Beguiled by Beauty Wendy Farley, 2020-12-01 Contemplative disciplines such as centering prayer and meditation have been part of Christian life for centuries They seem hard to practice now not simply because our distracted and hyperstimulated age makes them difficult but also because they can appear irrelevant to the needs of a fractured and ugly historical moment Yet these practices are more essential now than ever claims Wendy Farley These practices essentially awaken and attune us to the beauty both of the created order and of human relationships Farley helps readers discover being made for both kinds of beauty with contemplative disciplines immersing us in it Tying these disciplines with contemplation allows us to engage with the struggle for justice in an unjust society Beguiled by Beauty includes practical advice for readers to learn several contemplative meditation practices
