Shielded Heart:

MAN'S PROTECTION AGAINST JINN AND SATAN WAHID ABDULSALAM BALI,2014-01-01 *Open My Heart, Heal My Soul* David P. Mann,2013-01-29 Living in this world can be hazardous to one's health. Struggles to deal with pain and suffering drive a number of people to counselors, pastors, and popular how-to books on Christian living to find healing. The experience of feeling deeply wounded by life's events not only hinders people from enjoying life; it also undermines the idea that God has a plan for our lives that surpasses many of our wildest dreams. Grappling with the place of God's grace in our lives, how to effectively deal with our problems, and attaining authenticity of being and purpose in life blend into our daily walk as followers of Christ. Building upon the belief that there is far more to the Christian life than simply making it into heaven, *Open My Heart, Heal My Soul: Living the Grace-Saturated Life* helps readers who have found the journey of life to be frustrating and painful gain new insight into living. This book will inspire those who have felt discouraged by their attempts to overcome problems and provide guidelines for dealing with life's challenges as a Christian. Otherworld Bound Dean Richards,2009-02-25 *Otherworld Bound* is an adventure set in the near future at a time when space travel is still a dream for Earth. Greg Cordell, a young nuclear electronics scientist, befriends a supply clerk/co-worker who knows more about scientific things than a clerk should know and who turns out to have special abilities. United National, a worldwide corporation that controls all activity on the planet, has replaced the old United Nations and brought a measure of stability to the planet. Now the government is global and unknown to the masses is being infiltrated by aliens. When Cordell starts inquiring about a fugitive scientist from twenty years earlier, the government comes after him. Rescued by the Others, a breakaway group from Titan striving to live in peace, Greg is taken to various sites in the solar system while continuing to develop products to help people get away safely. Their only hope is to get as many as they can to some other world where they can live without tyranny. The developments they use to defend themselves prove a challenge for the alien government that is set to stop them at all costs. The intrigue and adventure of rescuing Nora Landers, Greg's romantic interest and others from Earth, proves to keep the reader anxiously waiting for the next development while the Others pursue their goal to be *Otherworld Bound*. **The Heart Heist** Elle Keaton,2021-03-18 A gorgeous stranger wanders into his life one summer night, and Jacob knows he's in trouble. He's going to break all his rules and probably his heart. Duff Cleveland knows better than to open himself to love that's how you get hurt. Jacob De Rossi is a family guy; he's got the house and the picket fence; he's just missing the man. Something about Jacob has Duff wanting more, but how many just one more times can a dedicated hookup artist justify? He can hardly handle the life he's living; having an actual boyfriend is impossible, isn't it? Jacob's not letting Duff go easily. It's obvious to him at least that Duff needs someone in his corner, and he is the man for the job. Will Duff recognize his heart is safe in Jacob's hands, or turn his back on the one thing in his life that makes sense? Tragic past, high heat, found family, hurt to comfort, reluctant lover, family is everything, the wooing is the hardest part, angst, when grandparents interfere. *The Heart*
