**The Shirley Hughes Nursery Collection** Shirley Hughes,1993      **The Nursery Collection** Shirley Hughes,1997-07  
Simple rhyming stories introduce concepts such as colour shape size sounds opposites and numbers Suggested level  
preschool junior      **All Shapes and Sizes** Hughes, Shirley,1986      **The Nursery Collection** ,1999      *All Shapes and Sizes*  
Shirley Hughes,1990-01-01      **Nursery Collection** ,2002      **The Shirley Hughes Treasury** Shirley Hughes,2023-09 A  
trip to the park on a windy day counting ducks in the pond or simply enjoying playing hide and seek at home there is so much  
that Katie and her little brother Olly get up to in their charming pre school world The Shirley Hughes Treasury delights in  
celebrating the everyday life of children in five sections for you and your little ones to dip in and out of and share at bedtime  
and any other time of the day Featuring an array of classic stories engaging poems and nursery rhymes as well as early  
learning this essential collection celebrates the work of one our most revered authors to be treasured by a new generation of  
first readers and is the perfect gift      *Two Shoes, New Shoes* Shirley Hughes,1986 Rhyming text describes the endless fun  
one can have with shoes hats and other articles of clothing      *Under the Chinaberry Tree* Ann Ruethling,Patti  
Pitcher,2007-12-18 Celebrating Chinaberry s twentieth anniversary the women behind America s beloved children s book  
catalog share their wisdom about the joys of children s literature and parenting The Chinaberry catalog was created when  
Ann Ruethling became troubled by the violence in many old fashioned nursery stories and the poor grammar or mediocre  
plots in newer children s books Handpicking a hundred high quality titles a year she has become an indispensable friend to  
thousands of parents and Chinaberry has become a gold standard for its industry Under the Chinaberry Tree celebrates the  
world of children s books In warm one mother to another prose Ruethling and her business partner Patti Pitcher reflect on  
the family first concepts that resonate so strongly with Chinaberry fans and all parents Exploring the books that have made a  
difference in their children s lives the tender experience of reading with children and the moments that make parenting a  
unique journey this guide is sure to enrich every family s bookshelf      *Young Researchers* Margaret Mallett,2002-02-07  
Informational kinds of reading are crucial in every lesson This book looks at how we can encourage children from the very  
beginning to think of themselves as young researchers using skills and strategies for clear purposes It argues that the  
creative practitioner nurtures children s sense of wonder and curiosity about the world and all its phenomena Packed full of  
advice on how to use the most stimulating and exciting texts and the liveliest approaches the book celebrates the good  
practice of teachers and student teachers in a large number of classroom case studies The content includes a summary of the  
recent developments and a framework of principles to inform good practice in this challenging aspect of literacy chapters  
concentrating on particular age groups beginning with the nursery and ending with the later primary years and thus taking  
up an essentially developmental approach an assessment of recent research and how findings can be put to practical and  
creative use in the classroom A central message is that children benefit from collaborating with teachers and peers at every

stage of finding out The spoken language energises informational reading and writing making the sharing of the fruits of children s research highly enjoyable This book will inspire you and lead to the very best practice **When We Went to the Park** Shirley Hughes,1985 A little girl and her grandpa count the things they see during a walk to the park Joy of Reading Debbie Duncan,1998 Author shares her family s personal reading success stories and Identifies their favorite books for each age category Extensive reading lists by titles and authors over 600 children s books referenced Early Childhood Carol Sue Fromboluti,Natalie Rinck,1999 Mathematical activities for parents and their 2 to 5 year old children Children's Books from Other Countries Carl M.
