Whatever Happened to Sherlock Holmes Robert S. Paul, 1991 Robert S Paul suggests that the reason detective fiction has won legions of readers may be that the writer of detective fiction without conscious intent appeals directly to those moral and spiritual roots of society unconsciously affirmed and endorsed by the readers Because detective stories deal with crime and punishment they cannot help dealing implicitly with theological issues such as the reality of good and evil the recognition that humankind has the potential for

both the nature of evidence truth and error the significance of our existence in a rational order and hence the reality of truth and the value of the individual in a civilized society Paul argues that the genre traces its true beginning to the Enlightenment and documents two related but different reactions to the theological issues involved first a line of writers who are generally positive in relation to their cultural setting such as Edgar Allan Poe Wilkie Collins Conan Doyle and second a reactionary strain critical of the prevailing culture that begins in William Godwin s Caleb Williams and continues through the anti heroic writers like Ars ne Lupin to Raymond Chandler Dashiell Hammett and John MacDonald Sherlock Holmes Mystery Magazine #17 Arthur Conan Doyle,2015-07-13 Sherlock Holmes Mystery Magazine returns with issue 17 presenting the best in modern and classic mystery fiction Included this time are the usual columns a terrific selection of genre related nonfiction and the following great stories His Latest Bow by Timothy S Greer An Unlikely Hero by Peter James Quirk Brooklyn s Elusive Mr G by Albert Ashforth Red Jacks Wild by Kim Newman Bus ted by Laird Long Dead Man s Hand by Steve Liskow Die Miles Cornbloom by Alex Shvartsman Vows by R J Lewis Somewhere Between A B by Steve Hagood The Greek Interpreter by Sir Arthur Conan Doyle Gates of Baker Street by Mackenzie Clarke *Serials and Series* Buck Rainey,2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis **Sister Love and Other Crime Stories - With Audio Level 1 Oxford Bookworms Library** John Escott,2015-03-05 A level 1 Oxford Bookworms Library graded reader This version includes an audio book listen to the story as you read Written for Learners of English by John Escott Some sisters are good friends some are not Sometimes there is more hate in a family than there is love Karin is beautiful and has lots of men friends but she can be very unkind to her sister Marcia Perhaps when they were small there was love between them but that was a long time ago They say that everybody has one crime in them Perhaps they only take an umbrella that does not belong to them Perhaps they steal from a shop perhaps they get angry and hit someone perhaps they kill The Saturday Evening Post ,1909
