Third Volume of the Family History Stories for the Mervin and Miriam Adair Family **God-Man And It Just Had to Be** Dr. Tony G. Minyard, 2024-04-30 This book took some great thought to write but And It Just Had to Be is paramount to everything that Christianity stands for The work of Jesus Christ His death and resurrection is crucial to our faith The key factor is the oneness of Christ in us This book highlights the factor of what Christ really did for us to appease the wrath of God The choice is freewill The truth is we have been translated from darkness to light We are all sinners saved by the grace of God but we have to accept this gift to have eternal life However if you reject this gift then the wrath of God is on you my friend There were elements that were very personal that happened during my rebellious years in unbelief and it happens to many people It s sad but it does right Trust me learn from my mistakes please repent really quick You don t know what the price is I talk about surrender being the first step to accepting Jesus as Lord and Savior Salvation is a onetime event if it s genuine but throughout your life it s an everyday deal the real one Sometimes we ride the fence and think everything is A OK but it s not Please have intimacy with God He loves us very much The Christian life ends when we re at the Judgment Seat of Christ I hope no one appears at the Great White Throne Judgment I covered many topics in this book to illustrate biblical concepts for you to grasp the truth This is very serious stuff in the eyes of God The purpose of this book is for you to make the right choice repent or not Remember God believes in you You might be in that rebellious life but just surrender back to God **The Remnant** Diane Anthony, 2020-10-18 Now that Olivia and David have discovered that their life in the city was a lie their pursuit of the truth gives them a newfound purpose Is there more to their Rare abilities than what they ve discovered so far Is there something about them that the government is trying to keep hidden Taken captive and tortured by her oppressors Olivia narrowly escapes with help from an unexpected source She rejoins what s left of her new friends only to find their home destroyed and coalition forces closing in to finish them off Running for their lives they set out on a desperate quest to find the Haven a mysterious city that is rumored to be harboring and protecting Rares This journey will take them deep into the wilderness and bring them to the edges of another coalition stronghold before they find their way But the danger in front of them is rivaled only by the danger closing in behind them and Olivia s new abilities will be put to the test
