Shield Of David The Story Of Israels Armed Forces

Neil Caplan

Shield Of David The Story Of Israels Armed Forces:

Shield of David Yigal Allon, 1970 This book is not a study in depth of the growth of Israel's armed forces nor is it a historical analysis of the military doctrines which those forces developed. It is rather a sketch a profile of the people and events which moulded first the resistance movement and then the army of the Jewish State. Author's note *Shield of David: The Story of Israel's Armed Forces* Yigal Allon, 2019-08-09 *Shield of David* tells the history of the Jews armed forces from the Palestine Yishuv's first efforts at self defense in the early 1900s under the Ottoman Empire and the British Mandate during Israel's 1948 War of Independence the 1956 Suez Campaign and until the 1967 Six Day War. In recent years most particularly since the Six Day War of June 1967 people throughout the world have asked themselves how it happened that the Israel Defence Forces won so resounding a victory over the Arab armies. What suddenly endowed the Jewish people traditionally non martial with such impressive military skills. What is the secret of the prowess of Israeli soldiers airmen and sailors. The answer of course is that nothing happens suddenly that the modern story of Jewish self defence in the Land of Israel dates back some eighty years and is the result of the commitment and dedication to national survival of many men and women most of whom seeking no publicity received none. This book is my attempt to tell part of that little known story as simply briefly and clearly as possible. Yigal Allon Author's Note 1970

Jewish Curriculum and Resource Guide for the Armed Forces, 1985

Military Industry and Regional Defense Policy Timothy D. Hoyt, 2017-07-05 *Military Industry and Regional Defense Policy* re-examines military industrialization in the developing world focusing on policy making in producer states and the impact of security perceptions on such policy making. Timothy D Hoyt reassesses the role of regional state sub systems in international relations and recent historical studies of international technology and arms transfers. Looking at Israel Iraq and India the three most powerful regional powers in the Cold War era he presents an expert analysis of the three sided phenomena of the regional hegemony the regional competitor and the small over achiever. This new book breaks away from existing literature on military industries in the developing world which has focused on their economic and development costs and benefits. These past studies have used primitive methodologies that focus on the production of complete weapons systems a misleading gauge in a world of growing international defense cooperation. They have also ignored empirical evidence of the impact of local military industrial production on Cold War regional conflict and of the defence planning and concerns that drove development of indigenous military industries in key regional powers. This new text delivers an incisive new perspective.

Palestine Jewry and the Arab Question, 1917-1925 Neil Caplan, 2015-05-22 This book first published in 1978 examines the confrontation of the Jewish community of Palestine the Yishuv with its Arab question in the period immediately following World War 1 a period of excitement and uncertainty. Its main focus is on the different ways in which the men and women of the Yishuv perceived and defined the question of relations with the Arabs and how they proposed to deal with the problems that arose.

A History of the Israeli Army: 1874 to the Present Ze'ev

Schiff,2024-05-23 It is virtually impossible to understand Israel or the Middle East without understanding Israel's military history and its security needs There are many books that attempt to provide such a history but Ze'ev Schiff's concise History of the Israeli Army is unquestionably the most successful he writes with great objectivity and probes issues that most Israeli military writers prefer to dodge Mr Schiff's ability to come to grips with the fact that both Israel and the Arab states bordering it used tactics the other side regards as terrorism and continue to use them is matched by his skill in summarizing the causes course and outcome of the large scale Arab Israeli conflicts in 1956 1967 and 1973 and the war of attrition in 1969 70 Mr Schiff provides an excellent summary of the political and military forces that shaped Israel's behavior in each war He neither justifies nor excuses Israel's behavior and he does not justify or excuse Israel's motives and goals he is content to explain them He also explains the factors that shaped Arab behavior and gives the causes of Arab defeats without editorializing Mr Schiff avoids technical issues tactics and the details of battles he focuses on the main flow of events He provides a short history of the major events shaping Israel's military forces and strategy before and during each war His descriptions of military events flow naturally out of his accounts of political motives and strategy His chapter on doctrine ties together the histories of the different conflicts and it should be read by anyone who feels Israel somehow has caused most of its wars His chapter on the 1982 war in Lebanon is the most incisive reporting yet done on that event a model of how good defense reporting can be when it looks beyond the day to day flow of events and searches out the underlying pattern of military conflict and its causes Mr Schiff presents the war as one in which Mr Sharon then Israel's Minister of Defense snatched defeat from the jaws of victory Mr Schiff's treatment of Mr Sharon and the P L O's high command is devastating it adds up to one of the best arguments against violence as a solution to the problems of the Middle East ever written In short Mr Schiff has written a history that any historian or political or military analyst must envy The New York Times A story concisely and clearly told Schiff's ability to deal with Israeli military matters accurately and analytically is in evidence as usual This is a good introduction to the subject and well written Middle East Journal If one does not have a basic book on the Israeli Army this is one of the best Military Affairs Immigration Without Integration Avraham Shama,Mark Iris,

