

MEMOIRS OF A WORLD WAR II U-BOAT OFFICER

Shooting the War

Otto Giese and Capt. James E. Wise, Jr., USA (Ret.)

Shooting The War Memoirs Of A World War Ii U Boat Officer

Kenneth G. Wynn

Shooting The War Memoirs Of A World War II U Boat Officer:

Shooting the War Otto Giese, 1994 The war diary of former German naval officer Otto Giese recounts a seafaring career of extraordinary scope It begins with the dawning of World War II while the author is a junior officer on board the ocean liner SS Columbus and continues through his confinement in a British prisoner of war camp after the war Readers will be moved by the author's ability to put a human face on the German experience of the war The book contains more than 100 Leica quality photographs an exceptional assortment taken by Giese throughout his wartime service that offers a unique historical overview Also included are vivid accounts of the scuttling of the Columbus furtive blockade running and the arduous life of the men who served in Germany's fleet of gray wolves as they prowled the polar sea and other remote corners of the world Even with Germany's surrender the war was far from over for Giese and his comrades who remained deep in the Malayan jungle until captured by the British and imprisoned in the infamous Changi Jail Interspersed among tales of hardship and loss are colorful anecdotes that relay joy and camaraderie Whether it be plots to escape detention at Angel Island the unlikely processing of German seamen at Ellis Island or a stint policing guerrilla warfare in the Malayan jungle the author greets the incongruous moments of war and life with equanimity At the same time his memoirs offer an unwavering assessment of the dictates of duty

Shooting the War Otto Giese, James E. Wise, 1994 A war diary of a former German naval officer which encompasses a seafaring career of unusual breadth It begins with the dawning of World War II with the author a junior officer on board the ocean liner SS Columbus and continues to his confinement by the British in Changi Gaol after the war

The Allies Strike Back, 1941-1943 James Holland, 2020-02-26 Volume two in this expert anecdote filled thoroughly entertaining history of WWII follows The Rise of Germany as the Allied forces turn the tides Kirkus James Holland's The Rise of Germany the first volume in his War in the West trilogy was widely praised for his impeccable research and lively narrative Covering the dawn of World War II it ended at a point when the Nazi war machine appeared to be unstoppable Germany had taken Poland and France with shocking speed London was bombed and U boats harried shipping on the Atlantic But Germany hadn't actually won the Battle of Britain or the Battle of the Atlantic It was not producing airplanes or submarines fast enough And what looked like victory in Greece and Crete had expended crucial resources in short supply The Allies Strike Back continues the narrative as Germany's invasion of Russia unfolds in the east while in the west the Americans formally enter the war In North Africa following major setbacks at the hands of Rommel the Allies storm to victory Meanwhile the bombing of Germany escalates aiming to not only destroy the its military industrial and economic system but also relentlessly crush civilian morale Comprehensive and impeccably researched Holland brings a fresh eye to the ebb and flow of the conflict in this majestic saga of 20th century history Literary Review UK

Sailors' Journey Into War Robert A. Maher, James E. Wise, 1998 In 1943 the navy destroyer USS Borie and a German U boat were engaged in a fierce battle north of the Azores Islands This personal account from a crew member of the Borie follows the action as well as illustrating the

determination and courage shown by servicemen during the war as a whole

U-boat Operations of the Second World War: Career histories, U1-U510 Kenneth G. Wynn, 1997 The first of two volumes covering the career histories of all of the U boats which saw action in World War II The histories of some 1200 vessels are covered and each entry aims to be easily accessible Every aspect of a boat s activities are covered from laying the keel to its ultimate fate Each entry gives locations and dates of units and any boats served with commanders number of patrols undertaken ships sunk along with names of vessels and locations incidents of note re fuelling by U tankers and supply ships attacks on shipping survivors picked up and finally the ultimate fate Appendices allow cross referencing and contain such material as Deutsches Feldpost Numbers

Germany's Last Mission to Japan Joseph M Scalia, 2009-03-01 When U 234 slipped out of a Norwegian harbor in March 1945 destined for Japan it was loaded with some of the most technically advanced weaponry and electronic detection devices of the era along with a select group of officials En route word came that Germany had surrendered and the boat s commander suddenly found himself with a rogue submarine a precious assortment of cargo and two Japanese naval officers still at war This dramatic account of the voyage offers an intriguing look at the individuals involved One of these individuals was Luftwaffe General Ulrich Kessler who was a member of Von Stauffenberg s Valkyrie conspiracy to assassinate Hitler Kessler was aboard U 234 to escape the wrath of Hitler because he had been tabbed by Von Stauffenberg to replace Hermann Goering as the commander of the Luftwaffe Scalia draws on U S Navy interrogation records European and Japanese archives and interviews with former U 234 crew members and other principals to develop a full portrait of the group He also evaluates the technology of the armament on board which included 560 kg of uranium oxide whose presence continues to provoke questions about a Nazi plan to build an atom bomb in Japan

