Kenji Kosaka

Shinohata A Portrait Of A Japanese Villa:

Shinohata R. P. Dore, 1994-04-18 The spectacular changes that have occurred since World War II occupation and the achievement of industrial parity is meshed with revealing portraits of how the hamlet is structured how it works and what it means to live in this most elemental and formative of all Japanese social entities **Shinohata, a Portrait of a Japanese Village** Ronald Dore, 1980 Examines the effects of post World War II land reform on a Japanese village radically transformed from a backwater settlement steeped in traditional values and relationships into a homogenized middle class community

Japanese And American Agriculture Luther Tweeten, 2019-03-13 This project had origins in 1987 in communication between Yutaka Yoshioka Chairman Japan International Agricultural Council and Kenneth Farrell Vice President for Agriculture and Natural Resources the University of California Berkeley Projects were proposed in long term food and consumption trends and a comparative analysis of farm structure in the United States and Japan letter from Farrell to Yoshioka April 20 1987 Proposals and counterproposals were sent back and forth but the project accelerated after Professor Wen Chern of The Ohio State University learned of the project from Professor Naraomi Imamura of the University of Tokyo on a visit to Tokyo in September 1989 Because of pressing administrative responsibilities precluding an active role in the project Kenneth Farrell recommended to Professor Imamura that the project be carried out with Professor Chern and associates *Village Republics* Robert Wade, 1989 Japanese Frames of Mind Hidetada Shimizu, Robert A. LeVine, 2001 Japanese Frames of Mind addresses two main questions in light of a collection of research conducted by both Japanese and American researchers at Harvard University What challenge does Japanese psychology offer to Western psychology Will the presumed universals of human nature discovered by Western psychology be reduced to a set of local psychology among many in a world of unpredicted variations The chapters provide a wealth of new data and perspectives related to aspects of Japanese child development moral reasoning and narratives schooling and family socialization and adolescent experiences By placing the Japanese evidence within the context of Western psychological theory and research the book calls for a systematic reexamination of Western psychology as one psychology among many other ethnopsychologies Written in mostly non technical language this book will appeal to developmental and cultural psychologists anthropologists interested in psychological anthropology educators and anyone interested in Japanese and Asian studies Eastern Phoenix Mikiso Hane, 2018-02-05 It has been fifty years since Japan admitted defeat and accepted the terms of the Potsdam Declaration following World War II At the time Japan was in shambles its imperial dream shattered and its people reduced to scrounging for sufficient food to stay alive Yet over the past half century Japan has remade itself and emerged as one of the leading economic powers in the world How did Japan achieve this success and what has this remarkable rebirth meant for the Japanese people In Eastern Phoenix Mikiso Hane closely examines historical factors that have contributed to Japan's postwar development politically economically socially and culturally Beginning with the occupation by U S forces under Gen Douglas

MacArthur Hane shows how American reforms and initiatives combined with the political actions of subsequent Japanese leaders to create a country able to forge ahead economically while retaining many traditional aspects of prewar Japanese society. In addition to presenting a narrative overview of important events since 1945, *Eastern Phoenix* provides insight into the evolution of Japan's foreign relations, internal effects of prosperity on Japanese society, and problems that remain despite extraordinary progress. The book critically examines such media hot topics as education, environmental degradation, organized crime, racial and class discrimination, the Japanese work ethic, and the role of women in society. To provide useful context for student readers, Hane frequently punctuates his discussion by contrasting Japanese statistics with those of the United States. The book also excels in examining how artists and writers have grappled with Japan's rapidly evolving contemporary history, and Hane points the reader toward books and films that can shed additional light on Japanese perceptions of the past fifty years.

[Agricultural Growth and Japanese Economic Development](#) Michael Smitka, 1998. This volume traces the modern critical and performance history of this play, one of Shakespeare's most loved and most performed comedies. The essay focuses on such modern concerns as feminism, deconstruction, textual theory, and queer theory.

[Family Law Reform in Postwar Japan](#) Joy Larsen Paulson, 2010-08-24. How does a nation defeated in war respond to externally imposed reforms that set that nation's family system upside down, completely eliminating the family's modus operandi? At least that is what the elimination of family kinship and single inheritance in reforms by the Supreme Command for the Allied Powers (SCAP) in the 1948 Civil Code was meant to do. How did the Japanese respond to these reforms in Family Law that many believed would result in the destruction of the family? This study looks at succession and adoption in the years following the reform to understand how the Japanese were able to circumvent the Code and shape the family to meet their evolving needs.