Understanding the Volatile and Dangerous Middle East Steven Carol,2019-09-26 The Middle East can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle Professor Steven Carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the Middle East demographics of the region the influence of Islam political processes shifting alliances war in the region and the need for security He also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region His goal to clarify the confusing nature of Middle East affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region In a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity Seventy eight maps

and numerous tables make understanding complex topics easier Whether you re a student educator bureaucrat or politician you ll find insights based on facts in *Understanding the Volatile and Dangerous Middle East* *Key to the Sinai* George Walter Gawrych,1990

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker,Priscilla Roberts,2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

The Encyclopedia of War, 5 Volume Set Gordon Martel,2012-01-17 This ground breaking 5 volume reference is a comprehensive print and electronic resource covering the history of warfare from ancient times to the present day across the entire globe Arranged in A Z format the Encyclopedia provides an overview of the most important events people and terms associated with warfare from the Punic Wars to the Mongol conquest of China and the War on Terror from the Ottoman Sultan Suleiman the Magnificent to the Soviet Military Commander Georgi Konstantinovich Zhukov and from the crossbow to chemical warfare Individual entries range from 1 000 to 6 000 words with the longer essay style contributions giving a detailed analysis of key developments and ideas Drawing on an experienced and internationally diverse editorial board the Encyclopedia is the first to offer readers at all levels an extensive reference work based on the best and most recent scholarly research The online platform further provides interactive cross referencing links and powerful searching and browsing capabilities within the work and across Wiley Blackwell s comprehensive online reference collection Learn more at www.encyclopediaofwar.com Selected by Choice as a 2013 Outstanding Academic Title Recipient of a 2012 PROSE Award honorable mention

Israel's Security Men Thomas G. Mitchell,2014-12-24 From 1949 to 2000 Moshe Dayan Yitzhak Rabin Ariel Sharon and Ehud Barak conducted Israel s successful and unsuccessful talks with its Arab neighbors from the armistice negotiations to Kissinger s shuttle diplomacy to Camp David I and the Egyptian Israeli peace treaty and finally to the Oslo peace process The four successful generals who became politicians are covered in four separate biographies which discuss the early life and military career of each subject and his subsequent political career Two other military politicians Yigal Allon and Ezer Weizman are covered within these four biographies An overview of the phenomenon of military politicians in Israel is given and an appendix

