**Ships that Pass in the Night. Copyright Ed** Beatrice Harraden,1894 *Ships That Pass in the Night* Beatrice Harraden,2019-05-05 1894 Arguably one of the best known Suffragette writers Beatrice Harraden was a popular novelist who was heavily involved in the Suffragette tax resistance campaign Her best selling sentimental romance *Ships that Pass in the Night* tells of a doomed love affair between two patients in a tuberculosis sanitarium This story caught the public's imagination and the title became a byword for a fleeting or doomed love affair The title was inspired by lines in Longfellow's *Tales of a Wayside Inn* Third Evening Theologian's Second Tale Elizabeth Fourth Part Beatrice Harraden 1864 1936 was a British writer and suffragette Life Born in Hampstead London on 24 January 1864 to parents Samuel Harraden and Rosalie Lindstedt Harraden Beatrice Harraden grew up to become an influential feminist writer and suffragette She studied at Cheltenham Ladies College in Gloucestershire as well as at Queen's College and Bedford College in London In 1883 she received her BA degree as well as an honors degree in Classics and Mathematics which would have been a noteworthy feat for a woman in this era Harraden was both a leader of the suffragette movement and a founding member of the Women's Social and Political Union WSPU as well as an integral member of the Women Writers Suffrage League and Women's Tax

Resistance League Unlike the WSPU who only welcomed women as members the Women Writers Suffrage League welcomed men women and members from diverse political parties The only dictate for membership to the Writer s League other than having been paid for a literary work was support of the suffragette cause These writers were agitators demanding access to the male dominated civic and social institutions but they used their pens to influence society s social scene and the theatre Harraden therefore turned to this group as the WSPU became increasingly militant and exclusive She published her work in the suffragette paper Votes for Women and traveled extensively in Europe and the United States due to her involvement in the women s movement She also involved herself as a reader for the Oxford English Dictionary and this too is reflected in her fiction The Scholar s Daughter 1906 is set among lexicographers Harraden spent several summer holidays lodging at The Green Dragon inn at Little Stretton Shropshire walking and writing Her memories of this and the landlady a Mrs Benbow led to her writing a short story At the Green Dragon published in 1894 1 Her early works include Little Rosebud Or Things Will Take a Turn 1891 as well as Ships That Pass in the Night 1893 a best seller which sold over one million copies The love story set in a tuberculosis sanatorium follows protagonist Bernadine an independent teacher writer and activist who falls in love with Robert a notorious womanizer according to other patients After recovering and leaving the sanatorium Robert follows Bernadine to England where the two are to get married The popular novel ends rather tragically with Bernadine dying suddenly in a traffic accident Though Harraden continued her career as a writer she failed to achieve similar success with subsequent books which included novels short stories and books for children In 1930 she received a civil list pension for her literary work She died at Barton on Sea on Monday 5 May 1936

#### **Cantonese Particles and Affixal Quantification**

Peppina Po-lun Lee,2012-06-21 Cantonese the lingua franca of Hong Kong and its neighboring province has an unusually rich repertoire of verbal particles This volume significantly augments the academic literature on their semantics focusing on three affixal quantifiers saai hoi and maa The author shows how these verbal suffixes display a unique interplay of syntax and semantics used in a sentence with no focus they quantify items flexibly according to an accessibility hierarchy with focus focus comes into effect after syntactic selection This fresh and compelling perspective in the study of particles and quantification is the first in depth analysis of Cantonese verbal suffixes It compares the language s affixal quantification to the alternative determiner and adverbial quantifiers The book s syntax semantics mapping geography deploys both descriptive and theoretical approaches making it an essential resource for researchers studying the nexus of syntax and semantics as well as Cantonese itself

**The Asiatick Miscellany Consisting of Original Productions, Translations, Fugitive Pieces, Imitations and Extracts from Curious Publications** ,1785      Ships that Pass Shashi Deshpande,2012 Ships That Pass tells the story of Tara and

Shaan near strangers to each other after fourteen years of being married and Tara s sister Radhika recently engaged almost on a whim to someone she barely knows Even as Radhika tries to understand how a once ideal marriage has come undone and struggles with her own feelings for an older man tragedy strikes Tara dies in mysterious circumstances and Shaan is arrested for murder      Ships That Pass in the Night ,2015      **Ships That Pass In The Night** T Wilkinson Stephenson,

Ship Busters! Ralph Barker,2012-11-15 A vividly told history of torpedo attacks from the air in the Second World War by a member of the Royal Air Force The Sunday Times Low level strikes against enemy shipping by torpedo carrying aircraft were perhaps the most dangerous forms of air attack developed during WWII and few isolated actions had such a direct impact on naval and military actions This book tells the story of the RAF men involved from the early attacks by single Beauforts off the Dutch and Norwegian coasts to the massed assaults of later years by the famous strike wings The author who joined the RAF in 1940 as a wireless operator air gunner and served in the UK the Middle East and West Africa and whose career on torpedo work ended in a crash in which his pilot and navigator were killed includes many historic actions the lone moonlight attack by a twenty two year old flight sergeant on the pocket battleship L tzow the torpedoing of the Gneisena in Brest harbor the Channel Dash of the Scharnhorst Gneisena and Prinz Eugen and the heroic Swordfish attacks and the vital strikes from Malta in 1942 against the Italian fleet and the supply shipping of the Afrika Korps The result is a fascinating book vivid in its true picture of aircrew life stirring in its descriptions of heroic actions intensely moving in its record of human endeavor      **Congressional Record** United States. Congress,1912 The Congressional Record is the

official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **Ships That Pass in the Night (Dodo Press)** Beatrice Harraden,2007-05-01 Popular novel first published in 1894 by the author of Out of the Wreck I Rise
