decidedly untraditional way In Jewish Studies Andrew D Berns observes biblical commentary is typically studied as an intramural activity Though scholars have conceded that Jewish scriptural exegesis welcomes material and ideas from other fields and traditions little to no work treats premodern Hebrew Bible commentary as also drawing upon Classical and Christian sources as well as contemporary writings on land management and political economy Abravanel Saba and Arama were engaged with questions that had broad resonance during their lives the proper way to treat the land the best occupations to pursue and the ideal setting for human community Scriptural commentary was the forum in which they addressed these problems and posed solutions to them A work of intellectual history *The Land Is Mine* demonstrates that it is impossible to understand Jewish culture without considering the physical realities on which it depended Christian Hebraism in the Reformation Era (1500-1660) Stephen G. Burnett, 2012-01-05 The Reformation transformed Christian Hebraism from the pursuit of a few into an academic discipline This book explains that transformation by focusing on how authors printers booksellers and censors created a public discussion of Hebrew and Jewish texts **The Jubilee from Leviticus to Qumran** John Bergsma, 2007-03-31 The observation of the Jubilee Year 2000 by many Christian groups worldwide generated renewed interest in the theological historical and socio economic aspects of the biblical jubilee This book begins with an analysis of the historical origins of the jubilee institution in ancient Israel and then traces the reinterpretation of the jubilee and the text of Leviticus 25 through the Old Testament the Second Temple literature and the Qumran documents It demonstrates that with the passage of time the socio economic implementation of the jubilee is increasingly de emphasized in favor of an

eschatological interpretation in which the jubilee itself functions as a type of the final age and cycles of jubilee years are employed to calculate when this age will arrive Jewish-Christian Dialogue David Novak,1992-04-02 Many studies written about the Jewish Christian relationship are primarily historical overviews that focus on the Jewish background of Christianity the separation of Christianity from Judaism or the medieval disputations between the two faiths This book is one of the first studies to examine the relationship from a philosophical and theological viewpoint Carefully drawing on Jewish classical sources Novak argues that there is actual justification for the new relationship between Judaism and Christianity from within Jewish religious tradition He demonstrates that this new relationship is possible between religiously committed Jews and Christians without the two major impediments to dialogue triumphalism and relativism One of the very few books on this topic written by a Jewish theologian who speaks specifically to modern Christian concerns it will provide the groundwork for a more serious development of Jewish Christian dialogue in our day Year Book of the Central Conference of American Rabbis ,1921 **Year Book of the Central Conference of American Rabbis** Central Conference of American Rabbis,1921 Containing the proceedings of the convention **The Mystery of the Shemitah** Jonathan Cahn,2018 The Shemitah or Sabbath year is the seventh year of the seven year agricultural cycle mandated by the Torah for the land of Israel Understanding this pattern is essential for understanding the prophecy and mysteries of the Bible that are still applicable today A Social and Religious History of the Jews: High Middle Ages, 500-1200 Salo Wittmayer Baron,1952 This book explores the puzzling phenomenon of new veiling practices among lower middle class women in Cairo Egypt Although these women are part of a modernizing middle class they also voluntarily adopt a traditional symbol of female subordination How can this paradox be explained An explanation emerges which reconceptualizes what appears to be reactionary behavior as a new style of political struggle as accommodating protest These women most of them clerical workers in the large government bureaucracy are ambivalent about working outside the home considering it a change which brings new burdens as well as some important benefits At the same time they realize that leaving home and family is creating an intolerable situation of the erosion of their social status and the loss of their traditional identity The new veiling expresses women s protest against this MacLeod argues that the symbolism of the new veiling emerges from this tense subcultural dilemma involving elements of both resistance and acquiescence Annual Convention - Central Conference of American Rabbis Central Conference of American Rabbis,1921 Reader's Guide to Judaism Michael Terry,2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly **Usury and the Jews** Alexander Del Mar,1879 Reposo divino para la inquietud humana Samuele
