## **Sherwood Bonner Catherine McDowell:**

Sherwood Bonner (Catherine McDowell) William L. Frank, 1976 Biography and criticism of Catherine McDowell Sherwood Bonner one of the South's first women novelists and a local color writer of some achievement **Sherwood Bonner (Katherine S. McDowell) Collection** Katherine Sherwood Bonner McDowell, 1863 Collection consists of transcribed correspondence manuscripts documents and ephemera related to the life of Katherine S. McDowell A *Sherwood Bonner Sampler, 1869-1884* Katherine Sherwood Bonner McDowell, 2000 This book which adds significantly to the current resurgence of interest in Bonner brings back into print much of the author's best writing and will acquaint modern readers with her astute and witty observations about America's centennial era **BOOK JACKET** Catherine Sherwood Bonner McDowell William Luke Frank, 1964 **The Reconstruction of White Southern Womanhood, 1865-1895** Jane Turner Censer, 2003-09-30 This impressively researched book tells the important but little known story of elite southern white women's successful quest for a measure of self-reliance and independence between antebellum strictures and the restored patriarchy of Jim Crow Profusely illustrated with the experiences of fascinating women in Virginia and North Carolina it presents a compelling new chapter in the history of American women and of the South As were many ideas notions of the ideal woman were in flux after the Civil War While poverty added a harder edge to the search for a good marriage among some southern belles other privileged white women forged identities that challenged the belle model altogether Their private and public writings from the 1870s and 1880s suggest a widespread ethic of autonomy Sometimes that meant increased domestic skills born of the new reality of fewer servants But women also owned and transmitted property worked for pay and even pursued long term careers Many found a voice in a plethora of new voluntary organizations and some southern women attained national celebrity in the literary world creating strong and capable heroines and mirroring an evolving view toward northern society Yet even as elite southern women experimented with their roles external forces and contradictions within their position were making their unprecedented attitudes and achievements socially untenable During the 1890s however virulent racism and pressures to re-create a mythic South left these women caught between the revived image of the southern belle and the emerging emancipated woman Just as the memoirs of southern white women have been key to understanding life during the Civil War the writings of such women unlock the years of dramatic change that followed Informed by myriad primary documents Jane Turner Censer immerses us in the world of postwar southern women as they rethought and rebuilt themselves their families and their region during a brief but important period of relative freedom **An Annotated and Indexed Edition of the Letters of Sherwood Bonner (Catherine Sherwood Bonner McDowell).** Jean Nosser Biglane, 1972 *Dialect Tales and Other Stories* Sherwood Bonner, Katherine Sherwood Bonner McDowell, 1990 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com) *Insiders, Outsiders* Sarah E. Gardner, Steven M. Stowe, 2021-09-13 The history of thought and

thinking in the American South is now alive with curiosity and poised for a new maturity Thanks to the efforts of a growing variety of critics the region is increasingly understood as a cultural habitat comprised of flows of ideas and sensibilities that originate both inside and outside traditional boundaries This volume of essays uniquely combines perspectives from historians and literary scholars to explore a wide spectrum of thought about a region long understood as distinctive yet often taken to represent American culture and character Contributors first engage with how southern thinkers of all sorts have struggled with belonging who is an insider and who is an outsider Second they consider how thought in the South has over time created ideas about the South The volume capitalizes on an interdisciplinary synergy that has come to characterize southern studies exploring current creative tensions between classic themes in southern history and the new ways to approach them Region and identity intellectuals and change the South as an idea and ideas in the South these continue to inspire the best new research as showcased in this collection Contributors are Michael T Bernath Stephen Berry John Grammer Michael Kreyling Scott Romine Beth Barton Schweiger Mitchell Snay Melanie Benson Taylor Jonathan Daniel Wells and Timothy J Williams

Mississippi Home-places Elmo Howell,1988 Explores Mississippi for the purpose of identifying and describing homes and sites related to prominent literary and historical figures with Mississippi connections

*Women Writers and Journalists in the Nineteenth-Century South* Jonathan Daniel Wells,2011-10-24 The first study to focus on white and black women journalists and writers both before and after the Civil War this book offers fresh insight into Southern intellectual life the fight for women s rights and gender ideology Based on new research into Southern magazines and newspapers this book seeks to shift scholarly attention away from novelists and toward the rich and diverse periodical culture of the South between 1820 and 1900 Magazines were of central importance to the literary culture of the South because the region lacked the publishing centers that could produce large numbers of books As editors contributors correspondents and reporters in the nineteenth century Southern women entered traditionally male bastions when they embarked on careers in journalism In so doing they opened the door to calls for greater political and social equality at the turn of the twentieth century

Mississippi Back Roads Elmo Howell,1998-07

*Black Like You* John Strausbaugh,2007-08-16 A refreshingly clearheaded and taboo breaking look at race relations reveals that American culture is neither Black nor White nor Other but a mix a mongrel Black Like You is an erudite and entertaining exploration of race relations in American popular culture Particularly compelling is Strausbaugh s eagerness to tackle blackface a strange often scandalous and now taboo entertainment Although blackface performance came to be denounced as purely racist mockery and shamefacedly erased from most modern accounts of American cultural history Black Like You shows that the impact of blackface on American culture was deep and long lasting Its influence can be seen in rock and hip-hop in vaudeville Broadway and gay drag performances in Mark Twain and gangsta lit in the earliest filmstrips and the 2004 movie White Chicks on radio and television in advertising and product marketing and even in the way Americans speak Strausbaugh enlivens themes that

are rarely discussed in public let alone with such candor and vision American culture neither conforms to knee jerk racism nor to knee jerk political correctness It is neither Black nor White nor Other but a mix a mongrel No history is best forgotten however uncomfortable it may be to remember The power of blackface to engender mortification and rage in Americans to this day is reason enough to examine what it tells us about our culture and ourselves Blackface is still alive Its impact and descendants including Black performers in whiteface can be seen all around us today      **American Literary Realism, 1870-1910** ,1975      *Finding List. Sims,2010-03-29 In an increasingly globalized economy Sims argues that Ida B Wells s fight against lynching is a viable option to address systemic forms of oppression More than a century since Wells launched her anti lynching campaign an examination of her work questions America s use of lynching as a tool to regulate behavior and the manner in which public opinion is shaped and lived out in the private sector Ethical Complications of Lynching highlights the residual effects of lynching as a twenty first century moral impediment in the fight to actualize ethical possibilities      **Seekers of Scenery** Kevin E. O'Donnell,Helen Hollingsworth,2004 Eighteen articles culled from this body of literature including work by Rebecca Harding Davis W E B DuBois Charles Dudley Warner and Constance Fenimore Woolson make up this volume Some passages now read as environmental elegy descriptions of old growth forests long since cut waterfalls now dammed vistas now hidden behind pollution on high ridges