Ageing with Smartphones in Japan Laura Haapio-Kirk, 2024-08-29. Older adults in Japan, one of the most ageing countries in the world, are starting to adopt the smartphone. What does this mean for friendship, gendered labour, multigenerational living, internal migration, health, and indeed purpose in life (ikigai)? Based on 16 months of ethnographic research in urban Kyoto and in rural Kachi Prefecture, *Ageing with Smartphones in Japan* follows people as they navigate social and personal shifts post-retirement. Examining how older women and men negotiate oppressive structures within society, the smartphone emerges as both challenging and perpetuating gender-based norms around care. In witnessing the response of older adults to the wider context of societal ageing and the various forms of precarity that it can engender, this book observes how people creatively navigate the challenges and opportunities of later life to define their own experience of ageing. The rise of digital visual communication among people in their 50s and older opens new possibilities for sociality and proximity among friends and family. It also presents a methodological challenge for researchers. This book responds with a series of graphic methodological experimentations, including co-created comics, participant drawings, and the author's own fieldwork sketches and imaginative illustrations to explore this fundamental shift in communication towards digital images.

Praise for Ageing with Smartphones in Japan An excellent and thoughtful book on ageing in Japan focusing on the use of smartphones but not limited to it The truly innovative use of graphic and multimodal ethnography is not only effective but also showcases such methods for others Iza Kaved ija University of Cambridge Highly original extensively researched and thought provoking Haapio Kirk rewards the reader with lively story telling and beautifully crafted images that invite another level of sensory and emotional engagement an impressive achievement Jason Danely Oxford Brookes University

Identity and Ritual in a Japanese Diving Village D. P. Martinez,2004-04-30 Through her detailed description of a particular place Kuzaki cho at a particular moment in time the 1980s D P Martinez addresses a variety of issues currently at the fore in the anthropology of Japan the construction of identity both for a place and its people the importance of ritual in a country that describes itself as nonreligious and the relationship between men and women in a society where gender divisions are still very much in place Kuzaki is for the anthropologist both a microcosm of modernity and an attempt to bring the past into the present But it must also be understood as a place all of its own In the 1980s it was one of the few villages where female divers ama still collected abalone and other shellfish and where some of its inhabitants continued to make a living as fishermen Kuzaki was also a kambe or sacred guild of Ise Shrine the most important Shinto shrine in modern Japan home to Amaterasu the sun goddess Kuzaki s rituals affirmed a national identity in an era when attitudes to modernity and Japaneseness were being challenged by globalization Martinez enhances her fascinating ethnographic description of a single diving village with a critique of the way in which the anthropology of Japan has developed The result is a sophisticated investigation by a senior scholar of Japanese studies that while firmly grounded in empirical data calls on anthropological theory to construct another means of understanding Japan both as a society in which the collective is important and as a place where individual ambitions and desires can be expressed

The SAGE Handbook of Modern Japanese Studies James D Babb,2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

Akira Kurosawa and Modern Japan David A. Conrad,2022-05-06 The samurai films of legendary Japanese director Akira Kurosawa are set in the past but they tell us much about the present as do his crime stories romances military films medical dramas and art films His movies

are beloved for their timeless protagonists and haunting vistas of old Japan but we haven't yet fully grasped everything they can teach us about modern Japan Kurosawa's films evolved as Japan redefined and reinvented itself from movies made for the wartime regime to those made amid the trials of American occupation From the lavish epics of the economic miracle years to searching masterpieces made with international assistance in a globalizing world Kurosawa's movies responded to changing times This detailed study of all 30 of Kurosawa's films analyzes the links between the thrilling narratives onscreen and the equally remarkable events that occurred in Japan over his long productive career This book explores how Kurosawa's classics depict the political economic cultural sexual and environmental upheavals of a nation at the center of a turbulent century both directly and through period piece mythmaking

Social Stratification in Contemporary Japan Kenji Kosaka, 2013-09-05 First Published in 1994 The focus of this study is class and stratification in Japan There are a few papers on social stratification in Japan that are written in English and make use of the SSM research The present study uses the latest SSM data These were collected in 1985 and are themselves becoming out of date given that Japanese society has been experiencing rapid and radical change though they remain among the most recent available The authors are sociologists this book is intended for a general readership

