While there are indeed many infamous female poisoners such as Mary Ann Cotton who is believed to have claimed at least twenty victims between 1860 and 1872 and Mary Wilson who killed her husbands and lovers in the 1950s for the proceeds of their insurance policies there are also many men who chose poison as their preferred means to deadly end. Dr Thomas Neil Cream poisoned five people between 1881 and 1892 and was connected with several earlier suspicious deaths while Staffordshire doctor William Palmer murdered at least ten victims between 1842 and 1856. Readily obtainable and almost undetectable prior to advances in forensic science during the twentieth century poison was considered the ideal method of murder and many of its exponents failed to stop at just one victim. Along with the most notorious case of murder by poison in the country this book also features many of the cases that did not make national headlines examining not only the methods and motives but also

the real stories of the perpetrators and their victims      **Valentine Murder** Leslie Meier, 2009-01-01 In Tinker s Cove Maine sleuth and freelance writer Lucy Stone investigates the shooting of the town s librarian whose body was found in the library minutes before a meeting of the board of directors Police suspect all seven directors including a former librarian By the author of Back to School Murder      *Bad Girl* Michele Jaffe, 2004-06-01 She never meant for it to happen For Chicago Thomas aka Windy it was an offer too good to refuse the chance to head the forensics lab at the Las Vegas Police Department With her six year old daughter in tow Windy moves to Sin City hoping to start over with a loving fianc far from the sad memories of a first marriage that ended in tragedy But the job of her dreams is about to take a nightmarish turn She wanted to be a good girl Though the first murders appear to be random they are savage in their intensity an entire family butchered in their own home Only a few days later another family meets the same grisly fate To Ash Leighton the enigmatic chief of the Metro Violent Crime Unit the signs are clear a serial killer is stalking Las Vegas But she just couldn t help herself In a breathless race against time the lines between good and bad right and wrong begin to blur and Windy and Ash find themselves irresistibly drawn to each other In a town where nothing is what it seems only the evidence doesn t lie And Windy may have to pay for the truth with her life Sometimes being good is dangerous
