## Shoestrings Finest Hour:

Shoestring's Finest Hour Paul Ableman, 1980      **Shoestring's Finest Hour** Paul Abelman, 1983-01-01      **Vac** Paul Ableman, 2014-03-20 This book seems to be about us Within a day or two of starting it I devised a title VAC The subtle idea was to fuse the suggestion of holiday or vacation with that of vacuum Paul Ableman's third novel first published in 1968 is through the voice of its narrator Billy Soodernim libidinous and regretful by turns a meditation on love and carnality monogamy and promiscuity childbirth separation and indeed the whole of the fraught relations between the sexes male and female citizens with distinct personalities flesh inwrought in flesh Paul Ableman's novels were praised for their inventive language bawdy high spirits and originality of form by Anthony Burgess Philip Toynbee Robert Nye and other friends of the avant garde They are witty original and full of good humour and I am delighted Faber Finds are reissuing them Margaret Drabble      *The Twilight of the Vilp* Paul Ableman, 2014-03-20 The hero of Paul Ableman's Vilp 1962 is Clive Witt a novelist in search of a hero for his new novel He advertises for suitable applicants and from seventy three replies he selects three Professor Guthrie Pidge a zoologist Pad Dee Murphy an Irish Burmese peasant and Harry Glebe the inventor of the renowned earth borer Clive's novel though progresses slowly His three heroes refuse to mix their very disparate elements into a harmonious whole Eventually Clive scraps it and harnesses his team of heroes to a new work an exciting science fiction tale called The Silver Spores In this mankind meets the Vilp The novel ends with the 5 000 strong Vilp Galactic Council communing in space at an incredibly high telepathic level Excellent vital taut brilliantly imaginative Anthony Burgess      **As Near as I Can Get** Paul Ableman, 2014-03-20 First published in 1962 As Near as I Can Get was Paul Ableman's follow up to his critically acclaimed debut I Hear Voices Following Alan Peebles a young man struggling to become a poet As Near as I Can depicts a mid twentieth century London of offices pubs and lodgings Fuelled by drink through these desperate years the narrator charts his encounters with women and fellow artists as he seeks to glimpse a wonder in life barely discernible beneath the routine of every day Paul Ableman's novels were praised for their inventive language bawdy high spirits and originality of form by Anthony Burgess Philip Toynbee Robert Nye and other friends of the avant garde They are witty original and full of good humour and I am delighted Faber Finds are reissuing them Margaret Drabble      **I Hear Voices** Paul Ableman, 2014-03-20 Paul Ableman's modern masterpiece was first published by the Olympia Press of Paris in 1958 to instant acclaim The narrator of I Hear Voices is a young schizophrenic who transports himself and the reader through a wondrously transfigured city where the real and the fantastic blend together in a seamless enchantment The continual stream and buzz of events is often comical occasionally wrenching and always unpredictable Encounters with Miss Carpet The Commissioner Merkitt and Mrs Oil among others are filled with poignant satire and disquieting honesty in this vision of the fragmentation of contemporary life This Faber Finds edition of I Hear Voices includes a preface by Margaret Drabble her obituary for Paul Ableman who died in 2006 The book not excluding Lolita which gave me the greatest pride and pleasure to

publish Maurice Girodias A strikingly fresh and original work of art The writing is brilliant both terrifying and hilariously funny Philip Toynbee Observer Subtle humorous clinically authentic Times Literary Supplement      **Tornado Pratt** Paul Ableman,2014-03-20 Tornado Pratt is the last of the old style American tycoons one who has lived his life with ferocious vigour through the vacillating fortunes of the twentieth century USA Paul Ableman s novel finds him in a hotel room at the end of his days as he recounts via a dying monologue the events of his turbulent life What is revealed in a testimony full of jokes and surprises is a brash lustful comic profane na ve and sentimental man who driven on by remorse displays a wry and perceptive honesty about himself even as his memories begin to merge with imaginings Often funny and sometimes moving Tornado Pratt s voice is an unforgettable one in which he confronts his own mortality and in which Paul Ableman gives us an astonishing affecting and life affirming story Auberon Waugh called Tornado Pratt a magnificent and memorable novel

*Twentieth Century Borrowings from French to English* Julia Landmann,2013-01-16 French has long been the donor language par excellence in the history of English French has contributed to the English vocabulary in the form of new words since before the Norman Conquest The French influence on the English lexicon represents the focus of linguistic concern in a considerable number of investigations of the language and its development Yet French borrowings which have recently been adopted into English have as yet figured little if at all in such studies The present study sets out to shed light on the French impact on English in the recent past The results presented in this book are based on a corpus of 1677 twentieth century French borrowings collected from the Oxford English Dictionary Online On the basis of their meanings the words under consideration have been assigned to different subject fields in order to give a tour d horizon of the manifold areas and spheres of life enriched by French in recent times The first part of the present investigation concentrates on the phonological and orthographical reception of the various borrowings The focus of this study is on the semantic development of the French borrowings in comparison to their sources in the donor language Emphasis has been placed upon analysing whether a particular meaning a borrowing assumes after its first attested use is taken over from French or whether it represents an independent semantic change within English      **Mystery Index** Steven Olderr,1987 Provides indexes to American and British mystery novels by author title subject setting and characters      **The publishers weekly** ,1985      **Contemporary Dramatists** D.
