Shore-Goss,Joseph N. Goh,2019-11-28 This book enters a new liminal space between the LGBTQ and denominational Christian communities It simultaneously explores how those who identify as queer can find a home in church and how those leading welcoming or indeed unwelcoming congregations can better serve both communities The primary argument is that queer inclusion must not merely mean an assimilation into existing heteronormative respectability and approval Chapters are written by a diverse collection of Asian Latin American and U S theologians religious studies scholars and activists Each of them writes from their own social context to address the notion of LGBTQ alternative orthodoxies and praxes pertaining to God the saints failure of the church queer eschatologies and erotic economies Engaging with issues that are not only faced by those in the theological academy but also by clergy and congregants the book addresses those impacted by a history of Christian hostility and violence who have become suspicious of attempts at acceptance It also sets out an encouragement for queer theologians and clergy think deeply about how they form communities where queer perspectives are proactively included This is a forward looking and positive vision of a more inclusive theology and ecclesiology It will therefore appeal to scholars of Queer Theology and Religious Studies as well as practitioners seeking a fresh perspective on church and the LGBTQ community **An Introduction to Theology in Global Perspective** Stephen B. Cara Belmond is a successful fashion designer and owns Cara's Collections She's married to Rudolf an artist and together they own the Belmond Art Gallery Beautiful and successful they're regarded as the golden couple of Cape Town Cara and Rudolf are very much in love and have a very active sex life but sometimes just sometimes she wonders if she doesn't need a little bit more Maybe a little harder That is until one night at one of their art exhibitions where she meets Mario Perez Mario is Spanish dangerously attractive and arrogant He invites Cara for coffee and instantly fascinated by him she accepts Will he be what she needs My place in the world Paco Moreno,2019-04-01

What leads a young lawyer to change his successful career in Madrid for a life dedicated to others in Ethiopia For Paco Moreno author of these moving pages his future was well established a graduate in law he set up his own office and from a very young age enjoyed a privileged economic situation However by chance or perhaps motivated by a need to give something back in exchange for his good fortune he travelled as a volunteer to Ethiopia and was never the same person again He observed there that the nomadic tribes of the region do not have enough water and that the girls can not go to school because every day they have to travel a long way along the scorching desert sand to fill their containers And he saw how those people babies children pregnant mothers and the elderly died from malnutrition or from diseases that he believed had been totally eradicated Paco Moreno then insisted on returning more and more frequently and finally founded an NGO Amigos de Silva in Afar the hottest region in the world In return he has found his place in this world This book winner of the first edition of the Feel Good Award is a testimony of what it means to give something back and it details the reasons why doing so can make us happy The One Year Book of Amish Peace Tricia Goyer,2013

Let the simplicity of the Amish draw you closer to God In this instantly connected world it's surprisingly easy to lose our connection to God What's admirable about the Amish lifestyle is that it intentionally slows the pace of life so there's an opportunity to see the everyday grandeur of our great God Not everyone can or should adopt an Amish lifestyle But the Amish can inspire all of us to slow down and simplify our lives We need to learn to let go of our glittering gadgets in order to grab hold of something of infinitely greater value the Divine The One Year Book of Amish Peace will inspire you to set a sustainable pace of life so that you too can take the time to enjoy God's gifts each and every day **Hope Abundant** Pui-lan Kwok,2010
