Is Written the Shocking Downfall of the USA Roger H. Ewing,2009-11 Roger Ewing was ONE of America s first international inspectors of weapons systems and disarmament as he participated in the First International Disarmament Exercise as a Division Inspector Roger learned the ability to analyze a country s capability to wage war He also predicted the fall of the Soviet Union from within 16 years before it happened Now he is trying to wake up Americans to the reality that the DOWNFALL OF THE USA is a real possibility unless the Congress of the USA wakes up to reality and understands the survival of our country is at stake Roger explains how the USA is on a collision course with the JIHAD and Communist China He explains how politics have trumped reality and the consequence has been that our military has not kept up to the events of this dangerous world In 1994 the Communist Chinese leaders initiated a 15 year program to upgrade their military technology and those 15 years are up in 2009 Their military technology today is almost at the level with the USA Beginning in 2010 Communist China will be ready to attack the USA with a much larger military than ours We are in imminent danger Remember China is controlled by a Communist Party that wants to rule the world It is well known by many scholars that the GREAT PYRAMID was inspired by GOD as to the layout and construction It is a STONE CALENDAR which has predicted every major event in the world and it ends in 2012 Also the Mayan calendar ends in 2012 The Aztecs also predicted the world would end in 2012 Folks Jerusalem is the key If Jerusalem is destroyed the world as we know it will be destroyed and half of the world s population including the USA **Iran's Great Invasion and Why It's Next in Bible Prophecy** Mark
