Shopkeepers Daughter:

The Shopkeeper's Daughter Lily Baxter, 2013-07-04 June 1944 Ginnie Travis is working in her father's furniture shop when the continued bombing raids and her sister Shirley's untimely pregnancy force the two girls to go and stay with their aunt in Shropshire. Here Ginnie falls in love with an American Lieutenant Nick Miller stationed nearby. But she discovers that Nick has a fiancée back home and a heartbroken Ginnie ends the relationship. Then news of their father's death in an air raid reaches them. With the family left almost penniless and Shirley and her child to provide for, Ginnie is responsible for them all. And when the shop comes under threat, she is even more determined to make it succeed and build a new life for herself and her family.

A Shopkeeper's Daughter Rachel Wisdom, 2013-12-19 Sonja Haraldsen, a young Norwegian seamstress who works in her family's clothing store, has never dreamed of being famous for anything besides fashion design. Yet one summer evening in 1959 she meets Crown Prince Harald at a party. She's shocked when he wants to see her again, but they quickly fall in love, and Harald proposes marriage less than a year later. Yet King Olav, who expects his son to marry royal, is firmly opposed to the idea of a common-born seamstress as the next Crown Princess. As His Majesty's approval is legally necessary for the marriage of the heir, Harald and Sonja are left waiting and hoping for the King to change his mind. Soon the secret relationship finds its way into the papers, and the Crown Prince's romance with a shopkeeper's daughter becomes the scandal of the century. Journalists, politicians, and ordinary Norwegians declare that a common marriage would destroy the monarchy, and a furious King repeatedly insists that the relationship must end. Set against the romantic backdrop of royal Europe, **A Shopkeeper's Daughter** is based on a true story of a love worth fighting for.

Approaching the Past Marilyn Silverman, P. H. Gulliver, 1992 In recent years the study of history has become a central area of inquiry within anthropology. While classical anthropology focused on the present, current approaches seek to do history by using a variety of conceptual and methodological approaches. **Approaching the Past** is a highly provocative and original volume that examines the issues, themes, and difficulties emerging out of the new anthropological concern with history. Anchoring the discussion with a wide range of ethnographic case studies from Ireland, the contributors to this volume establish a sophisticated interdisciplinary dialogue and assess the degree to which anthropological concepts and methodologies can be applied to historical inquiry. With a variety of essays representing sociological, geographical, and historical perspectives, **Approaching the Past** is an invaluable contribution to a discipline that is expanding and reconstituting itself anew.

The Complete Works George MacDonald, 2022-11-13 In **The Complete Works**, George MacDonald offers an extensive collection of his literary masterpieces encompassing poetry, novels, and fairy tales that delve into themes of spirituality, morality, and the power of imagination. MacDonald's writing is characterized by its lyrical prose and deep philosophical underpinnings, often reflecting the influence of Romanticism and early Victorian beliefs. His narratives frequently intertwine the fantastical with the moral, inviting readers to traverse realms where the ethereal meets the tangible, making this collection not just a showcase of his literary talent but

a significant exploration of human experience and divine grace George MacDonald 1824 1905 was not only a novelist but also a fervent theologian whose religious convictions deeply informed his prose He is often regarded as a precursor to modern fantasy literature influencing prominent figures such as C S Lewis and J R R Tolkien MacDonald's experiences in the Scottish Highlands and his embrace of Christian Universalism shaped his narrative vision allowing him to portray both the struggles and redemptive arcs of his characters in profoundly relatable ways The Complete Works is highly recommended for both the casual reader and the scholarly enthusiast offering a rich tapestry that reflects the depth of human experience through the lens of divine love and wonder This collection serves as an essential entry point to understanding the evolution of fantasy literature and the theological paradigms that informed MacDonald's groundbreaking work **St. Beetha's, Or, The Heiress of Arne** Emma Jane Worboise, 1866 *Coming Up For Air* George Orwell, 2023-12-04 *Coming Up for Air* is the seventh book by English writer George Orwell published in June 1939 by Victor Gollancz It was written between 1938 and 1939 while Orwell spent time recuperating from illness in French Morocco mainly in Marrakesh He delivered the completed manuscript to Victor Gollancz upon his return to London in March 1939 The story follows George Bowling a 45 year old husband father and insurance salesman who foresees World War II and attempts to recapture idyllic childhood innocence and escape his dreary life by returning to Lower Binfield his birthplace The novel is comical and pessimistic with its view that speculative builders commercialism and capitalism are killing the best of rural England and the existence of new external threats Book Summary As a child Orwell lived at Shiplake and Henley in the Thames Valley His father Richard Walmesley Blair was a civil servant in British India and he lived a genteel life with his mother and two sisters though spending much of the year at boarding school at Eastbourne and later at Eton in Britain He particularly enjoyed fishing and shooting rabbits with a neighbouring family In 1937 Orwell spent some months fighting in the Spanish Civil War He was wounded in the throat in May 1937 by a Fascist sniper at Huesca Orwell was severely ill in 1938 and was advised to spend the winter in a warm climate The novelist L H Myers anonymously gave 300 to enable this and Orwell went with his wife to North Africa where he stayed in French Morocco mainly in Marrakesh from September 1938 to March 1939 Orwell never learned the source of the money and he accepted it only on condition that it be considered a loan He repaid the loan eight years later when he began making money from the success of *Animal Farm* Orwell wrote *Coming Up for Air* while he was in North Africa and left the manuscript at his agent's office within a few hours of arriving back in England on March 30 1939 It was submitted to Victor Gollancz who had an option on Orwell's next three novels in spite of the cold treatment which Orwell had been given when *Homage to Catalonia* was rejected In fact Orwell heard in April 1939 that Gollancz had reservations about the book and was delaying a decision to accept it The descriptions in the novel of a character who lectures at a meeting of Gollancz's Left Book Club and of the meeting itself were such that Gollancz could not have helped being offended by them Nevertheless the publisher did bring out the novel without demanding major changes and it was published on June 12 1939 It
