Shirley Chisholm A Bibliography Of Writing By And About Her:

Biography of Shirley Chisholm Nicky Huys, 2025-09-26 *Biography of Shirley Chisholm* delves into the life and legacy of one of America's most influential political figures. As the first Black woman elected to the U.S. Congress and the first to run for the Democratic presidential nomination, Chisholm broke barriers and paved the way for future generations. This biography explores her early life in Brooklyn, her rise through the political ranks, and her fearless advocacy for marginalized communities. Readers will discover her unwavering commitment to social justice, education, and equality alongside her candid reflections on the challenges she faced as a woman of color in a predominantly male-dominated arena. Through inspiring anecdotes and historical context, this book captures Chisholm's indomitable spirit and highlights her lasting impact on American politics and society. It is a must-read for anyone interested in the fight for civil rights and the empowerment of women in leadership.

Shirley Chisholm, 1988-05 *She Was the First!* Katheryn Russell-Brown, 2020 A timely inspiring picture book biography of the dynamic twentieth-century educator, activist, and politician Shirley Chisholm. Even as a young child growing up in the 1920s, Shirley Chisholm was a leader. At the age of three, older children were already following her lead in their Brooklyn neighborhood. As a student at Brooklyn College, Shirley could outtalk anyone who opposed her on the debate team. After graduating, she used her voice and leadership to fight for educational change. In community groups, she stood up for the rights of women and minorities. Her small stature and fiery determination often took people by surprise. But they listened. In 1964, Shirley took her voice and leadership to politics, becoming the first Black woman elected to the New York State Assembly, and in 1968, the first Black woman elected to Congress. Then in 1972, she became the first Black woman to seek the presidency of the United States. She pushed for laws that helped women, children, students, poor people, farm workers, Native people, and others who were often ignored. She fought for healthcare. She spoke up for military veterans. She spoke out against war. Shirley Chisholm, a woman of many firsts, was an unforgettable political trailblazer, a candidate of the people, and a catalyst of change who opened the door for women in the political arena and for the first Black president of the United States.

Shirley Chisholm Barbara Winslow, 2018-04-27 A staunch proponent of breaking down racial and gender barriers, Shirley Chisholm had the esteemed privilege of being a pioneer in many aspects of her life. She was the first African American woman from Brooklyn elected to the New York State legislature and the first African American woman elected to Congress in 1968. She also made a run for the Democratic Party nomination for president in 1972. Focusing on Chisholm's lifelong advocacy for fair treatment, access to education, and equal pay for all American minority groups, this book explores the life of a remarkable woman in the context of twentieth-century urban America and the tremendous social upheaval that occurred after World War II. About the Lives of American Women series. Selected and edited by renowned women's historian Carol Berkin, these brief biographies are designed for use in undergraduate courses. Rather than a comprehensive approach, each biography focuses instead on a particular aspect of a woman's life that is emblematic of her time or which made her a

pivotal figure in the era The emphasis is on a good read featuring accessible writing and compelling narratives without sacrificing sound scholarship and academic integrity Primary sources at the end of each biography reveal the subject's perspective in her own words Study questions and an annotated bibliography support the student reader A to Z of American Women Leaders and Activists Donna Hightower-Langston, 2014-05-14 Presents biographical profiles of American women leaders and activists including birth and death dates major accomplishments and historical influence