U-boat Operations of the Second World War: Career Histories, U511-UIT25 Kenneth G. Wynn, 1997

The Rise of Germany, 1939-1941 James Holland, 2015-10-14 An account of the early years of World War II based on extensive new research A genuinely fresh approach exceptional The Wall Street Journal James Holland one of the leading young historians of World War II has spent over a decade conducting new research interviewing survivors and exploring archives that have never before been so accessible to unearth forgotten memoirs letters and official records In The Rise of Germany 1938 1941 Holland draws on this research to reconsider the strategy tactics and economic political and social aspects of the war The Rise of Germany is a masterful book that redefines our understanding of the opening years of World War II Beginning with the lead up to the outbreak of war in 1939 and ending in the middle of 1941 on the eve of Operation Barbarossa the Nazi invasion of Russia this book is a landmark history of the war on land in the air and at sea Magnificent Andrew Roberts New York Times bestselling author of The Storm of War

Wolf Jordan Vause, 2017-02-15 Cultivated by the Allied press during the war and fostered by movies and novels ever since the image of a U boat skipper held by most Americans is the personification of evil the wolf who stalks innocents Quite the opposite image is shared by U boat veterans and others sympathetic to their work the knight who endures unrivaled danger and fights nobly

Yet another popular image depicts the submarine operator as a beleaguered sailor swept along by events beyond his control This book examines the lives of many U Bootwaffe officers including the famous and the not so well known to see if a pattern emerges Drawing on a wealth of primary documents and when possible interviews or correspondence with the U boat commanders themselves Jordan Vause follows individual officers from their youths and early naval training through their wartime experiences and into the often bitter peace that followed His close examination of their lives reveals that many were extremely different from the pictures typically drawn of them and as varied in their thoughts and actions as other fighting men on both sides of the war Particularly valuable is the author s use of new information in his portrayal of Karl Doenitz and other prominent commanders to correct and enhance pictures presented in earlier books His use of personal correspondence and unpublished manuscripts loaned to him in Germany adds special significance to this study and its appeal to all those interested in World War II submarines and the U Bootwaffe

Anti-Submarine Warfare David Owen, 2007-11-15 A deep dive into the tactics and technology used to defend against submarines from the opening of the First World War through World War II and beyond The submarine was undoubtedly the most potent purely naval weapon of the twentieth century In two world wars enemy underwater campaigns were very nearly successful in thwarting Allied hopes of victory indeed annihilation of Japanese shipping by US Navy submarines is an indicator of what might have been That the submarine was usually defeated is a hugely important story in naval history yet this is the first book to treat the subject as a whole in a readable and accessible manner It concerns individual heroism and devotion to duty but also ingenuity technical advances and originality of tactical thought What developed was an endless battle between forces above and below the surface where a successful innovation by one side eventually produces a countermeasure by the other in a lethal struggle for supremacy Development was not a straight line wrong ideas and assumptions led to defeat and disaster Iconography with dozens of photographs and often large format diagrams a vast bibliography and a complete and documented general approach make this volume a work of great quality and of great interest for all enthusiasts and scholars of this very interesting subject *Storia Militare* The modeller will not only find the text engaging but there is a superb collection of photographs and illustrations which of course include submarines corvettes and destroyers Subjects which the modeller increasingly appreciates Highly recommended

Model Boats **Crash Dive** Larry Bond, 2011-03-29 They are the ultimate unseen deterrent in modern warfare Thousands of tons of steel missiles torpedoes and men lurking silently hundreds of feet underwater able to lie off any coastline and unleash a devastating hail of destruction with pinpoint accuracy They are the true masters of the oceans striking swift and unseen before slipping away ready to do it all over again at a moment s notice Submarines and their crews have long held a revered place in the military with a special place of honor reserved for those men who willingly seal themselves in what could amount to a nuclear powered coffin for months on end Although the submarine is a relatively recent development in the field of warfare many of the men who live and fight in these steel fish have already become legends Edited by bestselling author

Larry Bond *Crash Dive* collects the best nonfiction writing about these near silent killers of the deep and their crews From the tough *Gato* class boats that harassed the Japanese Navy during World War II to the cat and mouse games played by U S and Soviet submarines during the Cold War *Crash Dive* will take you inside the deep and deadly world of the military submarine

