Robinson, Edmund Burke, 1996-01-01 For more than thirty years until his death in 1797 the statesman and writer

Edmund Burke was a powerful and passionate voice on the great political issues of late eighteenth century Britain. The broad range of his interests as well as his Irish origins and his Catholic connections made Burke a favorite target of such vitriolic and sometimes scurrilous caricaturists as Gillray, Rowlandson, Dent and Sayers. This book follows and sheds new light on Burke's political, literary and personal life by examining a wide selection of the caricatures in which he was featured. Nicholas Robinson puts the caricatures in context by reconstructing the day to day episodes of social and parliamentary activity and by reviewing the debates that took place about such issues as the influence of the Crown, relations with America, the governance of India and the French Revolution. He shows how caricature was forged into a formidable political weapon, unravels the caricaturists' devices in representing the mannerisms and characteristics of Burke and his contemporaries and investigates how Burke and other political figures including Charles James Fox, William Pitt, George III, Lord North and the Prince of Wales fared as the subjects of the satirical prints. Robinson demonstrates that Catholic entryism, party politics, economic reform, aesthetics, good governance, the constitutional role of the monarch, the role and conduct of his heir, radicalism and dissent were all treated pungently, facetiously and often savagely in the prints. And from them emerges a fresh portrait of Burke as a person, statesman, intellectual and man of honor.

The Prince's Mistress, Perdita Hester Davenport, 2011-10-21. Mary Robinson, nicknamed Perdita by the Prince of Wales after her role on the London stage, was a woman in whom showmanship and reckless behaviour contrasted with romantic sensibility and radical thinking. Born in Bristol in 1758, she moved to London with her family at a young age and was trained by Garrick for the theatre. After a royal command performance as Perdita in *The Winter's Tale*, she was hotly pursued by George, the 17-year-old Prince of Wales, and she became his first mistress. He gave her GBP 20,000, a house in Berkeley Square and another in Old Windsor; the popular press followed the affair with glee and gusto. But when he left her, she blackmailed him for the return of his letters. A string of other high profile lovers followed, including Lord Malden, Charles James Fox and most notably Lt Col Tarlton. However, a miscarriage left Mary semi-paralysed and when her last lover deserted her to marry someone else, she wrote two novels in revenge. Her growing literary reputation brought in many friends, including Coleridge, but her death saw the bailiffs trying to evict her from her cottage. This lively account of one of the most extraordinary women of her age is set against the social, literary, political and military background of the times.
