Shipwreck Of Their Hopes The Battles For Chattanooga:

The Shipwreck of Their Hopes Peter Cozzens, 1994 Civil War enthusiasts will welcome this concluding volume of Peter Cozzens's highly praised trilogy on the Civil War in the West **The Shipwreck of Their Hopes** Peter Cozzens, 1996-11 Civil War enthusiasts will welcome a new book by Peter Cozzens author of two highly praised works on Civil War campaigns *No Better Place to Die The Battle of Stones River* and *This Terrible Sound The Battle of Chickamauga* In *The Shipwreck of Their Hopes* Cozzens fully chronicles one of the South's most humiliating defeats Copyright Libri GmbH All rights reserved

Decisions at Chattanooga Lawrence K. Peterson, 2024-01-12 Following the defeat of Maj Gen William S. Rosecrans's Army of the Cumberland at the Battle of Chickamauga Gen Braxton Bragg and the Army of Tennessee retreated to Chattanooga and surrounded Rosecrans and his men by occupying Lookout Mountain and Missionary Ridge The Battle of Chattanooga would prove the final defeat of the Confederacy in East Tennessee and open the door for Sherman's Atlanta Campaign *Decisions at Chattanooga* introduces readers to critical decisions made by Confederate and Union commanders Larry Peterson examines the decisions that shaped the way both campaign and battle unfolded Rather than offering a history of the Battle of Chattanooga Peterson focuses on the critical decisions presenting the reader with a coherent and manageable blueprint of the battle's development Exploring and studying the critical decisions allows the reader to progress from an understanding of what happened to why events happened as they did Complete with maps and a guided tour *Decisions at Chattanooga* is an indispensable primer and readers looking for a digestible introduction to the Battle of Chattanooga can tour this sacred ground or read about it at their leisure with key insights into the campaign and a deeper understanding of the Civil War itself *Decisions at Chattanooga* is the fourth in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War **Radical Warrior** David Dixon, 2023-08-18 An estimated 200,000 men of German birth enlisted in the Union Army during the Civil War far more than any other contemporary foreign born population One of these Prussian Army officers Johann August Ernst von Willich led a remarkable life of integrity commitment to a cause and interaction with leading lights of the nineteenth century After resigning from the Prussian Army due to his republican beliefs Willich led armed insurrections during the revolutions of 1848-49 with Friedrich Engels as his aide de camp Ever committed to the goal of universal human rights he once dueled a disciple of Karl Marx whom he thought too conservative Willich emigrated to the United States in 1853 eventually making his way to Cincinnati where he served as editor of the daily labor newspaper the Cincinnati Republican With exhaustive research in both English and German language sources author David T. Dixon chronicles the life of this ingenious military leader a man who could also be stubborn impulsive and even foolhardy risking his life unnecessarily in the face of overwhelming odds As soon as shots were fired at Fort Sumter fifty-year-old Willich helped raise a regiment to fight for the Union Though he had been a lieutenant in Europe he enlisted as a private He later commanded an all-German regiment rose to the rank of brigadier general and was later brevetted major general Dixon's

