Sheriffs' Insignia of the United States James V. Claflin,1997-06-01 *The Power of the Badge* Emily M. Farris,Mirya R. Holman,2024-09-05 A sobering exploration of the near unchecked power of sheriffs in the United States Across the United States more than 3 000 sheriffs occupy a unique position in the US political and legal systems Elected by voters usually in low visibility noncompetitive elections sheriffs oversee more than a third of law enforcement employees and control almost all local jails They have the power to both set and administer policies and they can imprison harm and even kill members of their communities Yet they enjoy a degree of autonomy not seen by other political officeholders The Power of the Badge offers an unprecedented data rich look into the politics of the office and its effects on local communities Emily M Farris and Mirya R Holman draw on two surveys of sheriffs taken nearly a decade apart as well as election data case studies and administrative data to show how a volatile combination of authority and autonomy has created an environment where sheriffs rarely change elections seldom create meaningful accountability employees budgets and jails can be used for political gains marginalized populations can be punished and reforms fail Farris and Holman also track the increasingly close linkages between sheriffs and right wing radical groups in an era of high partisanship and intra federal conflict *The Dark Side of the Badge* Dr. Terry Free,Dr. Daphne Free,2023-11-07 About the Book The Dark Side of the Badge A Texas Tragedy exposes the history of the dark side of policing Drs Terry and Daphne Free integrate research combined with personal experiences in policing and bring to light stories that happen in policing that never make it to public light including those stories behind the scenes Those who are interested in policing will be able to avoid the pitfalls of agencies and the public will realize the need to elect and hire qualified people in policework which is of utmost importance About the Author Both Drs Terry and Daphne Free are Texas police officers with over twenty six years of combined experience They own and operate a martial arts school security company and a fire and environmental company They also both hold Advanced Peace Officer certifications and doctorates in Organizational Leadership *The Police Journal* ,1927 *Police* ,1964 House documents ,1885 **The American Tyler-keystone** ,1909 *United States Code* United States,2006 Documents of the Assembly of the State of New York New York (State).
