[The Forest of Souls](#) Rachel Pollack, 2002 Take a Magical Mystery Tour Join celebrated Tarot author artist and scholar Rachel Pollack on a magical walk through the mysteries archetypes and dream like images of the Tarot In the tradition of Carl Jung and Joseph Campbell Rachel draws upon symbols myths and folk tales both ancient and modern to illuminate the spiritual truths behind the Tarot's symbols The Forest of Souls unfolds like a dream in a series of musings upon the confluence of the sacred and the mundane How can a simple deck of 78 cards become keys unlocking life's greatest secrets While the most common use of Tarot is for divination Rachel shows how to use the cards for readings of an entirely different nature Asking improbable even impossible questions she plays with the sacred possibilities and answers that the Tarot gives us What nourishes my soul What is soul What is Tarot What plan did God follow to create the universe We now know that the Tarot was almost certainly not originally designed to include Kabbalistic and other occult correspondences Yet such systems can greatly enhance our understanding of and relationship with the cards Embracing paradox and non linear thinking allows us to push the boundaries of the known and venture into the unknown It is in that sacred space that we open ourselves to wonder and mystery