vivid narrative places the Civil War in a global context For Willich and other so called Forty Eighters who emigrated after the European revolutions the nature and implications of the conflict turned not on Lincoln s conservative goal of maintaining the national Union but on issues of social justice including slavery free labor and popular self government It was a war not simply to heal sectional divides but to restore the soul of the nation and in Willich s own words defend the rights of man **The Scourge of War** Brian Holden Reid,2020 Formative years 1822 1861 Working his way March 1861 March 1864 Command of the military division of the Mississippi Things will never be the same again the reckoning **The Fate of the Generals** Jonathan Horn,2025-04-15 One of the very best World War II books in many years A great read General David Petraeus US Army Ret former Director of the CIA Fans of Unbroken will love this book Doug Stanton In the tradition of Ghost Soldiers a riveting The Wall Street Journal World War II story of bravery survival and sacrifice the vow Douglas MacArthur made to return to the Philippines and the oath his fellow general Jonathan Mayhew Wainwright made to stay with his men there whatever the cost For the doomed stand American forces made in the Philippines at the start of World War II two generals received their country s highest military award the Medal of Honor One was the charismatic and controversial Douglas MacArthur whose orders forced him to leave his soldiers on the islands to starvation and surrender but whose vow to return echoed around the globe The other was the gritty Jonathan Mayhew Wainwright who became a hero to the troops whose fate he insisted on sharing even when it meant becoming the highest ranking American prisoner of the Japanese In The Fate of the Generals bestselling author Jonathan Horn brings together the story of two men who received the same medal but found honor on very different paths MacArthur s journey would require a daring escape with his wife and young child to Australia and then years of fighting over thousands of miles to make it back to the Philippines where he would fulfill his famous vow only to see the city he called home burn Wainwright s journey would take him from the Philippines to Taiwan and Manchuria as his captors tortured him in prisons and left him to wonder whether his countrymen would ever understand the choice he had made to surrender for the sake of his men A story of war made personal based on meticulous research into diaries and letters including boxes of previously unexplored papers The Fate of the Generals is a vivid account that raises timely questions about how we define honor and how we choose our heroes and is destined to become a classic of World War II history **Leaders of the American Civil War** Charles F. Ritter,Jon L. Wakelyn,2014-01-27 Provides an overview of the careers of the great military leaders and the critical political leaders of the American Civil War Entries consider the leader s character and pre war experience their contributions to the war effort and the war s impact on the rest of their lives An assessment of their historical treatment puts their long term reputations on the line and results in a thorough revision of some leaders a call for further study of others and a reaffirmation of the accomplishments of the greatest leaders *America's Unending Civil War* William Nester,2024-03-31 Explores the Civil War s related and enduring conflicts of ideas and principles through four centuries of a nation s history The Civil War fascinates Americans like no other war in their

history Many Americans are still fighting some of the war s issues in an Odyssey that stretches back to the first settlement and will persist until the end of time The war itself was an Iliad of brilliant generals like Grant Sherman and Sheridan for the Union or Lee Jackson and Forrest for the Confederacy epic battles like Gettysburg and Chickamauga epic sieges like Vicksburg and Petersburg and epic naval combats such as Monitor versus Merrimack or Kearsarge versus Alabama It was America s most horrific war with more dead than all others combined Around 625 000 soldiers and 125 000 civilians died from various causes bringing the total to 750 000 people Of 31 million Americans 2 1 million northerners and 880 000 southerners donned uniforms Why did eleven states eventually ban together to rebel against the United States President Jefferson Davis began an answer when he said If the Confederacy falls there should be written on its tombstone Died of a Theory That theory justified the enslavement of blacks by whites as a natural right and duty of a superior race over an inferior race a theory it was believed that morally and economically elevated both races Although slavery was the Civil War s core cause there were related chronic conflicts over the nature of government citizenship liberty property equality wealth race identity justice crime voting power and history some of which issues have never entirely gone away America s Unending Civil War is unique among thousands of books on the subject None before has explored the Civil War s related and enduring conflicts of ideas and principles through four centuries of a nation s history Brothers in Gray Thomas W. Cutrer,T. Michael Parrish,2004-10-01 Residents of antebellum northwest Louisiana held strong pro Union sentiments and the Pierson family of Bienville Parish Louisiana were no exception opposing secession in 1861 Yet once war began the region contributed its full share of support to the southern army and four of William H Pierson s eight sons enlisted Ranging from the early battles of the Trans Mississippi to the epic battles of the Army of Northern Virginia and from the brutal trenches of Vicksburg to provost guard duty in north Louisiana this extensive collection of Civil War letters written by three of the Pierson brothers offers riveting glimpses of almost every variety of experience faced by Confederate soldiers Prolific letter writers the Piersons were educated observant and well placed to comment not only on the battles and campaigns of their regiments but also on their commanding officers the effect of political activity on soldier morale being taken captive and most of all their entire family s understanding of and commitment to the Confederate cause *A Journal of the American Civil War: V4-4* Theodore P. Savas,David A. Woodbury,2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes Death of General Cobb Irish Brigade on Mayre s Heights Assault of the PA Reserves 20th Massachusetts and the street fight Stonewall Jackson s artillery **American Civil War** Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history

Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative: states rights versus federalism, freedom versus slavery, the role of the military establishment, the extent of presidential powers, and individual rights versus collective rights. Many of these dilemmas continue to shape modern society and politics. This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field. The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes, important figures, both civilian and military, weapons, government relations with Native Americans, and a plethora of social, political, cultural, military, and economic developments. The entries also address the many events that led to the conflict, the international diplomacy of the war, the rise of the Republican Party, and the growing crisis and stalemate in American politics, slavery, and its impact on the nation as a whole, the secession crisis, the emergence of the total war concept, and the complex challenges of the aftermath of the conflict.