compares it with similar experiences in South Africa and the United States Sword of Islam John Francis Murphy, 2010-07-30 Undoubtedly timely and full of fascinating detail *Sword of Islam* is a thorough well researched and revealing account of global Islamic terrorism A military historian John F Murphy Jr traces the intricate interconnections among various terrorist cells including Osama Bin Laden s Al Qaeda and its relationship with the Taliban of Afghanistan the Muslim Brotherhood of Egypt Islamic Moro extremists in the Philippines obscure Algerian terrorist groups and other sympathetic underworld organizations in Lebanon the West Bank and the Gaza Strip Syria Libya Yemen Pakistan and even South America He also puts recent terrorist attacks in historical context by discussing such key events as the rise of Arab nationalism following Israel s victory in the 1948 war the Black September killings of Israeli athletes at the 1972 Olympics the 1976 rescue at Entebbe by Israeli commandos of hostages abducted by German terrorists the terrorist plots of the infamous Carlos the Jackal the bombing of the US Marine barracks in Beirut in 1983 and the impact of the 1979 Iranian Revolution and the Mujahideen resistance of the Russian invasion of Afghanistan in the same year This book supplies the answer to the question that has been on the minds of all Americans since September 11 Why do they hate us Murphy makes it clear that as the chief backer of Israel the United States is seen by extremists as the evil power behind the hated Zionist enemy But he also emphasizes that in the final analysis we are the only country with the power to bring these attacks to a halt *The Agency: The Rise and Decline of the CIA (Book One)* John Ranelagh, 2024-08-08 In 2000 the Washington Post listed *The Agency* as one of the ten best books on Intelligence in the twentieth century calling it An encyclopedic and fair minded overview of the agency into the 1980s A history of the CIA from its intrepid early days to becoming a mature bureaucracy riddled with scandal and scrutiny During World War II Wild Bill Donovan started the Office of Special Services OSS and gave the CIA its original image dashing Ivy League and Eastern Establishment Successive CIA Directors covered in the book were Allen Dulles Richard Helms William Colby and William Casey The Agency is the first comprehensive history of the CIA a book designed in its author s words to get away from contemporary demonology and to place the CIA firmly within the context of its time a dazzling panoramic overview of the CIA s history Ranelagh mixes keen insights into the organization and the people who ran it with superb accounts of specific crises and operations This brilliant book is so rich both in detail and generalization that even a reader unfamiliar with the history of the CIA will find it hard to put down the book pursues many themes such as organizational changes within the agency and shifts in its sense of mission its relationship with presidents and their advisers and other intelligence agencies the history of specific projects and operations and the general mood within both the CIA and the government and nation at large The result is a complex tapestry full of new information and fresh generalizations Reviews in American History A massive history of the CIA Ranelagh has a good feel for the murky world of intelligence and has constructed quite a readable work he conducted scores of interviews with insiders and studied more than 7 000 pages of classified and formerly classified documents Great reading and a valuable reference for students of

government bureaucracy and intelligence work Kirkus Ranelagh provides here a major overview of the Central Intelligence Agency from its founding in 1947 to 1987 Based largely on hundreds of interviews the book examines the personality and policies of each director in the context of the times Publishers Weekly A comprehensive examination of the CIA Unlike most books on the nearly 40 year old spy organization The Agency is not a diary of old war stories or a flashy expose it is a thoughtful analysis of the CIA from gestation to middle age An important difference between The Agency and many other scholarly treatments of intelligence gathering is the extensive use of quotes from both on the record and unattributed sources as well as documents obtained under the Freedom of Information Act The New York Times A thoughtful analysis of the CIA from its beginnings arguing that dependence on technology has crippled American intelligence The New York Times Mr Ranelagh a British television producer has written the best comprehensive history of the CIA He is in control of the massive secondary literature has used the Freedom of Information Act effectively interviewed widely and mined congressional sources The tone is critical but detached devoid of both the muckraking passion of the left and the self congratulatory approach of the old boy network A fine book Foreign Affairs The Agency is without a doubt the finest best documented and most entertainingly written study of the Central Intelligence Agency CIA of which I know It traces the agency from its first gleam in the eye of Wild Bill Donovan through the first term of William Casey on behalf of President Reagan a genuine literary and stylistic accomplishment Annals of the American Academy of Political and Social Science

