Popular Mechanics ,2000-01 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle Bulletin of the Atomic Scientists ,1972-10 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Spiritual Pricetags** Bill Coleman,2008-09-04 Western culture advocates that the best things in life are free Spiritual Pricetags takes issue with that assertion demonstrating that spiritual virtues are costly but their benefits are enormous All who search for meaning in life and reprieve from materialistic indigestion will find welcomed relief from Spiritual Pricetags This book explores the price tags of success love change living right and even worship These virtues and life goals cannot be measured by dollars and cents and yet they add true worth to life The topic of Heaven is explored from a unique perspective that demonstrates the value of upfront spiritual payments that reap eternal rewards Looking for God Chuck Hillig,2005-04 A one inch hole has been drilled through the exact center of each of the pages of this extraordinary book Using the spatial emptiness of the hole to point to the mysterious Void this book is an enlightening journey into the wholeness that lies at the very core of Being itself An opening to the Truth within 6 X 9 136 pages 21 95 Retail *Looking for God in All the Wrong Places* Marie D. Jones,2003-02 Got God Everybody searches for the divine But so many of us keep seeking our Higher Power in inappropriate places like drugs alcohol sex money power even other people Looking for God in All the Wrong Places is a spiritual field guide that uses humor insight and experience to examine the people places and things we often mistake for our Higher Power By revealing the detours pitfalls and roadblocks along the path to union with the divine this enlightening and entertaining book provides a powerful navigational tool spiritual seekers can use to avoid looking in the wrong places and get to where God can truly be found **Seeking & Finding God (B)** Dave Hunt,2021-04-02 It is astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car or even a low carb food item yet the belief of so many particularly in the area of religion has no rational or factual foundation With well researched arguments and compelling proof this book demonstrates that the issue of where one will spend eternity is not a matter of preference like joining the Elks instead of the Lions In fact there is overwhelming evidence that we are eternal beings who will spend eternity somewhere But where will it be And how can we know There is no more important question to be faced and answered Looking for God Nancy Ortberg,2014-10-03 We get so prescriptive with the spiritual life We prepackage it duplicate it mass produce it insist upon it and brag about it We make it a formula As a result we tend to see God from such a narrow perspective We box God up and compartmentalize Him into thirty minutes each morning But in reality He is waiting

for us to realize that He invades all the parts of our days if only we would pay attention In Looking for God Nancy Ortberg will inspire you to break away from the bland formulaic approach to Christianity and embrace the often unexpected at times unnerving but always extraordinary power of God s grace As you journey with Nancy you ll find God in places you have never dreamed of looking and you ll experience faith on a deeper level than you have ever imagined possible Seeking Truth, Finding God Sally Pitts,2016-06-01 Many people search for purpose meaning and happiness in their lives but how many of them search for truth Discover how this author found God through her compelling spiritual and intellectual journey Reignite your curiosity about the Divine and pinpoint what you actually believe not just what you don t believe The author addresses frequently objections to belief in God and Jesus and she wrestled with common questions including How did our world begin and What can we know about God Face your fears and doubts about God with authenticity after reading this book

GodQuest: Discover the God Your Heart Is Searching For: Six Signposts for Your Spiritual Journey Sean McDowell,Stan Jantz,2011-08 In the GodQuest readers are taken on a journey to discover compelling evidence for the existence of God the truth of the Bible and the deity of Jesus Christ from publisher description *Looking for GOD* Steven S. Sadleir,2008 **A Skeptic's Guide to God** Larkin Spivey,2014-06-30 I continued to plow ahead seeking to garner ever more information about cosmology evolution the origins and nature of human beings and comparative religions I tried to keep an open mind during my pursuit of such knowledge but also have to admit that I was often testing the tenets of my childhood faith against what I was learning Reconsider your beliefs and open up a whole new world in Larkin Spivey s compelling new book A Skeptic s Guide to God Religious skeptics often find themselves approaching the topic of Christianity as a fact finding mission but more information doesn t seem to lead to belief in anything With his no nonsense approach Spivey appeals to the skeptic s unquenchable thirst for knowledge by stressing the facts and logical appeals of one of the world s most influential religions Chapter by chapter A Skeptic s Guide to God takes reads through a journey of vivid storytelling and matter of fact discussion While sharing his own personal story Spivey also reconciles the seemingly incongruent issues of religion and science clarifies the Bible answers skeptics most common objections to Christianity and assists readers in finding the peace in life that only comes through reconciliation with God The Road to Harmony with God Joseph A. Schrock,2009-09-17 This book is the result of dedicated efforts to not only find what is most real and most vital for humans to strive toward but to achieve an increasing harmony with a transcendent Reality that may be called God The current book is an effort to express in understandable language the author s convictions concerning important aspects of the the road to harmony with the transcendent being we call God There are almost innumerable religions and religious sects in our troubled world whereby billions of human beings search for ways to find inner peace and tranquility Very often such endeavors encounter winding roads numerous detours in the roads and far too often major obstacles in our paths This book seeks to serve as a general outline of how many among us might enhance the efficiency and effectiveness of our walk on the