Health Care in Japan Margaret Powell, Masahira Anesaki, 2010-10-18 The Bureau of East Asian and Pacific Affairs of the U S Department of State presents the full text of the fact sheet entitled Health Care in Japan published June 26 2000 Japan has the longest life expectancy with 77 years for men and 84 for women and the lowest infant mortality rates in the world Health care costs remain low in Japan Japan focuses on preventive care which has helped in containing costs To address concerns of the aging of Japan's population a public nursing care insurance system went into effect in April 2000

Family History at the Crossroads Tamara K. Hareven, Andrejs Plakans, 2017-03-14 This collection of essays covers most of the important topics in the field of family history assesses the state of the art and stresses the themes that will continue to generate interest in the future Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

An Anthropological lifetime in Japan Joy Hendry, 2016-12-05 Joy Hendry's collection demonstrates the value of an anthropological approach to understanding a particular society by taking the reader through her own discovery of the field explaining her practice of it in Oxford and Japan and then offering a selection of the results and findings she obtained Her work starts with a study of marriage made in a small rural community continues with education and the rearing of children and later turns to consider polite language especially amongst women This lead into a study of wrapping and cultural display for example of gardens and theme parks which became a comparative venture putting Japan in a global context Finally the

book sums up change through the period of Hendry's research *RLE: Japan Mini-Set E: Sociology and Anthropology* Various, 2021-07-14 Mini set E Sociology Anthropology re issues 10 volumes originally published between 1931 and 1995 and covers topics such as Japanese whaling marriage in Japan and the Japanese health care system For institutional purchases for e book sets please contact online sales tandf.co.uk customers in the UK Europe and Rest of World Multiethnic Japan John Lie, 2009-07 Multiethnic Japan challenges the received view of Japanese society as ethnically homogeneous Employing a wide array of arguments and evidence historical and comparative interviews and observations high literature and popular culture John Lie recasts modern Japan as a thoroughly multiethnic society Land Reform in Japan Ronald Dore, 2013-12-17 The land reform carried out in Japan during the period of American Occupation is often spoken of as one of the most successful of the post war reforms It was certainly one of the most thorough going redistributions of land which the world has seen A third of the total area of arable land changed hands and nearly a third of the total population of the country was affected Socially the land reform accelerated the decay in feudal institutions rendering the lot of the Japanese farmer considerably better than it once was First published in 1984 this title is part of the Bloomsbury Academic Collections series The Rousing Drum Scott Schnell, 1999-06-01 Ritual is too often equated with unvarying or repetitive behavior This impression is encouraged by the ethnographic tendency toward an overly narrow time frame which highlights current relationships and conditions rather than long term developments The Rousing Drum takes a different view It adopts a historical perspective encompassing several hundred years in exploring the role of ritual as an effective medium for negotiating sociopolitical and economic change The setting is Furukawa a town located in Japan's mountainous interior Every spring the local Shinto shrine festival provides an opportunity for enacting social relationships and attitudes By day a portable shrine containing the spirit of the guardian deity is escorted through town in a stately procession At night however a different scenario unfolds A barrel shaped drum is borne through the nighttime streets on a massive grid like platform Prominent members of the community are obliged to ride upon the platform while teams of young adults rush out and attack it as it passes through their respective neighborhoods The action can become quite unruly and random fights and injuries are accepted as inevitable correlates In analyzing the festival over time Schnell reveals a dramatic transformation The drum ritual which originated as a minor preliminary to the other events emerged during the late 1800s as an occasion for airing hostilities and settling scores As Japan's modernization progressed the ritual performance came to embody a symbolic challenge to institutionalized authority and occasionally escalated into politically motivated violence While the religious ceremonies observed during the day were appropriated by local power holders the nighttime drum ritual represented a folk response to the officially sanctioned liturgy The festival as a whole thus represented the clash of competing ideologies within the context of a single public forum Today's ritual rather tame by comparison is being transformed into a tourist attraction aligned with the town's economic development objectives Schnell's careful examination of the ethnohistorical data offers a valuable new perspective on

Japanese festivals as well as the events and conditions that influence their development His innovative look at ritual behavior over time persuades us that we can grasp the underlying significance of such activities only if we consider them within the context of larger historical patterns

Shinohata A Portrait Of A Japanese Villa Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Shinohata A Portrait Of A Japanese Villa free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Shinohata A Portrait Of A Japanese Villa free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Shinohata A Portrait Of A Japanese Villa free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Shinohata A

Portrait Of A Japanese Villa. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Shinohata A Portrait Of A Japanese Villa any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Shinohata A Portrait Of A Japanese Villa Books

1. Where can I buy Shinohata A Portrait Of A Japanese Villa books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