Israel's Wars Ahron Bregman, 2003-09-02 First published in 2002 Routledge is an imprint of Taylor Francis an informa company **Middle East Conflicts from Ancient Egypt to the 21st Century** Spencer C. Tucker, 2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars **The International Missile Bazaar** William C Potter, Harlan W Jencks, 2019-09-06 International experts examine transactions capabilities structures and norms

influencing the complex network of trade in missile technologies **Bulletin** ,1969 **The Edge of the Sword: Israel's War of Independence 1947-1949** Netanel Lorch,2019-07-31 Netanel Lorch who fought as an officer in Jerusalem during Israel's War of Independence and later founded the Israel Defense Forces Historical Section offers a detailed military history of the years 1947-49 The book begins with the tensions of the British Mandate period in Palestine including the international debates over proposed boundaries for the new Jewish state and examines the chaos that followed the British evacuation the invasion of five Arab armies supported by guerrilla fighters inside Israel the defeat of the Arab armies and the signing of armistice agreements at Rhodes It surveys the strength weaknesses equipment and manpower of Jewish and Arab forces and describes the strategies and tactics used in operations launched by all sides together with the results of the battles that led to Israel's pre 1967 borders In splendidly crisp frugal but always fluent narrative Col Netanel Lorch relates how Israel won her life with *The Edge of the Sword* It is an apt title for this masterly deployment of bare facts devoid of speculative afterthoughts almost devoid of comment I rate this book a splendid job of work absorbing to a student of war a fit memorial to heroic events passing comprehension The New York Times minute in its detail meticulous in its completeness matter of fact in its style but professional objectivity notwithstanding he offers a penetrating insight into the passions and purposes that underlay this struggle Herbert Kupferberg The New York Herald Tribune Lorch was fortunate in holding a position in which he was able to obtain and sift much data not normally available to the public This he has done admirably It is a timely comprehensive book clearly a must for the bookshelf of everyone who takes an interest in military matters or in the Middle East Edgar O Ballance The Spectator London a fascinating work The book teems with technical details and military terms it gives blow by blow the story of every campaign and almost every action Marvin Lowenthal Jewish Social Studies Genuine history admirably written Bernard Fergusson London Daily Telegraph Lorch writes with a clarity quite unusual in military specialists superbly written and fascinating The Cape Argus Capetown The most detailed and most searching study of this momentous little war which has yet been published It is also remarkably readable it teaches quietly and with no brashness a number of salutary lessons strategic and tactical logistic and moral which every soldier ought to ponder Lorch's narrative is as candid as it is well marshalled He is not sparing in his criticism of Israeli mistakes He does not sneer and he does not exult Journal of the Royal United Services Institution Six Days Jeremy Bowen,2013-12-03 A fast paced hour by hour narrative of the 1967 war the most gripping military tale since the fall of France in the Second World War Daily Telegraph The ongoing tensions between Israel and Palestine are a complex and bloody legacy all stemming from six days of war in 1967 In this rigorous and original piece of modern history Jeremy Bowen not only sheds new light on one of the key conflicts of the twentieth century but also explains much about the Middle East and the problems it faces today After the state of Israel emerged from war in 1948 both sides knew more battles were coming In June of 1967 years of slow burning tension exploded In six extraordinary days Israel destroyed the armed forces of Egypt Jordan and Syria But far from bringing peace their

stunning victory turned into a curse From the initial battle order issued to the Israeli air force on June 5 1967 to the final ceasefire on the evening of Saturday the 10th the Six Day War was a riveting human drama Building on original research and his own experience as a Middle East Correspondent Bowen presents a compelling new history of the conflict Interweaving testimonies of combatants from all sides Six Days vividly recreates the bullying and brinksmanship that led four nations to war

Whispering the Secrets of Language: An Emotional Quest through **Shield Of David The Story Of Israels Armed Forces**

In a digitally-driven earth where monitors reign great and quick conversation drowns out the subtleties of language, the profound techniques and mental subtleties hidden within phrases frequently move unheard. Yet, situated within the pages of **Shield Of David The Story Of Israels Armed Forces** a charming literary treasure pulsing with organic thoughts, lies an extraordinary quest waiting to be undertaken.