road toward true harmony with Ultimate Reality God This book is emphatically not one that seeks to steer its readers toward financial wealth or a life full of sensual and secular thrills but it does give guidance toward an ever growing inner peace harmony a sense of purpose well being and joy The book can be read with serious interest and appreciation by Christians Jews Muslims Hindus Buddhists or those oriented toward New Age ideologies Even some strict secularists might encounter in its pages some ideas worth considering The book is essentially nonsectarian nondenominational and of potential interest to any seeker of a deeper spirituality and more rewarding growth toward ultimate reality truth and goodness The Expanded Search for God Association for Research and Enlightenment, Readings Staff,1983-04-01 Opening the Gift Dorinda Trick,2015-05 Who are you really What are you here for Why are you here It is never too late to discover your true design and start living by it If you have ached to know your true identity then this book is for you As a child of God your birthright is to know who you are and your purpose in life which comes only with the discovery of God s unique design of you This book will teach you how to discover your true identity find legitimacy strengthen your spirit and live your life on purpose Open your gift discover a new perspective and find the freedom to truly live *God on Your Own* Joseph Dispenza,2006-06-05 After spending eight years in a monastery Joseph Dispenza walked away from his life as a monk and the religion of his youth in search of a different kind of spiritual path Outside the confines of organized religion Dispenza was able to create a spiritual life that gives direction and meaning to all he does and all he is God on Your Own is written for anyone who has left or is thinking of leaving organized religion but wants to continue on a spiritual path Written by noted author and retreat leader Joseph Dispenza this book provides a spiritual road map for those who want to make the transition from conventional religion toward a richer and more satisfying direct relationship with the Source without rules dogmas or doctrines Throughout the book Dispenza offers wise compassionate guidance speaking as one seeker to another He has made this journey himself gleaning spiritual truth from across traditions and practices **Looking for GOD** Steven S. Sadleir,2008

God in Two Minutes PREM. KAMBLE,2024-12-17 In a world deeply divided by religion God in Two Minutes by Prem Kamble poses a compelling question Has religion become a source of hatred and conflict due to an inherent flaw or have we misinterpreted its true essence This thought provoking book is an exploration of religion spirituality and the idea of God It explores the possibility of a flaw and challenges some of our deepest beliefs offering a fresh and bold perspective on these timeless topics While physical science has unraveled the mysteries and debunked the myths of the external physical world our internal mental world the realm of our thoughts emotions and spirituality remains elusive Many of our current beliefs relate to this mental world Could some of these beliefs be myths awaiting exposure by future scientific discoveries just as past misconceptions about the flat Earth or eclipses were debunked Will future generations look back on our current beliefs with the same skepticism we have towards ancient myths Introducing the concept of Mentomatics and a new Spiritual Science Kamble presents a groundbreaking idea just as mathematics evolved into Calculus to decode the complexities of the

physical world it could now evolve into Mentomatics to revolutionize our understanding of the mind and spirituality Could this spark a Mentomatics driven spiritual revolution as transformative as the mathematics led industrial and information revolutions Kamble presents the Prem Spirituality Model as a potential framework as a catalyst to hasten this new revolution to achieve the benevolent goals envisioned by ancient spiritual founders of religions The book suggests a re engineering of religion to better serve humanity Kamble envisions a future where spirituality evolves alongside science fostering spiritually elevated individuals to create a world free from religious conflict a future where humanity evolves into a more enlightened and united existence Dive into God in Two Minutes to explore these profound questions and create a united harmonious and enlightened world **Searching for God** Basil Hume,1978-01-01 Practical down to earth Searching for God is a book concerned with the daily living of the Christian life according to the Rule of Saint Benedict Cardinal Hume explores our approach to God the tension between desert marketplace with fearless honesty but also with joy humor *The Pursuit of God* A.
