

An abstract painting featuring a vibrant, textured background. The upper right portion is dominated by a bright, yellow and white sunburst or explosion of light, with numerous red, orange, and yellow streaks radiating outwards. Below this, a blue and white landscape, possibly representing water or a sky, is visible. The lower portion of the image is a dark, textured area with hints of red and orange. A large, solid red rectangular box is overlaid on the left side of the image, containing white text.

Shining Like The Sun The Chants Of Transfiguration:

Shining Like the Sun ,2005 Transfiguration and Hope D. Gregory Van Dussen,2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning Yet this astounding event reveals God s ultimate purpose in sending his Son the complete restoration of humanity and all creation our transfiguration in Christ The light and glory of that moment reveal a destiny that is infinite and eternal made possible by the power of grace Transfiguration is the trajectory and goal of our spiritual journey Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future Christ has shown us in himself *Body & Soul* ,2005 *International Record Review* ,2005 **John Fahey - Guitar Anthology Songbook** John Fahey,2016-04-01 Guitar Recorded Versions 18 songs in note for note transcriptions with tab from the man who was considered the grandfather of instrumental acoustic fingerstyle guitar Includes America Brenda s Blues Desperate Man Blues In Christ There Is No East or West John Henry Poor Boy Long Ways from Home Some Summer Day Steamboat Gwine Round De Bend Tell Her to Come Back Home When the Springtime Comes Again and more Includes a biography and discography **Christian Rite and Christian Drama in the Middle Ages** O. B. Hardison Jr.,2019-12-01 Originally published in 1965 The European dramatic tradition rests on a group of religious dramas that appeared between the tenth and twelfth centuries These dramas of interest in themselves are also important for the light they shed on three historical and critical problems the relation of drama to ritual the nature of dramatic form and the development of representational techniques Hardison s approach is based on the history of the Christian liturgy on critical theories concerning the kinship of ritual and drama and on close analysis of the chronology and content of the texts themselves Beginning with liturgical commentaries of the ninth century Hardison shows that writers of the period consciously interpreted the Mass and cycle of the church year in dramatic terms By reconstructing the services themselves he shows that they had an emphatic dramatic structure that reached its climax with the celebration of the Resurrection Turning to the history of the Latin Resurrection play Hardison suggests that the famous Quem quaeritis the earliest of all medieval dramas is best understood in relation to the baptismal rites of the Easter Vigil service He sets forth a theory of the original form and function of the play based on the content of the earliest manuscripts as well as on vestigial ceremonial elements that survive in the later ones Three texts from the eleventh and twelfth centuries are analyzed with emphasis on the change from ritual to representational modes Hardison discusses why the form inherited from ritual remained unchanged while the technique became increasingly representational In studying the earliest vernacular dramas

Hardison examines the use of nonritual materials as sources of dramatic form the influence of representational concepts of space and time on staging and the development of nonceremonial techniques for composition of dialogue The sudden appearance of these elements in vernacular drama suggests the existence of a hitherto unsuspected vernacular tradition considerably older than the earliest surviving vernacular plays

Smithson's Gamble Tom D. Crouch, 2025-04-29 Discover the incredible history of the Smithsonian as it grew to meet the needs of a nation Follow the fascinating growth and development of the world's largest museum and research complex during its first 60 years The English chemist and mineralogist James Smithson never visited the United States yet he bequeathed his estate to the country to establish the Smithsonian Institution The rest is history told in rich detail in *Smithson's Gamble* This book reveals how as it defined a role rooted in curiosity and exploration the Smithsonian helped to shape the nation's developing identity The Smithsonian evolved from a small narrowly focused organization into an institution leading the way in fields from astrophysics to zoology Smithsonian researchers and the hundreds of citizen scientists who they recruited created a collection that documented the natural and human history of a continent The American conservation movement and a national weather service are rooted at the Smithsonian *Smithson's Gamble* is filled with fascinating characters twists and turns and moments of triumph and tragedy complete with political machinations a bit of backstabbing accusations of murder and the occasional scandal Tom D Crouch a Smithsonian veteran of almost 45 years paints a robust picture of a unique American establishment and its lasting legacies He chronicles the trials and errors of an increasingly complex institution and all the incredible joys and innovations resulting from Smithson's gamble
