*The Comics of Hergé* Joe Sutliff Sanders, 2016-07-28 Contributions by J. Nathan Miranda de Arajo Guillaume de Syon Hugo Frey Kenan Koak Andrei Molotiu Annick Pellegrin Benjamin Picado Vanessa Meikle Schulman Matthew Screech and Gwen Athene Tarbox As the creator of *Tintin* Hergé 1907-1983 remains one of the most important and influential figures in the history of comics When Hergé born Georges Prosper Remi in Belgium emerged from the controversy surrounding his actions after World War II his most famous work leapt to international fame and set the standard for European comics While his style popularized what became known as the clear line in cartooning this edited volume shows how his life and art turned out much more complicated than his method The book opens with Hergé's aesthetic techniques including analyses of his efforts to comprehend and represent absence and the rhythm of mundaneness between panels of action Broad views of his career describe how Hergé navigated changing ideas of air travel while precise accounts of his life during Nazi occupation explain how the demands of the occupied press transformed his understanding of what a comics page could do The next section considers a subject with which Hergé was himself consumed the fraught lines between high and low art By reading the late

masterpieces of the Tintin series these chapters situate his artistic legacy A final section considers how the clear line style has been reinterpreted around the world from contemporary Francophone writers to a Chinese American cartoonist and on to Turkey where Tintin has been reinvented into something meaningful to an audience Herg probably never anticipated Despite the attention already devoted to Herg no multi author critical treatment of his work exists in English the majority of the scholarship being in French With contributors from five continents drawing on a variety of critical methods this volume s range will shape the study of Herg for many years to come      Comics and Novelization Benoît Glaude,2023-05-24 This book opens a novel perspective on comics and literature interactions It claims that the two artistic media have always maintained a mutual emulation for as long as they have coexisted in media culture To demonstrate this the present research does not focus on literary adaptations in comics form but rather on a literary corpus that remains virtually unexplored comics related novels The purpose of this volume is to inventory French comics related novels and to study them Within the limits of the French speaking world this book pieces together a literary history of bande dessinée through its novels from the nineteenth to twenty first centuries Although the comic strip including the aptly named graphic novel has sometimes been regarded as the disciple of an unsurpassable literary model do these understudied adaptations in novel form not rather indicate a mutual relationship or even an emulation between the two media      **The Graphic Canon of Crime and Mystery, Vol. 1** Russ Kick,2017-11-28 The first of two volumes builds on the brilliant and original Graphic Canon series in retelling classic works of literature as comics and other visual forms Organized thematically Volume 1 opens with The Act think In Cold Blood and A Clockwork Orange followed by sections dedicated to Criminals Whodunit Judgment Scarlet Letter anyone and Punishment Here you ll find stunning and suspenseful adaptations starring classic PIs Sherlock Holmes Auguste Dupin Hercule Poirot Father Brown Mike Hammer and teenage girl detective Violet Strange But the mystery intrigue and foul play don t end or begin there The artists also bring to life crime stories from the Arabian Nights the Bible The Canterbury Tales China s Song Dynasty Shakespeare James Joyce s Dubliners Patricia Highsmith Truman Capote and current writers like Stephen King Jo Nesbo and Sara Paretsky Rick Geary brings his crisp style to Dostoevsky s Crime and Punishment Teddy Goldenberg gives us a dense murky treatment of Dashiell Hammett s The Road Home often considered the first hardboiled detective story ever published C Frakes resurrects the forgotten novella Talma Gordon the first mystery written by an African American and Shawn Cheng renders the first serial killer story the so called fairy tale Bluebeard by Charles Perrault Even the very natures of crime justice and punishment are up for grabs Landis Blair reimagines The Trial as a choose your own adventure story that you cannot win Ted Rall retells an O Henry story about a petty criminal who just can t get arrested From The Marquis de Sade to James Cain Aeschylus to Paula Hawkins crime and mystery has never been so brilliantly reimagined      *Comics Shop* Maggie Thompson,2010-09-27 ESSENTIAL COMICS VALUES ALL IN COLOR COMICS SHOP is the reliable reference for collectors dealers and everyone passionate about comic books THIS FULL COLOR INDISPENSABLE GUIDE FEATURES
