The Adventure of Wisteria Lodge (Annotated) Arthur Conan Doyle, Sir, 2015-09-03 I find it recorded in my notebook that it was a bleak and windy day towards the end of March in the year 1892 Holmes had received a telegram while we sat at our lunch and he had scribbled a reply He made no remark but the matter remained in his thoughts for he stood in front of the fire afterwards with a thoughtful face smoking his pipe and casting an occasional glance at the message Suddenly he turned upon me with a mischievous twinkle in his eyes

The Adventure of Wisteria Lodge Arthur Conan Doyle, 2004-06-01 Quite so Why did they fly There is a big fact Another big fact is the remarkable experience of our client Scott Eccles Now my dear Watson is it beyond the limits of human ingenuity to furnish an explanation which would cover both of these big facts If it were one which would also admit of the mysterious note with its very curious phraseology why then it would be worth accepting as a temporary hypothesis If the fresh facts which come to our knowledge all fit themselves into the scheme then our hypothesis may gradually become a solution

The

Adventure of Wisteria Lodge Sherlock Holmes Arthur Conan Doyle, 2013-07-16 Well my dear fellow we have already arrived at the conclusion that the message received by Garcia at dinner was an appointment or an assignation Now if the obvious reading of it is correct and in order to keep the tryst one has to ascend a main stair and seek the seventh door in a corridor it is perfectly clear that the house is a very large one It is equally certain that this house cannot be more than a mile or two from Oxshott since Garcia was walking in that direction and hoped according to my reading of the facts to be back in Wisteria Lodge in time to avail himself of an alibi which would only be valid up to one o'clock As the number of large houses close to Oxshott must be limited I adopted the obvious method of sending to the agents mentioned by Scott Eccles and obtaining a list of them Here they are in this telegram and the other end of our tangled skein must lie among them The Adventure of Wisteria Lodge by Arthur Conan Doyle Arthur Conan Doyle, 2017-09-23 The Adventure of Wisteria Lodge is one of the fifty six Sherlock Holmes short stories written by British author Arthur Conan Doyle One of eight stories in the volume His Last Bow it is a lengthy two part story consisting of The Singular Experience of Mr John Scott Eccles and The Tiger of San Pedro which on original publication in The Strand bore the collective title of A Reminiscence of Mr Sherlock Holmes

The Adventure of Wisteria Lodge Arthur Conan Doyle, 2018-02-08 The Adventure of Wisteria Lodge is one of the fifty six Sherlock Holmes short stories written by British author Arthur Conan Doyle One of eight stories in the volume His Last Bow it is a lengthy two part story consisting of The Singular Experience of Mr John Scott Eccles and The Tiger of San Pedro which on original publication in The Strand bore the collective title of A Reminiscence of Mr Sherlock Holmes Out of the entire collection of Holmes stories by Doyle this is the only story in which a police inspector specifically Inspector Baynes is as competent as Holmes Holmes has nothing but praise for Inspector Baynes believing that he will rise high in his profession for he has instinct and intuition Inspector Lestrade rarely received this kind of appreciation from Holmes It comes out that Baynes had only arrested the cook to draw out Henderson so he would think he was no longer under suspicion San Pedro is a fictitious country its colors are green and white explaining one part of the cryptic note The Adventure is said to take place in 1892 but this year was a part of The Great Hiatus and Holmes's reference to a colonel whom he has arrested makes it more likely that the year is 1894 _We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Adventure of Wisteria Lodge* Артур Конан Дойл, 2021-03-16
