Yacht Were You Thinking? Jonathan Evers,2017-08-24 Naming a boat is as personal as naming a baby even if few male skippers would risk telling the wife that The culmination of many years of dreaming and penny pinching the purchase of a boat of any size is a huge event for any sailor and with that comes serious naming pressure Many boatowners have a secret fear that someone else got their brilliantly original name first or ruined it forever by reducing its reputation to snigger worthy opprobrium Sometimes it s so difficult to name a boat that skippers are desperate enough to ask the sorts of people who think Boaty McBoatface would be a good choice The perfect gift for any skipper or would be skipper and featuring hundreds of common and uncommon names this entertaining little book will answer perhaps the most important question new owners should ask themselves what will this name say about me And as everyone knows once you ve named a boat you never ever change it so it also answers the question what is my boat name saying about me right now Names will be categorised and listed alphabetically within these chapters as to Populist helpfully yacht insurers release ranked lists of popular names each year which has revealed some very interesting trends Don t Even Go There they might be uncommon these days but sometimes there s a good reason for that Pun Intended some reveal a classic wit others reveal just how many desperate unfunny dullards there are sailing around in yachts called Seas the Day A Bit of Pedigree good names but probably too classy for you to get away with copying them Common as Muck bad names Moondancer Wave Catcher and others that sound like names from a bad children s novel where they come from why they re bad and how to avoid inventing another Too Much Information why using a boat to celebrate a bonus retirement divorce second wife tends to be a bad idea a few months down the road The Devil s Own don t tempt fate by calling your boat Invincible as the Royal Navy did each time the last one sank exploded plus other superstition violating names With fascinating history a fair bit of psychology and a lot of humour this is the essential guide for all would be boat owners and anyone looking for a dad type gift on Father s Day or Christmas

Son of a Gun Lewis Grizzard, 2012-10-01 Lewis Grizzard always makes us laugh But this time when he tells us all about his father a certified war hero and a shameless passer of bad checks a charmer of men and women and a consummate con artist a man of great courage and an alcoholic destined to drink himself to death he's going to make us cry too And he's going to give us a hilarious moving account of that tender spooky territory that country of the heart inhabited by fathers and sons

My Exaggerated Life, 2018-03-13 An oral biography that reveals the Southern author's true voice Pat Conroy's memoirs and autobiographical novels contain a great deal about his life but there is much he hasn't revealed to readers until now My Exaggerated Life is the product of a special collaboration between this great American author and oral biographer Katherine Clark who recorded two hundred hours of conversations with Conroy before he passed away in 2016 In the spring and summer of 2014 the two spoke for an hour or more on the phone every day No subject was off limits including aspects of his tumultuous life he had never before revealed This oral biography presents Conroy the man as if speaking in person in the colloquial voice familiar to family and friends This voice is quite different from the authorial style found in his books which are famous for their lyricism and poetic descriptions Here Conroy is blunt plainspoken and uncommonly candid While his novels are known for their tragic elements this volume is suffused with Conroy's sense of humor which he credits with saving his life on several occasions The story Conroy offers here is about surviving and overcoming the childhood abuse and trauma that marked his life He is frank about his emotional damage the depression the alcoholism the divorces and above all the crippling lack of self esteem and self confidence He also sheds light on the forces that saved his life from ruin The act of writing compelled Conroy to confront the painful truths about his past while years of therapy with a clinical psychologist helped him achieve a greater sense of self awareness and understanding As Conroy recounts his time in Atlanta Rome and San Francisco along with his many years in Beaufort South Carolina he portrays a journey full of struggles and suffering that culminated ultimately in redemption and triumph Although he gained worldwide recognition for his writing Conroy believed his greatest achievement was in successfully carving out a life filled with family and friends as well as love and happiness In the end he arrived at himself and found it was a good place to be *Wear Comfortable Shoes* Mike Stevens, Priscilla