Soldier of Tennessee: General Alexander P. Stewart and the Civil War in the West, Yankee Warhorse Mary Bobbitt Townsend, 2010-03-24. A German-born Union officer in the American Civil War, Maj. Gen. Peter Osterhaus served from the first clash in the western theater until the final surrender of the war. Osterhaus made a name for himself within the army as an energetic and resourceful commander who led his men from the front. He was one of the last surviving Union major general and military governor of Mississippi in the early days of Reconstruction. This first full-length study of the officer documents how, despite his meteoric military career, his accomplishments were underreported even in his own day and often misrepresented in the historical record. Mary Bobbitt Townsend corrects previous errors about his life and offers new insights into his contributions to major turning points in the war at Vicksburg, Chattanooga, and Atlanta, as well as other battles. Townsend draws on battle reports not found in the Official Records, on personal papers, and on other nonpublished material to examine Osterhaus's part in the major battles in the West as well as in minor engagements. She tells how he came into his own in the Vicksburg campaign and proved himself through skill with artillery expertise, intelligence gathering, and taking the lead in hostile territory, blazing the trail down the west side of the river for the entire Union army, and then covering Grant's back for a month during the siege. At Chattanooga, Osterhaus helped Joe Hooker strategize the rout at Lookout Mountain. At Atlanta, he led the Fifteenth Corps, the largest of the four corps making Sherman's March to the Sea. Townsend also documents his contributions in the battles of Wilson's Creek, Pea Ridge, Arkansas Post, Port Gibson, Ringgold Gap, and Resaca, and shows that he played a crucial role in Canby's Mobile Bay operations at the end of the war. In addition to reporting Osterhaus's wartime experiences, Townsend describes his experiences as a leader in the 1848-1849 Rebellion in his native Germany, his frustration during his term as Mississippi's governor, and his stint as U.S. consul to France during the Franco-Prussian War. Osterhaus stood out from other volunteer officers in his understanding of tactics and logistics, even though his careful field preparation led to criticism by historians that he was unduly cautious in battle. Yankee Warhorse sets the record straight on this important Civil War general as it opens a new window on the war in the West. **The**

Quartermaster Robert O'Harrow, 2016-10-25 Born to a well to do connected family in 1816 Montgomery C Meigs graduated from West Point as an engineer He helped build America's forts and served under Lt Robert E Lee to make navigation improvements on the Mississippi River As a young man he designed the Washington aqueducts in a city where people were dying from contaminated water He built the spectacular wings and the massive dome of the brand new US Capitol Introduced to President Lincoln by Secretary of State William Seward Meigs became Lincoln's Quartermaster It was during the Civil War that Meigs became a national hero He commanded Ulysses S Grant's base of supplies that made Union victories including Gettysburg possible He sustained Sherman's army in Georgia and the March to the Sea After the war Meigs built Arlington Cemetery on land that had been Robert E Lee's home The author brings Meigs alive in this book We get to know this major military figure that Lincoln and his Cabinet and Generals called the key to victory and learn how he fed clothed and armed the Union Army using his ingenuity and devotion Amazon.com [The 24th Wisconsin Infantry in the Civil War](#)

William J. K. Beaudot, 2003 Winner of Milwaukee County Historical Society's coveted Gambrinus Prize for the best book length contribution to Milwaukee historiography in 2003 Profiles the courageous 24th Wisconsin Infantry and features the personal stories of members of the 24th including Arthur MacArthur the father of Gen Douglas MacArthur Utilizes hundreds of primary sources letters diaries and contemporary newspaper articles Formed in the summer of 1862 the 24th Wisconsin Infantry participated in many major battles of the Western theater earning a reputation as a brave hard fighting unit Unlike other unit histories this book makes no attempt as the author freely admits to provide an objective history of the regiment Rather the book digs deeper following the personal stories of the soldiers themselves providing hundreds of individual vignettes that taken together paint a vivid picture of the life of a Union soldier *The Personal Memoirs of Ulysses S. Grant*

