Shore Road Mystery:

The Shore Road Mystery Franklin W. Dixon, 2020-09-28 It certainly is a mystery how those autos disappeared said Frank Hardy I'll say it is replied his brother Joe raising his voice to be heard above the clatter of their motorcycles Just think of it Two cars last week two the week before and one the week before that Some thieving I'll tell the world And Martin's car was brand new called back Chet Morton Mighty tough Frank affirmed It's bad enough to lose a car but to have it stolen the day after you've bought it is a little too much Must be a regular gang of car thieves at work The three boys on their motorcycles were speeding along the Shore Road that skirted Barmet Bay just out of Bayport on a sunny Saturday afternoon A person takes a big risk leaving a car parked along this road said Chet Every one of the five autos disappeared along the shore What beats me declared Frank turning out to avoid a mud puddle is how the thieves got away with them None of them were seen coming into Bayport and there was no trace of them at the other end of the Shore Road either Seems as if they just vanished into the thin air Chet slowed down so that the trio were riding abreast If the cars were only ordinary flivvers it wouldn't be so bad But they were all expensive high powered hacks Martin's car would be spotted anywhere and so would the others It's funny that no one saw them Some of these auto thieves are mighty smart opined Joe They certainly have their nerve working this road for three weeks and with everybody on the lookout for them It has certainly put a crimp in the bathing and fishing along the Shore Road He gestured toward the beach below Why usually on a Saturday afternoon like this you'll see a dozen cars parked along here What with boating and fishing and swimming lots of people used to come out from town Now if they come at all they walk And you can't blame 'em Who wants to lose a high priced car just for the sake of an hour's fishing It's certainly mighty strange Frank reiterated After taking two cars from almost the same place you'd imagine the thieves would be scared to come back They have plenty of nerve that's certain It isn't as if the police haven't been busy They've watched this road ever since the first car was lost and the other autos were stolen just the same They've kept an eye on both ends of the highway and there wasn't a sign of any of them
