Shepherd His Flock:

The Shepherd and His Flock Jeffery D Hamm Ph D, Jeffery Hamm, 2018-07-24 Pastoring is both an art and a science however much more than that it is a divine calling wherein God imparts to chosen vessels a gift of his grace that empowers them to extend his loving care to all his children especially those of the household of faith While there are many competing theories as to what pastoring means and how it should be fulfilled both in the life of the administrator and in the lives of those who are being pastored the reality is that the only definition that matters is the one that God himself gives through Holy Scripture True pastors are identified in the context of the Hebrew Scriptures through the very word itself which represents a function not a form This is true of most words in the Hebrew texts which describe actions rather than states of being Pastoring therefore is a work not merely a title The Hebrew word that is translated pastor is ra ah which is a verbal form meaning to pasture A biblical pastor therefore is actually a pasturer or one who pastures with the visual picture of one who leads sheep to pasture or one who feeds and cares for sheep This metaphor was understood well in the ancient agrarian Israelite society because pasturing sheep was essential to life This idea is readily understood in that most famous of biblical passages about pastors as shepherds The Lord is my shepherd I lack nothing He makes me lie down in green pastures he leads me beside quiet waters Psalm 23 1 2 NIV A pastor shepherd creates a comfortable environment for the ingesting of divine truth and a safe space where people can drink the water of life freely When God said to Israel I will give you pastors after my own heart who will feed you on knowledge and understanding Jeremiah 3 15 NASB he was playing on the metaphor that is readily attached to the word pastor The kind of pastors that I will send you says God are the ones who will feed you with knowledge and understanding Obviously God was using a vivid example of the shepherd sheep relationship in ancient Israel to teach a spiritual lesson the pastors he would give to his people would be the ones who would equip their souls with the knowledge and understanding that they needed for successful living and they would do so on a continuing daily basis A God called ordained and a gifted pastor is someone who by virtue of faith and faithfulness has learned how to be a true servant leader one who stands out front and points the way to spiritual blessing and knowledge and understanding for successful living A pastor is one who has walked the narrow way with God through Jesus the Messiah in a spiritual exercise of both theoretical knowledge and the practical application of that knowledge A pastor is one then who can teach not only theory and concept but can also demonstrate practical out working of such ideas A pastor is one who joins arm in arm with those whom he shepherds to help them walk out the life of Jesus in a vibrant and joyful way A true shepherd demonstrates through dynamic modeling the very truths that are being taught in public community exercises The Shepherd and His Flock is a volume that will permit you to look deep into the very life and being of a God called and gifted pastor You will learn powerful lessons from the heartbeat of his constant interaction with God s sheep standing with them through pain and suffering through triumph and rejoicing to help lead them to a Spirit filled life of peace and blessing The insights that you

will gain from this book will be invaluable to you as you labor in the Master's vineyard and carry out his prime directive Go and make many disciples teaching them all things that I have commanded you Matthew 28:20 Now take time to walk the road of servanthood with a true disciple of the Lord Jesus Dr Jeff Hamm **The Shepherd and His Flock** John Ross Macduff, 1866 A Tender Shepherd Rosemond Opare-Kumi, 2021-02-12 Tender shepherding is the ultimate expectation of the Lord from shepherds who take care of His lambs and sheep He is looking for tender shepherds everywhere including personal homes workplaces neighborhoods and in the church Will you answer the call Believers in Christ Jesus are making disciples as a sure proof of their love for Him but tender shepherding which is the ordained means appears to be somewhat in crisis It is in this regard that A Tender Shepherd is a voice in time to ignite the tender shepherding spirit that inhabits believers Tenderness is a significant power chip of the Treasure that resides in believers of Jesus Christ without a doubt It is the undeniable power that is relevant for the world today As this power becomes increasingly recognizable and used daily by believers in Christ Jesus for tender shepherding transformation of lives will begin to be more visible and apparent in homes families workplaces neighborhoods and indeed in all spheres of human life The world cannot deny their thirst for transformed lives in every sphere of life and hence the demand for tender shepherds This is the kind of shepherding that pleases the Lord and proven to be effective for His purposes in reconciling the world to Himself In this book you will find Heaven's perspective on shepherding The shepherding blue print of Jesus Christ and illustrations those that marked His discipleship and became His brand discipleship by tenderness and love The central purpose of shepherding for the fulfillment of the Great Commission examples for the church from the Apostles who had first hand and best taste of Jesus discipleship A hypothetical classification of churches based on shepherd types and suggestions for introspection and Shepherding in other spheres of life The author considers tender shepherding one of the surest means of responding to Jesus' command of making disciples of all nations as the day of reckoning draws near When He will say to each tender shepherd COME YOU BLESSED OF MY FATHER INHERIT THE KINGDOM PREPARED FOR YOU FROM THE FOUNDATION OF THE WORLD **The Shepherd and His Flock** Author of The shepherd and his flock, American Sunday-School Union, John Ryland, Baptist General Tract Society, 1827

The Ministry of the Shepherd and the Church in Africa, 2017-01-25 With over two million church leaders working in the more than ten million parishes congregations seminaries and houses of religious formation around the world it is important that all the people of God of every church have selfless church leaders who reflect the mind of Christ But how can church leaders learn to be true shepherds like Jesus whose selfless sacrifice of his life for his people set the standard for the pastoral ministry The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd Ministry which encourages right shepherding and evangelization in the world of self-serving leadership styles Focusing especially on the example of pastoral ministry in Africa author and priest Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity and challenges church leaders to adopt a

role as shepherds and servants not as self-serving masters so that they can lead guide and teach their congregations as Christ would. Because it can be easy for church leaders to get wrapped up in the sociocultural political and economic concerns of their parishes it is important for these church leaders to shed an undue focus on these concerns instead of shepherd their flocks. By modeling their lives and leadership on the ideals of Jesus church leaders including priests religious lecturers seminarians and even lay Christian parents alike can become true servants and shepherds honoring the example of Jesus the Good Shepherd.

