

A candid photograph of three young women sitting at a table, likely in a cafe or dining hall. The woman on the left is partially visible, smiling. The woman in the center is wearing a denim vest over a dark top and is eating with a spoon. The woman on the right is wearing a light-colored top and has her hair tied back with a headband. They are all looking towards the right side of the frame. The background is a plain, light-colored wall.

Shooting Starr:

Shooting Star Cynthia Riggs, 2025-06-25 In Shooting Star ninety two year old poet Victoria Trumbull becomes embroiled in controversy at the community theater on Martha's Vineyard The new artistic director has announced plans to replace local amateur talent with off Island professionals and the cast and crew react murderously Victoria intended the theater's current production her adaptation of Frankenstein by Mary Shelley to debunk the common farcical movie monster interpretation by returning to Shelley's original serious commentary on the Industrial Revolution However after the night of the dress rehearsal Victoria loses control over the production and her drama begins to take a strange course On that night the eight year old boy playing the part of Frankenstein's young brother disappears and before a search can begin a killer strikes The Vineyard's police forces mobilize for an Island wide search In the original story of Frankenstein the boy is the first victim of the monster and Victoria fears that a copycat killer is following her playscript She determines to find the missing boy and track down the killer before more deaths occur Along with familiar Island characters from her previous books the author introduces a cast of new and often eccentric players Shooting Star the seventh book in the Martha's Vineyard mystery series explores the rich setting of the Island that author Cynthia Riggs knows well from the rose covered Dukes County jail on Edgartown's Main Street to the quaint ferry terminal in Oak Bluffs It's a delightful read that both fans and newcomers to the series will be sure to enjoy

Baseball's Shooting Stars David J. Gordon, 2024-09-10 Every serious baseball fan can attest to the perennial excellence of stars like Babe Ruth and Ken Griffey Jr But how many can recall the exploits of Fred Dunlap George Stone Bobby Shantz or Mark Fidrych Each of these players performed like a superstar for a single season but none of them came close to replicating that success in subsequent years Some achieved early success and flamed out while others overcame early setbacks to achieve brief stardom late in their careers Some were one year wonders and others sustained solid careers after setting an early standard that they would never again reach This book contains the bittersweet stories of 30 such players who tantalized their fans with visions of greatness but ultimately fell short

Shooting Starr Kathleen Creighton, 2010-11-15 The gun trained on his chest left him with no choice Turning Caitlyn in to the police was the right thing to do the law abiding thing So why did it have to hurt so bad and cost her so much Caitlyn Brown had never expected C J Starr to walk back into her life after all they'd endured Never imagined she'd draw strength from his voice the memory of his smile the gentle touch of his hand She could allow him to protect her from a danger she could no longer see but she could never forget that he'd sworn to uphold the law and as long as there were innocent victims in need of her help that she had vowed to break it
