The Shorn Lamb Emma Speed Sampson, 1922 *Early American Proverbs and Proverbial Phrases* Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious **National Wool Grower** ,1913 **Atonement** Stanford Guthrie Burney, 1887 **Bulletin** ,1915 **Sanctuary in the Wilderness** Alan Mintz, 2011-12-14 The effort to create a serious Hebrew literature in the United States in the years around World War I is one of the best kept secrets of American Jewish history Hebrew had been revived as a modern literary language in nineteenth century Russia and then taken to Palestine as part of the Zionist revolution But the overwhelming majority of Jewish emigrants from Eastern Europe settled in America and a passionate kernel among them believed that Hebrew provided the vehicle for modernizing the Jewish people while maintaining their connection to Zion These American Hebraists created schools journals newspapers and most of all a high literary culture focused on producing poetry Sanctuary in the Wilderness is a critical introduction to American Hebrew poetry focusing on a dozen key poets This secular poetry began with a preoccupation with the situation of the individual in a disenchanted world and then moved outward to engage American vistas and Jewish fate and hope in midcentury American Hebrew poets hoped to be read in both Palestine and America but were disappointed on both scores Several moved to Israel and connected with the vital literary scene there but most stayed and persisted in the cause of American Hebraism **Sheep Production** Levi Jackson Horlacher, 1927 Discusses raising sheep sheep breeding marketing and selling **Bulletins of the Agricultural Experiment Station** University of Illinois at Urbana-Champaign.
