marriage prospects Long before the discovery of DNA my grandparents intuited and feared James Watson s message We used to think that our fate was in our stars but now we know that in large measure our fate is in our genes The book suggests genetic testing and associated medical intervention can yet change our fates **Books in Print** ,1991 *Scientific and Technical Books and Serials in Print* ,1984 *Forthcoming Books* Rose Arny,1991 The Canadian Magazine J.