Ulysses S. Grant, 2017-10-16 This is the first complete annotated edition of Grant's memoirs fully representing the great military leader's thoughts on his life and times through the end of the Civil War including the antebellum era and the Mexican War and his invaluable perspective on battlefield decision making An introduction contextualizes Grant's life and significance [Unholy Rebellion: The Civil War Diary of Charles Adam Wetherbee](#)

D. W. Carter, 2017-01-06 I left three years ago to do my part in putting down this unholy rebellion By 1861 Charles Adam Wetherbee had officially traded his comfortable life as a college student for one that included drafty Sibley tents long marches in weather and wilderness of all kinds and bloodshed A Union infantryman with the Thirty Fourth Illinois Volunteer Regiment he survived the battles of Shiloh Stones River Liberty Gap Atlanta and others One hundred years later long after Wetherbee had died a tattered and faded diary was found at a home in Lawrence Kansas The homeowner opened its pages and was astonished to discover that Wetherbee had penned every detail of his daily life during the Civil War Wetherbee's diary presents a realistic view of what a soldier's life entailed as the reader is thrust into the firsthand drama of the Civil War as it was endured by enlisted participants Get a true sense of what the Civil War was like from someone who was there to witness an Unholy Rebellion

International Encyclopedia of Military History James C. Bradford, 2004-12-01 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history

The History of the Civil War Charles River Editors, 2025-05-02 Americans have long been fascinated by the Civil War marveling at the size of the battles the leadership of the generals and the courage of the soldiers Since the war s start over 150 years ago the battles have been subjected to endless debate among historians and the generals themselves The Civil War was the deadliest conflict in American history and had the two sides realized it would take 4 years and inflict over a million casualties it might not have been fought Since it did however historians and history buffs alike have been studying and analyzing the biggest battles ever since The secession of the South was one of the seminal events in American history but it also remains one of the most controversial The election of Abraham Lincoln was the impetus for secession but that was merely one of many events that led up to the formation of the Confederacy and the start of the Civil War On December 20 a little more than a month after Lincoln had been elected the 16th president a convention met in Charleston and passed the first ordinance of secession by one of the United States declaring We the people of the State of South Carolina in convention assembled do declare and ordain that the Union now subsisting between South Carolina and other States under the name of the United States of America is hereby dissolved In January 1861 Mississippi Florida Alabama Georgia Louisiana and Kansas followed South Carolina s lead and the Confederate States of America was formed on February 4 in Montgomery Alabama with former Secretary of War Jefferson Davis inaugurated as its President A few weeks later Texas joined The Confederacy s hope of being let go in peace ended at 4 30 a m on the morning of April 12 1861 when Confederate Brigadier General P G T Beauregard ordered the first shots to be fired at the federal garrison defending Fort Sumter in the Charleston Harbor effectively igniting the Civil War For nearly 36 hours Beauregard s Confederates unleashed a general bombardment from 43 guns and mortars positioned at various points across the Harbor Unable to effectively reply or defend themselves Major Robert Anderson raised the white flag early in the afternoon of April 13 bringing the first battle of the Civil War to a close No casualties were suffered on either side during the dueling bombardments across Charleston Harbor but ironically two U S Army soldiers were killed by an accidental explosion during the surrender ceremonies After Fort Sumter the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol of Richmond Lincoln pressed Irvin McDowell to push forward Despite the fact that McDowell knew his troops were inexperienced and unready pressure from the Washington politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia

Grant and Lee Edward H. Bonekemper

III, 2007-12-30 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the commanding general skills of Ulysses S Grant and Robert E Lee Unlike most analyses Bonekemper clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee s excessive casualties in Virginia the consequent drain of Confederate resources from Grant s battlefronts and Lee s refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes demonstrating that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee s own priorities constantly undermined the Confederacy s chances of winning the war Building on the detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two generals That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 clean cut and lucid battle maps as well as a comprehensive set of appendices that describes the casualties incurred by each army battle by battle

Yeah, reviewing a book **Shipwreck Of Their Hopes The Battles For Chattanooga** could mount up your near associates listings. This is just one of the solutions for you to be successful. As understood, execution does not recommend that you have astounding points.
