Thomas Nast John Chalmers Vinson,2014-04 If it is true that the pen is mightier than the sword and that one picture is worth a thousand words Thomas Nast must certainly rank as one of the most influential personalities in nineteenth century American history His pen dipped in satire aroused an apathetic disinterested and uninformed public to indignation and action more than once The most notable Nast campaign and probably the one best recorded today was directed against New York City s Tammany Hall and its boss William Marcy Tweed Boss Tweed and his ring so feared the power of Nast and his drawings that they once offered him a bribe of 500 000 Six presidents of the United States received and gratefully accepted Nast s support during their candidacies and administrations Two of these Abraham Lincoln and Ulysses Grant credited Nast with more than mere support During the Civil War Lincoln called Nast his best recruiting sergeant and after the war Grant then a general wrote that Nast had done as much as any one man to preserve the Union and bring the war to an end Throughout his career the cartoonist remained an ardent champion of Grant who after his election in 1868 attributed his victory to the sword of Sheridan and the pencil of Thomas Nast Nast s work is still familiar today It was Nast who popularized the modern concepts of Santa Claus and Uncle Sam and who created such symbols as the Democratic donkey the Republican elephant and the Tammany tiger With more than 150 examples of Nast s work Thomas Nast Political Cartoonist recreates the life and pattern of artistic development of the man who made the political cartoon a respected and powerful

Committee on Interstate Commerce, 1924      **Long and Short Haul Charges** United States U.S. Congress. Senate. Committee on interstate commerce, 1924      *Beyond Lift Every Voice and Sing* Paula Marie Seniors, 2009 Paula Marie Seniors's *Beyond Lift Every Voice and Sing* is an engaging and well researched book that explores the realities of African American life and history as refracted through the musical theater productions of one of the most prolific black song writing teams of the early twentieth century James Weldon Johnson J Rosamond Johnson and Bob Cole combined conservative and progressive ideas in a complex and historically specific strategy for overcoming racism and its effects In *Shoo Fly Regiment* 1906 1908 and *The Red Moon* 1908 1910 theater uplift and politics collided as the team tried to communicate a politics of uplift racial pride gender equality and interethnic coalitions The overarching question of this study is how roles and representations in black musical theater both reflected and challenged the dominant social order While some scholars dismiss the team as conformists Seniors's contention is that they used the very tools of hegemony to make progressive political statements and to create a distinctly black theater informed by black politics history and culture These men were writers musicians actors and vaudevillians who strove to change the perception of African Americans on stage from one of minstrelsy buffoonery to one of dignity and professionalism      Farm Journal , 1897      Kimball's Dairy Farmer , 1906      **Rumspringa** Tom Shachtman, 2007-05-29 A revelatory look at Amish youth as they have never been looked at before *Rumspringa* is a fascinating look at a little known Amish coming of age ritual the rumspringa the period of running around that begins for their youth at age sixteen Through vivid portraits of teenagers in Ohio and Indiana Tom Shachtman offers an account of Amish life as a mirror to the soul searching and questing that we recognize as a generally intrinsic part of adolescence The trappings of the Amish way of life the plain clothes and electricity free farms conceal the communities mystery how they manage to retain their young people and perpetuate themselves generation after generation The key to this is the rumspringa when Amish youth are allowed to live outside the bounds of their faith experimenting with alcohol premarital sex trendy clothes telephones drugs and wild parties By allowing them such freedom their parents hope they will learn enough to help them make the most important decision of their lives whether to be baptized as Christians join the church and forever give up worldly ways or to remain out in the world In this searching book Shachtman draws on his skills as a documentarian to capture young people on the cusp of a fateful decision and to give us an original and deeply affecting portrait of the Amish as a whole      **The Empire Abroad and the Empire at Home** John Cullen Gruesser, 2012-12-01 In *The Empire Abroad and the Empire at Home* John Cullen Gruesser establishes that African American writers at the turn of the twentieth century responded extensively and idiosyncratically to overseas expansion and its implications for domestic race relations He contends that the work of these writers significantly informs not only African American literary studies but also U S political

history Focusing on authors who explicitly connect the empire abroad and the empire at home James Weldon Johnson Sutton Griggs Pauline E Hopkins W E B Du Bois and others Gruesser examines U S black participation in support for and resistance to expansion Race consistently trumped empire for African American writers who adopted positions based on the effects they believed expansion would have on blacks at home Given the complexity of the debates over empire and rapidity with which events in the Caribbean and the Pacific changed in the late nineteenth and early twentieth centuries it should come as no surprise that these authors often did not maintain fixed positions on imperialism Their stances depended on several factors including the foreign location the presence or absence of African American soldiers within a particular text the stage of the author s career and a given text s relationship to specific generic and literary traditions No matter what their disposition was toward imperialism the fact of U S expansion allowed and in many cases compelled black writers to grapple with empire They often used texts about expansion to address the situation facing blacks at home during a period in which their citizenship rights and their very existence were increasingly in jeopardy