Proceedings of the United States Naval Institute United States Naval Institute, 1921 [Air University Library Index to Military Periodicals](#), 1995 **Neither Sharks Nor Wolves** Timothy P Mulligan, 2011-08-15 Although countless books

have been written about the U boat war in the Atlantic precious few facts have come to light about the men who served in the submarines that wrought such havoc on Allied ships Eager to get beyond the stereotypes perpetuated in movies and novels and find out who these elusive sailors really were archivist Timothy Mulligan started searching official records Eventually he went straight to the source conducting a survey of more than a thousand U boat officers and enlisted men and interviewing a number of them personally The result is this character study of the German submarine force that challenges traditional and revisionist views of the service Mulligan found striking similarities in the men's geographic and social origins education and previous occupations particularly within the specialized engineering and radio branches of the submarine force The information he gathered establishes quantifiable patterns in age length of service and experience as well as the organization's overall recruitment policies and training standards The numbers and losses of U boat personnel are also fully examined Beyond these objective characteristics this study lists such subjective factors as morale treatment of enemy ship survivors and the relationship of the submariners to the Nazi regime and it confirms a serious crisis in morale in late 1943 The roles played by the head of the U boat arm Grand Admiral Karl Donitz and its organizational chief Admiral Hans Georg von Friedeburg are thoroughly addressed Mulligan concludes that the U boat arm quickly evolved from a handpicked elite to a more representative sample of the German navy at large but continued to be treated as an elite force The only comprehensive investigation yet published this book also draws on POW interrogations of U boat survivors and documentation of Kriegsmarine personnel policy obtained from German archives *U-boats Destroyed* Paul Kemp, 1997

The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual Ron Martini, 2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal **The Secret History of World War II** Neil Kagan, Stephen Garrison Hyslop, 2016 From spy missions to code breaking this richly illustrated account of the covert operations of World War II takes readers behind the battle lines

and deep into the undercover war effort that changed the course of history From the authors who created Eyewitness to World War II and numerous other best selling illustrated reference books this is the shocking story behind the covert activity that shaped the outcome of one of the world s greatest conflicts and the destiny of millions of people National Geographic s landmark book illuminates World War II as never before by taking you inside the secret lives of spies and spy masters secret agents and secret armies Enigma machines and code breakers psychological warfare and black propaganda secret weapons and secret battle strategies Seven heavily illustrated narrative chapters reveal the truth behind the lies and deception that shaped the secret war eight essays showcase hundreds of rare photos and artifacts many never before seen more than 50 specially created sidebars tell the stories of spies and secret operations Renowned historian and top selling author Stephen Hyslop reveals this little known side of the war in captivating detail weaving in extraordinary eyewitness accounts and information only recently declassified Rare photographs artifacts and illuminating graphics enrich this absorbing reference book Naval History ,1994 *Hot Straight and Normal* Ron Martini,2001 Hot Straight and Normal is a submarine bibliography with over 6000 references to books videos articles and Internet sources It is designed to assist reseachers historians students teachers collectors and others with an interest in submarines their history construction and use in wars worldwide It s unique format of listing the books by title will assists the researcher and casual reader alike in finding or searching for familiar words and subjects Fiction book titles are also included Each listing contains title author date published publisher page count ISBN number and other informative descriptions if known This is the only submarine bibliography currently in publication The article index includes all articles in all issues of Naval Submarine League s Submarine Review and Naval Institute s Naval Proceedings magazine There are Web sites and other Internet sources listed and even information on obtaining more information through the Freedom of Information Act Also included is how to find materials inside government archives Collected and edited by a former U S submariner and member of U S Submarine Veterans Inc *United States Naval Institute Proceedings* United States Naval Institute,1921

Decoding **Shooting The War Memoirs Of A World War Ii U Boat Officer**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Shooting The War Memoirs Of A World War Ii U Boat Officer Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shooting The War Memoirs Of A World War Ii U Boat Officer has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shooting The War Memoirs Of A World War Ii U Boat Officer has opened up a world of possibilities. Downloading Shooting The War Memoirs Of A World War Ii U Boat Officer provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shooting The War Memoirs Of A World War Ii U Boat Officer has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shooting The War Memoirs Of A World War Ii U Boat Officer. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shooting The War Memoirs Of A World War Ii U Boat Officer. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Shooting The War Memoirs Of A World War Ii U Boat Officer, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shooting The War Memoirs Of A World War Ii U Boat Officer has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shooting The War Memoirs Of A World War Ii U Boat Officer Books

What is a Shooting The War Memoirs Of A World War Ii U Boat Officer PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shooting The War Memoirs Of A World War Ii U Boat Officer PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shooting The War Memoirs Of A World War Ii U Boat Officer PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shooting The War Memoirs Of A World War Ii U Boat Officer PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shooting The War Memoirs Of A World War Ii U Boat Officer PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features.

PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
