Exodus Steve White,Shirley Meier,2007-01-01 The Promised Land Has A Vermin Problem Once before the sentient races in the known part of the galaxy had united against alien invaders Decades have since passed and new generations have grown complacent dangerously so Long ago much of the population of an entire planet fled their world before its sun went nova in thousands of ships each one larger than a city Now the armada has arrived at the world they intend to make their new home They regard the fact that the planet is already colonized by humans as a mere inconvenience and their mode of communication is so different from anything humans use that they do not consider humans and their allies to be truly intelligent This time the races of the old alliance will not have to worry about becoming an invader s meal but that will be small comfort if these new invaders decide that genocide is justified for their own survival At the publisher s request this title is sold without DRM Digital Rights Management _ Leaves the reader both exhilarated and enriched Publishers Weekly on David Weber and Steve White s The Shiva Option **Wolf Among the Stars** Steve White,2011-11-01 A near future Earth has shaken off the devastating colonization by alien Lokaran invaders and totalitarian rule by the alien s puppets the Earth First party But now Earth is flung into galactic intrigue and war The Lokaron empire teeters on the edge of a fratricidal meltdown and a cabal of ancient enemies hope to use Earth as a proxy to destroy the empire and rule over a new Galactic dark age Now Captain Andrew Roark the son of heroes of the rebellion and an officer trained in Lokaran space warfare tactics joins with a highly capable Lokar who opposes the empire but wishes to see it transformed rather than destroyed Together they must uncover a conspiracy to control Earth and then obtain the secret key to defeating it War for galactic control looms and freedom for Earth so recently escaped from under the boot heel of one oppressor is once again in the balance At the publisher s request this title is sold without DRM Digital Rights Management *A Rising Thunder* David Weber,2012-03-01 Peril and strife strike on a double front for Honor Harrington and company After a brutal attack on the Manticoran home system Honor Harrington has rooted out a plan designed to enslave the entire human species Behind that plan lies the shadowy organization known as the Mesan Alignment Task number one for Honor is to shut down and secure

the wormhole network that is the source of the Star Kingdom's wealth and power but also its greatest vulnerability Yet this is an act that the ancient and corrupt Earth based Solarian League inevitably takes as a declaration of war The thunder of battle rolls as the Solarian League directs its massive power against the Star Kingdom And once again Honor Harrington is thrust into a desperate battle that she must win if she is to survive to take the fight to the real enemy of galactic freedom the insidious puppetmasters of war who lurk behind the Mesan Alignment At the publisher's request this title is sold without DRM Digital Rights Management *Expert One-on-One Microsoft Access Application Development* Helen

Feddema,2004-04-14 What is this book about If you are developing databases for your own use the process need not be complicated But when you build databases for clients many of whom may not be familiar with Access or comfortable with databases in general you have a lot more work to do *Expert One on One Microsoft Access Application Development* makes that process easier In these pages you discover how to set up tables and relationships to ensure that the database is properly normalized Then you write VBA code to create the connective tissue that turns a bunch of tables queries forms and reports into a complete and coherent application You also find out about the important but often inadequately documented area of Automation code which is used to communicate with other Office applications Over years of working with Access the author has created some add ins to save time when developing applications She shows you how to use them to create a main menu for an application automatically apply a naming convention to database objects and ensure a consistent and professional appearance of the application's forms This book helps you write VBA code that unites database components into an application that works What does this book cover Here's what you'll discover in this book How to build integrated Access based applications that support multiple clients and databases Tips for streamlining application creation Maintenance required throughout an application's life cycle including migrating data from legacy systems and upgrading Office How to use Automation code to exchange data among Office components and even some non Office programs Ways to avoid glitches when building Access applications that work with Excel Word and Outlook Who is this book for This book is for experienced Access users who are familiar with creating Access objects and writing VBA code but who need help transitioning from competent users programmers to full fledged Access developers **House of Steel** David Weber,2013-05-15 An all_new
