

# **SHIP STRIKE PACIFIC**

An aerial photograph capturing the aftermath of a ship strike. A large, dark, irregular mass of debris and smoke rises from the water's surface. To the right, a large, white, cylindrical object, possibly a ship's hull or a large buoy, is partially submerged and tilted. The water around the impact is dark and turbulent. The sky is a pale, hazy blue.

Ship Strike Pacific John R. Bruning, *Ship Strike Pacific* John R. Bruning, 2005 Dramatic aerial photography of embattled ships in World War II's Pacific theater During World War II one of the most vital dangerous and deadly operations in the war with Japan was the U S aerial campaign on Japanese ships Courageous U S Navy Army Air Corps and Marine crews struck at Japanese ships in an attempt to deplete supplies and sink firepower All too often the men who risked their lives lost them on these missions in unfriendly skies This breakthrough book contains many stunning photos that have never before been published There are numerous superb high resolution photos of aircraft vs ship combat and the aftermath of illegible battles This is an important aspect of the war that has been largely ignored but this book covers it in dramatic fashion that is sure to fascinate aviation and military history readers **Jordan Cove Energy and Pacific Connector Gas Pipeline Project**, 2009 **USCG Pacific Operations, Districts 11 and 13**, 2010 **Pacific War Reversal: 7 December 1941-January 1943** Colonel Roy M. labour force and where unions have a rich history of reaching across their differences to forge connections in solidarity From the militant young Australian Harry Bridges whose progressive unionism transformed the San Francisco waterfront to Australia s successful implementation of the Maritime Labour Convention 2006 this is a story of vision and leadership on the international stage Unionists who saw themselves as internationalists were also operating within a national and imperial framework where conflicting interests and differences of race and ideology had to be overcome Union activists in India China and Japan struggled against indentured labour and coolie standards They linked with their fellow unionists in pursuing an ideal of international labour rights against the power of shipowners and anti union governments This is a complex story of endurance cooperation and conflict and its empowering legacy **The Mid-Pacific Magazine ...** Alexander Hume