Jesus as the Eschatological Davidic Shepherd Young S. Chae, 2006 Young S Chae analyzes the puzzling association of the Son of David with Jesus healing ministry in the First Gospel. This along with the Gospel's rich shepherd sheep images and the theme of the restoration of the lost sheep of the house of Israel finds a significant clue in the picture of Jesus as the eschatological Davidic Shepherd according to the pattern of the Davidic Shepherd tradition in the Old Testament and Second Temple Judaism. As Matthew communicates the identity and mission of Jesus he is conversant with this tradition particularly Ezekiel 34 and 37 as well as Micah 2:5 and Zechariah 9:14. The story of the First Gospel is the story of the return of YHWH as the eschatological Shepherd for the lost sheep of Israel and also that of the one Davidic Shepherd Appointee as the eschatological Teacher Prince in the midst of his one eschatological flock.

A Theological Examination of Symbolism in Ezekiel with Emphasis on the Shepherd Metaphor Joel K. T. Biwul,2013-12-14 This book addresses one of the ever aching problems of human society failed leadership in secular and sacred domains It points out from Ezekiel s use of symbolism and shepherd motif what society stands to suffer and or lose under a bad human leadership structure and bad governance This plays out in the book s x ray of the characteristics of sheep needing a shepherd Dr Biwul contends that Ezekiel used symbolic sign acts to indict both Israel s bad and imperfect human shepherds as well as the Babylonian exiles as being responsible for their plight for not upholding the norms of Deuteronomic theology Particularly he argues forcefully from Ezekiel s shepherd motif that a

major factor responsible for the exile of Israel as a covenant community is the massive failure of its bad and imperfect human shepherds who did not possess the requisite shepherding qualities inherent in Yahweh as chief shepherd of Israel. Biwul therefore draws particular attention to the reality of Ezekiel's use of the recognition formula when Yahweh acts at last to restore his people. This is rooted in the theological eschatological motif which would come to its full reality in the anticipated eschatological community when Yahweh would shepherd his people.

The Ministry of the Word, Vol. 22, No. 06 Various Authors, 2018-06-01. This issue of The Ministry of the Word contains the eight messages given during the international training for elders and responsible ones held in Anaheim California April 13-15, 2018. The general subject of this series of messages is Taking Christ as Our Person and Living Him in and for the Church. Life God's intention in His economy is to work Himself into us not only as our life but also as our person. A wonderful person, Christ as the life-giving Spirit, came into our spirit, regenerated our spirit and mingled Himself with our spirit, causing our spirit to become our inner man with Christ as the person indwelling our spirit. When we are strengthened with power into our inner man, the Christ in our spirit is able to spread into our heart. Our heart is the acting agent that represents us. As regenerated persons, our inner man is now our real person. Our inner man is now Christ as our person. If we live by the outer man, the old man, it is impossible to have the church life. In order for Christ to be our person, He needs to make His home in our heart; that is, He needs to be able to actually live in our heart. Then we will live Him by walking according to the spirit. When we allow Christ to actually live in our heart, He becomes our person in practice. The most important quality with regard to a leading one is his person, not his capacity, ability, or gift in carrying out a work, serving, or taking the lead. A leading one must have an enlarged heart. Pride, an expression of foolishness, comes from having a narrow heart. A leading one should have an enlarged and loving heart, and he should have a powerful and exercised spirit; that is, he should be dominated, governed, directed, led, and controlled by his spirit. When a leading one has been fully reconciled to God and has been enlarged in heart, he can represent God rightly in His economy. Every day we need to live Christ in and for the church life by walking according to the spirit. If we would live Christ, we must take Him as our person and live one person with Him. The Lord Jesus was the Pioneer, the model example and pattern of how all believers should live today. The first God-man lived out another person, the Father. In Jesus, we see not only the man but also God living in through and as that man. Living Christ and walking according to the spirit are actually one matter. Living Christ requires that we love Him to the uttermost. If we do not love the Lord, we cannot live Him. The practical way to live Christ is to walk according to the spirit. Ultimately, the Bible requires only one thing of us: that we walk according to the mingled spirit. To walk in the spirit is to do everything in our daily life according to the spirit. The central thought of the Bible is that God desires us to live Christ for the building up of the Body of Christ. The Lord's shepherding in His heavenly ministry is to take care of the church, which is His Body. Christ has incorporated the apostolic ministry into His heavenly ministry in order to shepherd God's flock, the church, which issues in the Body of Christ. The elders must preach the gospel by the way of

shepherding and they must bring in a revival by the way of shepherding They must shepherd the saints in everything and in every way for the dispensing of Christ into them We all need to shepherd people according to the pattern of the Lord Jesus cherish the saints in the humanity of Jesus and nourish them in the divinity of Christ If we all participate in Christ s shepherding there will be a revival in the Lord s recovery The Reports and Announcements section contains an announcement for a Church Book Service Workshop and an update on the construction of the Woodland Camp training facility in the northeast part of London England Also included at the end of this issue is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
